

CLACKAMAS COUNTY NEWS.

Correspondence Received Too Late for Last Week's Issue.

STAFFORD.

After nearly three weeks of drought which has been wonderfully enjoyed and improved, the gentle rain began to descend upon the just, etc. on Wednesday morning, and before night had become the familiar old Oregon mist, and now the old bear will have his six weeks' innings; that is he has got to stay in six weeks.

Political aspirants for office are buzzing around trying to improve the shining hours repairing their political fences.

We have not heard that the hound man and his Oregon City lawyer has returned the \$25 they scared out of the old German, but then it is supposed the one needed tobacco, and the other needed a campaign fund.

Mrs. Powell, who was supposed to have the small pox, is about again, and no new cases have developed.

Zack Ellingsen, our supervisor, has been pushing the work on the new "cut-off" to Oregon City road while the good weather lasted.

WILHOIT.

Our beautiful, sunshiny weather seems at an end. This morning it looks as if we were going to have some more weebfoot weather—rain.

Our industrious farmers are working hard to finish sowing their grain before the rain sets in.

Miss Jennie Johnson, of Tacoma, is visiting her grandparents, Mr. and Mrs. Amos Johnson; also Uncle Ben Johnson and his bride.

Mr. Paulson has two horses quite sick.

A party of young people gathered at the home of Mr. Paulson last Thursday evening to pass a pleasant evening and to witness the eclipse of the moon.

Games and pleasant conversation were indulged in till a late hour, and in the dark of the moon we wished our host and hostess good night. Those present were Mr. and Mrs. Paulson, the Misses Judith, Mabel and Lily Paulson, Mr. Zeb Bowman, Mr. Hub Bowman, Miss Dolly Bowman, Miss Inez Bowen, Mr. Harvey Bowler, Mrs. J. N. Raitton and Miss Hazel Raitton, Miss Katie Trullinger and Master L. Bowen and others.

Mr. Hub Bowman expects to leave us soon to work in the logging camp. Mr. J. N. Raitton left last Monday for an extended business trip to Portland.

"HOOLIGAN IN NEW YORK."

Mr. Jas. L. McCabe, who if one half the good things said about him may be believed, is a comedian of unusual ability, will make his first appearance in Oregon City at Shively's Opera House, Saturday evening, February 24, at the head of the company producing "Hooligan in New York." Mr. McCabe was for a number of years prominent in the farce comedies produced by the late Chas. H. Hoyt. He was in the original cast of "A Milk White Flag," "A Black Sheep," and "A Stranger in New York." He was with Weber and Fields when their company included such famous artists as DeWolf Hopper, Willie Collier, Lillian Russell and Fay Templeton. Last season he created the role of Hooligan at the American Theatre, New York, where the play had a run of 115 nights. Mr. McCabe is peculiarly adapted to the part, which requires not only an unctuous comedian, but an actor who has the training and ability to enact heroic roles as well. The fact that he has scored the greatest success of his career in "Hooligan in New York" would indicate that the production is one worthy of attention.

CLOSES ITS POOLROOMS.

Milwaukie Club Said To Be Heavy Loser.

Favorites, it is said, have accomplished that which baffled Mayor Lane, Captain Bruin and the Portland police, as the poolrooms of the Milwaukie Club have been closed, said Wednesday's Oregonian. Successive and heavy winnings as a result of the favorites coming off victorious in the California races are said to have cost the backers of the Milwaukie Club not less than \$20,000 within the last few months.

Ruonich under the firm name of Kelly & Ruonich, has been this day dissolved by mutual consent, Mr. Kelly retiring from the business which will be conducted by Mr. Ruonich who assumes all of the firm's obligations. DANGER AVERTED.

If a man should cross a deadly snake in his pathway, he would quickly crush it beneath his heel before it could sink its poisonous fangs into his flesh. He would not step out of the way and temporize with the dangerous reptile. And yet how many people are there who temporize

with a still more deadly enemy—consumption. Like a silent serpent, it glides along almost unnoticed. First a cold, or sore throat, then a slight cough, then catarrh, then bronchitis, then bleeding from the lungs and finally death. The way to crush out the threatening evil is to fortify the system and purify the blood with Dr. Pierce's Golden Medical Discovery. Every weakness and abnormal condition that precedes consumption is cured by this non-alcoholic remedy. At the first sign of derangement of stomach, liver and blood, look out! It is only a question of time until the lungs will be attacked through the impure blood, and then the danger will be most deadly.

It should be known to every sick person that Dr. E. V. Pierce will give carefully considered, fatherly, professional advice by mail to all who write him at Buffalo, N. Y. No charge or fee of any nature is asked.

Mr. Moses Horner, of Stahlstown, Penn'a, writes: "Last fall I took a severe cold (the result of wet feet) and this brought on catarrh and bronchitis which lasted all winter. I used three bottles of Dr. Pierce's Golden Medical Discovery and two or three of the 'Pleasant Pills,' also one package of Dr. Sage's Catarrh Remedy. I am now cured. Many thanks to you."

An honest dealer will not try to persuade you to take a worthless substitute in place of the "Golden Medical Discovery" for the sake of a little added profit.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y.
