

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
601 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 22 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1905, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 601 Main St., Peoria, Ill.

FRAUD EXPOSED.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. HUCKLEN & CO., Chicago, Ill., and Windsor, Canada. For sale at Howell & Jones drug store.

CO-OPERATION IS DESIRED.

Fruit Inspector Lewis Wants Help of all Fruit Growers.

Oregon City, Or., Feb. 22, 1906. Editor Enterprise:

Having been appointed Fruit Inspector of Clackamas county, I want to say to the public through your columns, that my only reason for accepting the appointment is an honest desire to do what I can to help those who really want help and are willing to do as far as possible what they know to be their duty in the premises. It is very encouraging to see the interest that is being taken in the work of renovating old orchards where practicable and grubbing them out where worthless. I do not anticipate having very much trouble to make reasonable people see the necessity of doing their part in bringing about this much needed reform especially if they will stop to think it is to their individual interest to do so. This agitation is not in the interest of any one class, but is of vital importance to all. It will certainly benefit the producer and as certainly benefit the consumer.

There is nothing in any business for anyone that is conducted as has been apple growing in Clackamas county as a whole, for a number of years. The individual cost of the work in most instances will be small and the investment will pay large dividends financially and in other ways our county appropriation for the inspector is not very large, but if we will co-operate in this matter as we should, it will go a long way as a starter. We shall prevent the marketing of wormy and infected fruit as far as possible. We do not want to work a hardship on anyone, but shall expect each one to do what he most know to be right if he will stop and think the matter over.

Hoping and believing we shall meet with the hearty co-operation and support of all, I am yours,

A. J. LEWIS.

VALENTINE PARTY AT PARK PLACE.

One of the most pleasant events of the season was the Valentine party, given by Mrs. W. A. Holmes, Wednesday evening, February 14.

Thirty-two guests were present and all join in saying it was one of the nicest parties they ever attended. The double parlors were beautifully decorated with ferns, and hearts which were arranged so as to form a festoon, under which the archers stood to shoot the arrow at the hearts so as to learn what their future would be. Little Glen Hamilton was dressed to represent Cupid and little Retta Holmes represented the Queen of Hearts. She wore a gilt crown and this white dress trimmed in red hearts. Cupid and Queen of Hearts acted as ushers for the guests, and they did their parts beautifully.

Music and games were played until 11:30 when dainty refreshments were served. As the guests were leaving for home they were presented with a Love's telegram by Cupid and Queen of Hearts. All went away declaring Mrs. Holmes to be an excellent hostess and a kind good teacher as the party was given in honor of her Sunday School class of young ladies.

COLTON.

Mrs. Robeson who has been very sick for some time, is still very low and little or no hopes are entertained or her recovery.

J. H. and D. A. James, who have been on the sick list for some time are much improved.

J. N. Lafferty had the misfortune to cut his leg quite badly last Monday while working in the logging camp near the Molalla.

C. E. Gorbett, of Colton, has been

appointed notary public.

Pete Lafferty has just returned from a week's visit with relatives in Oregon City.

W. H. Wilson, the dog catcher, man chaser and U. S. game warden, of Elwood, was out walking in Colton last Friday. Look out, Willie, don't go to close to the stream, the fish might bite this fine weather. Frank Arguet has a sick horse. Quite a number of horses in this vicinity have had distemper this winter.

Ed Sporiach, of New Era is talking of locating here in the near future. Wild strawberries are in bloom. Does that mean spring is near?

Rev. W. H. Davis held services in the Colton Hall on the 18th. Church was well attended, considering the disagreeable weather.

Miss Lulu Garrett, of Jacksonville, arrived here on the 17th, to stay a fortnight at the home of her grandfather, Mr. Robeson.

Our supervisor has put up signboards at the various corners and cross-roads in his road district, and they are no cow track work either, but good, first-class work, that is a credit to the place and the lad that has been tearing down and disfiguring signboards for the last year had better look a little out as some one has their eyes open, and it is a punishable offense besides it is a sneaking, cowardly act.

