Brief Bits of Gossip From All Parts of the County.

## MARKS' PRAIRIE.

Mr. Jack Kerr has been repairing fences the past week.

Mr. Wm. Leach came near losing his house by fire one day this week.

Mr. Wilt Armstrong, of Paradise City gave a social dance last Saturday evening and several of our people attended and had a fine time. A delightful lunch was served at midnight and all went home well pleased.

Lumber is being delivered for Mr. Ben Woffler's new residence.

The dance at Needy was well attended and it would have been a success if it was not that several young "would be smart ones," who always come to the Needy dances drunk as lords. It is up to the persons giving these dances to issue cards of invitation and this will keep out this class of hoodlums. It is getting to be a disgrace to the community the way these dances are being conducted.

Our roads are getting fine now and there is a good deal of travel in consequence.

Miss Bachman, our teacher reports an average attendance of 36 pupils during the past month.

Mr. John Mark was calling on Messrs. Oglesby Sunday.

Mr. Albert Gribble and family were visiting Mr. and Mrs. John Jesse Sunday.

Mr. Geo. Scramblen is busy these days putting in phone lines and putting in phones. It seems he puts in about four phones to the mutual's one.

There is a large amount of potatoes unsold in this vicinity.

Several friends and a host of relatives visited Mr. and Mrs. Dave Zimmerman Sunday, it being his 69 birthday.

Politics is warming up and Republican leaders here are getting down to business. One of them will circulate a petition for Wm. Mattoon for Com-

missioner this week.

We want the voters of this county to watch the Portland Rod and Gun Club as they have several little bills that they will try to get through our next session of the legislature at the expense of the taxpayers. That fish rod license and gun license is just a neat little graft to give a few "dudes" a little office.

Mr. George Oglesby was visiting Major J. J. Taylor at Paradise City last Sunday.

## CROUP

Begins with the symptoms of a common cold; there is a chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough apply frequently Ballard's Snow Liniment to the throat.

Mrs. A. Vilet, New Castle, Colorado, writes, March 15, 1902: "I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant to take" Sold by Huntley Bros. Co.

## LOGAN.

"Sign" enthusiasts say Spring is near, but don't be too sanguine. The groundhog or any other hog could see their shadow on February 2.

Mr. Grant Dimick and Mr. Walter Tooze were at Logan Saturday night and explained the direct primary law. A small audience greeted the speakers, as it was not generally known, being announced on short notice.

Miss Laura Clay was to have lectured on equal suffrage Sunday evening but failed to appear, and those who anticipated hearing her went home disappointed.

The farmers are all busy sowing grain and taking advantage of the fine weather.

## HEALTH.

Means the ability to do a good day's work, without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and polluting the blood. Such a condition may be best and quickest relieved by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith, writes, April 3, 02: "I use Herbine, and find it the best medicine for constipation and regulating the liver I ever used." 50 cents. Sold by Huntley Bros. Co.

## GREEN WOOD.

We are glad to see the announcement of W. S. Rider as candidate for Commissioner. There are reasons why he should be elected. He is a strong faithful Republican, always stayed with his party, is well posted in county affairs, has served many years as Road Supervisor, and has good knowledge of roads and constructing bridges, is a good honest farmer, has been a resident and taxpayer of New Era district for 35 years and we fully believe he is a man of his word. What he says he'll do, he'll do.

## Positive, Comparative, Superlative.

"I have used one of your Fish Brand Slickers for five years, and now want a new one, also one for a friend. I would not be without one for twice the cost. They are just as far ahead of any common coat as a common one is ahead of nothing."  
(Name on application.)

Some of the corduroy and old plank road in this part is almost impassable. William Hiebottom and wife have moved to the DuBoise sawmill near Etacada.

Several rigs have been badly broken by coming in contact with the old corduroy road between here and Redland.

Carl Ward and Loren Tenny each has a very fine talking machine. The Epworth League social at W. H. Mattoon's was a great success.

Rev. Patton went to Bethel Monday to preach the funeral sermon of Mr. Senn.

Mr. Copeland purchased a horse of John Hughes last week.

Teaming from this part to Oregon City is almost stopped by the broken plank and old corduroy.

A healthy man is a king in his own right; an unhealthy man is an unhappy slave. Burdock Blood Bitters builds up sound health—keeps you well.

Henry Gunther was a pleasant caller at the Clarke home last Saturday night.

The farmers around here are busy putting in their Spring crops.

Miss Mabel Clarke is home on a visit.

Mr. Editor, since Mr. Brownell is again a candidate, wouldn't it be a pretty good plan to give those who "like" Brownell a chance, through your columns to say why they "like" him? Personally we would like to know what that "good" man has done these past twelve years to win and hold the confidence of those who have been his constituents.

Speaking of County Judge, Richard Scott, of Milwaukie, in our judgment, would make the best County Judge.

Christy, 426 27th St., and hundreds of others. Some were at death's door when put on the compounds, but many such recovered. In a word about 87% of all cases of Bright's Disease and Diabetes, heretofore positively incurable, are now curable under the new Fulton Compounds. The Real Compound for Bright's and Kidney Disease is \$1; for Diabetes, 40¢. Pamphlet free. We have just established a depot in your city where you will find the Compounds sold pamphlets, viz:
