STATE OFFICERS

LIVELY CONTEST ON AMONG THE MANY ASPIRANTS.

Four Candidates for Gubernatorial Nomination—Many Would Be Treasurer.

There is real activity among the Republican candidates for nomination to the various state offices and there is no end of aspirants for these nominations. Only a few of these have filed with Secretary of State Dunbar their petitions. Those who have thus qualified to date are as follows:

- Governor—C. A. Johns, Baker City... R. James Withycombe, Corvallis... R. C. A. Sehlbrede, Marshfield... R. T. T. Geer, Salem... R. Geo. E. Chamberlain, Portland... D. Secretary of State—Claud Gatch, Salem... R. F. T. Wrightman, Salem... R. L. L. Pearce, Salem... R. F. W. Benson, Roseburg... R. Treasurer of State—W. J. Altkin, Huntington... R. A. C. Jennings, Eugene... R. T. F. Ryan, Oregon City... R. E. V. Carter, Ashland... R. Geo. A. Steel, Oregon City... R. State Printer—W. J. Clarke, Gervais... R. J. R. Whitney, Albany... R. Justice Supreme Court—Robt. Eakin, LaGrande... R. Attorney General—A. M. Crawford, Roseburg... R. Geo. H. Durham, Grants Pass... R. State Superintendent—J. H. Ackerman, Portland... R. Commissioner of Labor—O. P. Hoff, Portland... R. Representatives in Congress—1st Dist. W. L. Tooze, Woodburn... R. W. B. Hawley, Salem... R. S. B. Huston, Hillsboro... R. Second District—W. J. Lachner, Baker City... R. J. L. Rand, Baker City... R. J. H. Graham, Baker City... R. D.

For the nomination of Governor, the result of the last election confirms the theory that the strongest available candidate must be named by the Republicans in view of the fact that the present incumbent of that office, Governor Chamberlain, will doubtless receive the nomination and make the race for a second term. Undoubtedly the strongest man who has thus far filed his petition is Dr. Withycombe, of the Corvallis experiment station. He is considered a thoroughly practical man, strictly honest and of the highest integrity. By reason of his helpful and instructive services in connection with numerous farmers' institutes that have been held in this county, he has formed a wide acquaintance in Clackamas County where he will receive a very substantial vote. Both Johns and Sehlbrede, as well as Sheriff Brown, of Baker county, who has recently entered the race, labor under the disadvantage of not being acquainted in this section while Geer, with the memory of the election of four years ago still fresh in mind, is unquestionably the weakest candidate and can expect but limited support in this county which gave Furnish a very substantial majority.

For Secretary of State, P. S. Malcolm, of Portland, appears to be the most formidable candidate although the many friends of Claud Gatch, of Salem, are making a vigorous campaign in his interests. Mr. Gatch is both competent and deserving of the nomination but is handicapped by the usually demonstrated greed of the Salem hog which has put forth two other candidates for this same nomination. F. W. Benson, of Roseburg, who has also filed his petition for the nomination, is developing considerable strength. The other two candidates from Salem are Lot Pearce and F. T. Wrightman.

In the race for state treasurer, County Judge T. F. Ryan, of this city, who is known as "Clackamas county's candidate for a state office," has a slight advantage over a half-dozen rivals for this nomination in having been the first man to announce his candidacy. George A. Steel, also of this county, and for years prominent in the politics of the state, is very active in his fight for the nomination. Ralph Hoyt, of Portland, is another formidable candidate while A. C. Jennings, of Lane, and E. V. Carter, of Jackson, are also seeking the nomination. In addition to W. J. Clarke and J. R. Whitney, the present incumbent,

Willis S. Duniway, of Portland, is also asking for the nomination of State Printer. Robert Eakin, of LaGrande, is the only candidate for the nomination of Justice of the Supreme Court to succeed to the vacancy created by the resignation of Judge Wolverton. In his candidacy for a renomination and re-election, Attorney General A. M. Crawford, of Roseburg, will be opposed by George H. Durham, of Grants Pass. No opposition candidate has developed to State Superintendent J. H. Ackerman who is a candidate to succeed himself for a third term. State Labor Commissioner Hoff is also without an opposing candidate.

The race for Congressman in the First District is becoming interesting. Walter L. Tooze, of Woodburn, is the only one of the three candidates who has invaded Clackamas county where he has made an active canvass. Huston, however, has a host of warm personal friends and influential friends in this county who are doing effective work in the interest of his candidacy.

For Rent—A fine ten room house near Eastham school; four lots, plenty of fruit, cheap to party that will take care of place. M. Yoder.

J. A. Shibley, of Springwater, was in the city a few days this week. Mr. Shibley's friends in the northeastern part of the county are urging him to become a candidate for County Treasurer and he has the matter under consideration. Mr. Shibley is a pioneer resident of the county and is known as the "Sage of Springwater." He is an old veteran in the Republican ranks and has always been a faithful worker in support of the party's principles and the success of its various candidates for office at all times. His friends think it would be eminently proper at this time to tender him this nomination and election.

Howell & Jones, the progressive druggists, are materially remodeling the interior of their pharmacy. These alterations are required for the accommodation of the firm's large stock of goods necessary for the enlarged and constantly growing business that is being experienced by this deserving firm.

Councilmen A. Knapp and W. R. Logus, of the committee on Fire and Water of the Oregon City Council, accompanied by Chas. Burns, Jr., of the Columbia Hook & Ladder Company, went to Portland Tuesday and inspected a number of hook and ladder wagons and other fire apparatus as directed so to do at a recent meeting of the Council. The members of the committee selected a modern hook and ladder wagon, costing \$825 with all necessary equipments, and will recommend its purchase by the city. The wagon now in use by the city's fire department has been in commission since 1869 and has practically outlived its usefulness. The purchase of a new hook and ladder wagon has been petitioned for by a great majority of the business men and taxpayers of the city.

J. E. Wetzler, manager of the Milwaukie Band, accompanied by J. M. Snyder and H. M. Mullan, members of the same organization, was in the city Wednesday evening completing arrangements for the dancing party that is to be given by the band at the Armory Hall in this city tomorrow, Saturday evening. Music for the dance will be furnished by the Milwaukie Band of eighteen pieces. This will be the second party of the season to be given by this organization. The first party was given a few weeks ago and proved such a pleasant success that the management of the band in response to a general demand of those who enjoy good dances and fine music has decided to give a number of these parties during the remainder of the winter. Those who attended the initial event a few weeks ago will be sure to attend tomorrow evening's party, the attendance at which promises to surpass that of the first party.