Father Preston, of Troutdale, was visiting in Colton last week. He walked from Estacada to Colton, a distance of 12 miles. He is 78 years of age.

PLEASANT HILL.

We, formerly known as the Douglass Settlement, have been of late years identified as "Eagle Creek," which is erroneous and misleading, for in reality we are a separate and independent neighborhood some distance from "beautiful Eagle Creek," so as to prevent any further misunderstanding and for convenience we will hereafter be known as Pleasant Hill.

All sorts of weather, and some not sorted, or at least not ordered by the weather man, has been this week's programme. Sunday the rain fell in torrents, accompanied by a heavy southwester, and by way of variation, Old Jove hurled a few thunder bolts with some quite vivid lightning flashes. Here we have such a variety of climatic conditions that will suit the most fastidious, even to thunder in the winter time.

Jas. Kirchem, one of the firm of the Sellwood Lumber Company that purchased A. J. Douglass' mill, was out Sunday looking after business interests.

F. Lazarus and Fred Leinld, with their crew of men, took possession of the mill property and will soon be in running order, under the firm name of Sellwood Lumber Co.

Wiley Douglass, of Eagle Creek, was the guest of A. J. Douglass, Sunday.

Mrs. Wm. Douglass, has been quite ill with an attack of lagrippe.

Miss Minnie Steinman, of Currinsville, spent part of Saturday and Sunday with Miss Bina Douglass.

Mr. Carter, of Sellwood, was in this neighborhood the fore part of the week with a gentleman who was out here with the intention of purchasing timber. Sunday night Ward Douglass was the hero of quite a thrilling experience that might have resulted seriously, but for the protection of his guardian angel, that invisible something that mysteriously steps in between us and danger. As he was returning from Eagle Creek, where he had been to church, for some unaccountable reason, his horse walked upon a bank near Mr. Hoffmeister's place completely overturning the buggy. Upon a hasty examination, nothing was found to be damaged and righting

things they proceeded on their journey. All went well until about to turn a corner, when on account of the darkness, which was as the proverbial "stack of black cats," Ward figured out said corner to be somewhat nearer than it was, and directed his horse accordingly. The animal obeyed his master's will instead of his own instinct, the consequences being another turnover, causing the occupant to perform some fancy figures, hitherto unknown to the athlete, at last landing on the soft, rainsoaked, terra firma with a thud that brought to mind all the forgotten swear words of his vocabulary. A light was turned upon the scene, and the buggy was lying upon its side, while the shafts ornamented the horse's back. No bones were broken or other injuries to either man or beast, but the vehicle suffered a broken shaft which was easily repaired, proving that all is well that don't end worse.

GEORGE.

Say, didn't it rain last Sunday? Mr. Eld Harders has returned from the hospital where he has been for the last three weeks. We are glad to see him back.

Mr. Chris Johnson had an accident last Saturday. He was splitting wood and a piece of the wedge flew off and struck him in the leg. Dr. Smith dressed the wound and he is now greatly improved.

Mr. Leo Rath is laid up with a badly bruised foot. While teaming over the Sandy country last Tuesday the wheel of a heavily loaded wagon passed over his foot. He immediately went to Estacada where Dr. C. B. Smith attended to the injured limb. He is now at his home here and is improving quite rapidly.

Mr. Will Held is visiting his sister, Mrs. Wisner, at Bethany.

Mr. Hans Paulsen and daughter Martha went to Portland yesterday.

Mr. Peter Rath has moved into his new residence.

Frank Ahnert gave a dance last Wednesday evening and it was well attended. Every body reports a good time.

Frank Ochs hauled a load of straw from Carl Rath Saturday.

Chris Johnson and his mother were the guests of Mr. and Mrs. Slinkes Sunday.

Miss May Strange has returned from Oregon City, where she has been the past week taking the examination.

