

# Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,  
801 Main St., Peoria, Ill.  
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

## Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up. We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 28 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. It is worth its weight in gold. Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed for my husband's case. I await an early reply."

Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

**DOVER.**  
Mr. DeShazer and his mother, in response to a hasty call from his sister, Mrs. Ward, of Barton, left last Friday only in time, however to attend the funeral of his niece.  
Mr. Keith is improving rapidly, and it is hoped a few weeks will see him well again.  
Guy Woodie and Dan Erdman returned from the new logging camp at Barton. They report the camp will soon be in a flourishing condition.  
Saturday and Sunday the elements took delight in trying to see what mischief and havoc it could do. Water milk and vegetables froze where it had never been known to do so before.  
Tuesday, Mr. Erdman, with assistants, will move his family to the new logging camp, which is being opened up at Barton.  
Mr. Rudolph and family have moved to Estacada to reside permanently.  
At a dinner given in honor of the milestone of the grandfather and the first year of the grand-son Roy, Mr. and Mrs. Guy Woodie were among the numerous guests.  
Thursday, Mr. George Kitzmiller leaves for Barton, being employed by the logging company. Go early and avoid the rush.  
Miss Edith Sellman, who has been quite ill for the past month, is convalescent.  
Both churches at Dover were well attended last Sunday, in spite of the elements to keep the devotees home.

**MOLALLA.**  
Messrs. L. L. Porter, Chas. H. Dye, and E. P. Carter addressed an attentive audience last Saturday afternoon, explaining the operations of Clackamas county's political "Boss" on his biennial campaign of fooling the voters of the county, something that Molalla has been conscious of for many years. Think of having an indictment hanging over his head, having the "gall and cheek" to ask the suffrage of law-abiding citizens to support such treachery. And on the other hand conceive of an honest voter supporting such a trickster on the 20th day of April if you can?  
For the next week, Rev. Henry Spies and Dr. Rowland have been conducting a revival meeting at the school house. Several conversions are reported and it will probably continue in the future. The need of a more suitable place of worship is more manifest than ever. Shall we have the union church and have it understood and such expression made manifest in the deed, setting aside one Sunday to each of the four leading denominations? Or shall there be a church union, economize and save unnecessary expenses: Union or what?  
Last Saturday some 30 Rebekahs came out from Oregon City and instituted a lodge at Molalla of about 25 members. I. O. O. F. Lodge No. 148, held its regular meeting having work in the third degree. In conclusion all partook of the bountiful lunch prepared for the occasion.  
The K. O. T. M. Lodge also had a meeting Saturday night.  
The Juvenile Grange will be organized the first Saturday in April in School House Hall.  
Molalla school will close in two weeks under the efficient management of Miss Robinett and Miss Kayler. A genuine good, old-fashioned surprise is awaiting the teachers—who have served the school so faithfully—in the way of a "candy pulling" after the literary exercises are over. Of course, there will be no harm in telling this secret as the affair will be well along ere this appears in ink.

Molalla Mutual Telephone Association is stronger than ever. Nearly 200 members, and all have virtually paid up their assessments which places the association among things that have been tried and found equal to the difficulties it had to surmount and every member feels at ease and encouraged by the good that has been accomplished.  
The Molalla Brass Band will make its first appearance in a drama the last of the month. Give the boys encouragement in the way of a good turnout.  
The Traveling Library has been received from the Oregon Library Commission. William Mackrell is the librarian and it may be found at his place of business during business hours, six days in the week. Remember it is installed for the free use of the public for six months under the auspices of the Molalla Assembly, No. 82, United Artisans. Each patron will be required to return any books taken out within a reasonable time and stand good for any damage or loss of books.  
The thermometer fell thirty degrees inside of twenty-four hours and has reminded farmers and gardeners that "March" has not quite yet been concluded. Then an additional drop to 22 degrees above zero, Monday, is convincing that it is growing colder, when man and beast appreciate shelter from the strong east wind, which keeps the air full of haze, and, of course, is the most trying weather on vegetation, and greatly reduces the fever for planting gardens. Many, however, have finished the most of their seeding, especially on the hill land.

Our lovely weather has caught cold. Georgia Fuller was the guest over Sunday of Miss Laura Baker at her beautiful country home.  
Miss Helen Pollock, of Portland, visited her grandparents, Mr. and Mrs. Harry Shipley, Friday evening.  
Harry Greaves was at Portland Thursday evening.  
Mrs. Robert O. Brun and little Ethel, of Portland, were guests at the Roddy home Saturday.  
Mrs. John Moehnke and the little folks visited in the country a few days last week.  
The Home Talent rendered "My Brother's Keeper" in a very pleasing manner to an appreciative audience Friday evening. It was a success in every way.  
Mr. and Mrs. Sanders spent Sunday with relatives in Portland.  
A very pleasant surprise was given Al Buckels Tuesday evening, that being his thirty-fourth birthday. The time was spent in games. In the guessing contest Miss Jessie Buckels won first prize, the booby prize going to Pete Berdina. Splendid refreshments were served. At a late hour the guests departed after enjoying a most delightful evening.

**SLEEPLESSNESS.**  
Disorders of the stomach produce a nervous condition and often prevent sleep. Chamberlain's Stomach and Liver Tablets stimulate the digestive organs, restore the system to a healthy condition and make sleep possible. For sale by Howell & Jones.

**MULINO.**  
What a change in the weather we are having. We are all beginning to think that some of the signs come true in Oregon, for they say if March comes in like a lamb, it will go out like a lion. Time always tells.  
A political meeting was held at the Grange Hall Saturday evening, and the crowd was quite large.  
Miss Edith Willis has returned home from Portland, where she spent a few days with her brothers.  
Revival meetings are being held at Molalla which some of the Mulino people attend.  
Rev. Dr. Rowland, Rev. H. Spies, Rev. Hayworth, were the guests of Rev. T. Wiles last week.  
The Grange of this place held its general meeting Tuesday evening, and the attendance was quite large. A few of the young people joined, but don't look much the worse, if they did ride the goat.  
Miss May Erickson spent Sunday with her friend, Henrietta Wiles.  
Mr. Albert Woodside has made the raise of a new seed drill.

**GIVES HEALTH, VIGOR AND TONE**

Herbina is a boon for sufferers from anaemia. By its use the blood is quickly regenerated and the color becomes normal. The drooping strength is revived. The languor is diminished. Health, vigor and tone predominate. New life and happy activity results. Mrs. Belle H. Shriel, Middleborough, Ill., writes, I have been troubled with liver complaint and poor blood, and have found nothing to benefit me like Herbina. I hope never to be without it in my husband's life time." 50c. Sold by Huntley Bros. Co.

First of the Democrats.  
C. N. Wait, of Canby, is the first Clackamas county Democrat to file his petition for nomination for Representative in this county. Unlike other Democratic aspirants for places on the Legislative ticket in other sections of the state, Mr. Wait agrees to support and vote for the people's choice for United States Senator. If nominated and elected, he promises to advocate and work for fewer laws with more care regarding the laws that are passed. Mr. Wait filed his petition Tuesday.  
"Try, Try Again."  
H. G. Starkweather, is a prosperous farmer residing near Milwaukie, has announced that he will be a candidate for nomination for County Judge on the Democratic ticket. An economical and conservative administration of county affairs is promised by Mr. Starkweather who, two years ago, was the unsuccessful candidate for County Superintendent of Schools on the Democratic ticket.  
Meeting at Parkplace.  
A very successful meeting was held at Abernethy Grange Hall at Parkplace on Thursday evening, March 8. The meeting was called to order by Capt. W. H. Smith, who was unanimously elected chairman, and I. D. Taylor was chosen secretary.  
The first speaker was John Lewellen, one of the Republican candidates for the nomination for County Commissioner. His remarks were brief; stating that his record, both public and private, was well known and if elect-

ed he would do all in his power to serve the interests of the people of the whole county.  
G. B. Dimick, the principal speaker of the evening, was next on the program. His subject: "The Primary Nominating Law," but before entering upon that subject said he had during the afternoon learned that the Grange Hall was very much in need of a coat of paint, but that the members did not feel able to pay the cost of material and work necessary to apply it, so he suggested that as a goodly number of candidates were present it would be a good plan for them to contribute the necessary funds, and set the "race" by making a liberal contribution then and there. His example was followed by several of the candidates, but some of them from embarrassment or forgetfulness, when they came forward to address the people, omitted that part of his suggestion. The sum of \$14.00 was placed upon the secretary's table and the members of the Grange feel very grateful to those contributing.  
Mr. Dimick's address received the close attention it deserved and before closing he promised the people, if elected as county judge, he would in two years wipe out the present county indebtedness and place Clackamas county upon a cash basis and in the event of his failure to "make good" would resign his office.  
Short addresses were made by the following candidates: R. Scott, candidate for county judge; E. P. Carter, C. H. Dye, Geo. Randall, Frank Jagger and Wm. Smith, legislative candidates; Wm. Mattoon, candidate for County Commissioner; Eli Maddock and D. R. Dimick, candidates for Sheriff; O. A. Cheney, candidate for County Treasurer.

The hall was comfortably filled and considerable interest was manifested by those present.  
Political Notes.  
Grant B. Dimick, Republican candidate for County Judge; Gordon E. Hayes, for Representative; George Randall, for Representative and Eli C. Maddock, for Sheriff, were among those to address a meeting at Clackamas Monday evening.  
Tuesday evening, Mr. Porter, C. H. Dye and Richard Scott addressed the voters of Logan and vicinity. Mr. Porter and Mr. Dye, accompanied by other candidates on the legislative and county tickets will hold a meeting this Friday evening, at Damascus and at Oswego, tomorrow, Saturday, evening.  
Chas. Ely, Democratic candidate for Sheriff two years ago, has entered the race for the nomination of his party for constable of Oregon City District No. 4.  
Eby for Representative.  
O. D. Eby, of this city, on Wednesday became a candidate for the Democratic nomination for Representative. Mr. Eby agrees to vote for the people's choice for United States Senator, and his platform, among other things, declares for "economy and a square deal", the creation of a state bank ex-

aminer, the working of convicts on the roads, the extending of the referendum to incorporated cities, the election of road supervisors by the people and opposition to the emergency clause being attached to any appropriation bill.  
First to File Petition.  
W. W. Smith, of Abernethy, Republican candidate for Representative, is the first candidate to complete circulating his nominating petition and file the same with the County Clerk. Mr. Smith circulated his petition in nine precincts.
