Bright's Disease and Diabetes News.

Facts That Caused us to Take the Agency for the Fulton Compounds, the First Known Cure for Bright's Disease and Diabetes.

First, let it be distinctly understood that every one of the cases below had been diagnosed by one or more physicians as Bright's Disease or Diabetes and chronic and incurable; second, note the certainty of the results as shown by the recovery also of the friends they told who were similarly afflicted.

N. W. Spaulding, President Spaulding Saw Co., San Francisco, had a recovery in his own family and told several others who recovered.

Adolph Weske, capitalist, San Francisco, recovered himself and told two friends who recovered.

Dr. Carl D. Zelle, pioneer druggist, 522 Pacific street, San Francisco, recovered himself and gave it to more than a dozen patients who recovered.

Chas. Engelke editor of the German paper, San Francisco, recovered himself and told it to a number who recovered, one of them being Charles F. Wacker, the Sixth street merchant.

R. M. Wood, editor Wine and Spirit Review, recovered himself and told it to several who recovered, among them being an old-school physician.

Edward Short of the San Francisco Call recovered, also three of his friends, viz: William Martin, Captain Hubbard of the Honolulu route and William Hawkins of the U. S. Quartermaster's Department, San Francisco.

John A. Phelps of the Hotel Republic, San Francisco, and two of his friends.

Mrs. M. Empey, 130 Steiner St. (also recommended it to several who recovered, one of them leaving the German Hospital to go on the treatment.)

And hundreds of others. Bright's Disease and Diabetes, heretofore incurable, are now positively curable and in nearly nine-tenths of all cases. If you still have any doubt give yourself the benefit of the doct's Fulton's Special Compound for Bright's and Kidney Disease, \$1; for Diabetes, \$1.50. Send for pamphlet. LOGAN.

Alfred B. Swales, who died at Astoria March 1st, of appendicitis, was laid to rest in the Pleasant View cemetery on Saturday, March 3d. A large concourse of friends and relatives gathered to pay their last tribute to the dead. His death came as a shock to the family and friends, as he had only been gone from home a week, previous to his death, to work in a shingle mill at Skamokawa, where after doing a day's work he was taken suddenly ill and suffered untold agony until death came to his relief. An operation was performed, but too late. Alfred was born here October 8th, 1883. He was a young man of exemplary habits, respected by all. Funeral rites were conducted by Harding Grange, of which order he was a member. The pall bearers being his old school mates. His death will be sad news to his father, who is absent on a visit in England.

F. W. Riehoff has set up a blacksmith shop, having purchased a complete outfit.

The Rural Route Inspector took a ride with our mail carrier one day last week. We all received our mail about two and one-half hours earlier on that day than before or since. (In justice to the carrier it should be stated in this connection that in making the rounds of this route the Government inspector hired a double heavy team and light rig with which to make the trip. The inspector covered

Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emulsion makes the blood pure. One reason why

SCOTT'S EMULSION

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

We will send you a sample free.

Be sure that this picture in the form of a label on the wrapper of every bottle of Emulsion you buy.

Porter vs. Brownell: Scott vs. Dimeck: Which?

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c.