Henry Smith has quite a smile on his face lately. Boys, get your tin cans and shot guns ready.

Theo. Harders and Peter Ruhl are hewing sills for Carl Rath's new barn.

Peter Paulsen is preparing to build a new barn this Summer.

Hans Jopson has been helping Chris Johnson take trees out of the field. It makes quite an improvement in the looks of the place.

A valuable horse belonging to Peter Rath died of an unknown cause last Monday.

NEEDY.

(Marks Prairie and Vicinity.) R. W. Zimmerman is clearing up some more land. He has one of the finest farms on this prairie.

Mr. Jim Gribble was calling on the Oglesby brothers one evening this week.

Farmer Goetz is improving his place by clearing up some more land.

Considerable sickness in our midst now, mostly bad colds and lagrippe.

The dancing school at Needy has about pegged out. George Oglesby and sons are making shingles for their new hop house. A 12-acre hop yard near Needy is being grubbed up as the owner says

he has no money to squander on hops. Mr. Albert Pratt, of Paradise City, is putting up a new barn and will move his house up near the county road.

It seems that the wedding of one of Paradise City's belles is declared off.

Mr. G. B. Dimick will speak at Needy Friday evening.

The fruit agitation has helped some as almost all our farmers are trimming and cleaning up their old orchards.

Mr. C. Koehler is putting up some new wire fences along the road in front of his farm.

It seems to bad that we have no gospel preaching on our prairie and no church nearer than four miles. Mr. A. K. Mark deeded 2 acres of land to any denomination of the protestant churches that would erect a church edifice on this prairie, and still the offer is open.

Mr. John Ghola will soon leave for his old home in Germany to visit his aged mother. He expects to be gone about six months.

Wm. Leach will have a phone put in his house in the near future.

We do not have any candidates for office in this precinct but there seems to be plenty everywhere else. Those early gardens that were planted here should be taken in out of the cold and rain.

BORING.

Old Webfoot has come back at last in this place, and the people seem to enjoy the showers.

Most of the fall and winter grain was put in during the good weather.

The political pot has begun to boil here. Randall, of New Era, for Representative, and Dimick for County Judge, and Schuebel, were here Friday evening, and made some good political speeches which were much enjoyed by the people.

No one would ever be bothered with constipation if everyone knew how naturally and quickly Burdock Blood Bitters regulates the stomach and bowels.

EAGLE CREEK.

Rain, rain, rain, nearly all the time, seems the order of the day.

J. W. Douglas returned a few days ago from the coast, where he has been looking after a homestead.

A very pleasant wedding took place at the residence of Mr. and Mrs. Gurdhardus on the 14th, their daughter Lena being united in marriage to Severn Kirchem, of Logan, Justice of the Peace Alspaugh officiating. There was a large crowd of relatives in attendance, and all reported a fine time. We wish them a long and happy life. The Grange Saturday was well attended at which two were initiated in the 1st and 2d degrees. The new mill company bought the

Douglass saw mill and intend to build a new mill soon; also put in a planer, so their patrons will be able to get all kinds of lumber.

Miss Minnie Steinman, of Currinsville, was visiting Miss Bina Douglass Sunday.

Several farmers of this section have planted large patches of potatoes for the early market.

Before having the old-time gold fillings put in your teeth come and see the newer and better porcelain inlays. This work, while comparatively new, has been in general use about six years, and by every test is found to be far superior to any other filling known. It preserves the teeth, preventing decay around the margin as sometimes happens in metallic fillings; are more durable and look very much better.

This work is not generally used in on account of the skill and time, required to do as it should be done. We have been doing porcelain inlay work for over two years, besides taking a special course in this work while in Chicago under the best porcelain workers in the United States.

Do not confound this work with cement or artificial enamel, which is used by many.

Porcelain fillings have come to stay, and is acknowledged to be so superior that in the East many people are having their gold fillings replaced by them.

All our work guaranteed.
