

FOR CONGRESSMAN

HON. WALTER L. TOOZE.

Walter L. Tooze, candidate for congress from the First district, is a man of sterling qualities. He has been in the hop growing business for years. He was once a merchant, a dealer in produce and comes from the ranks of the common people. He is a self-made man, not the tool or convenience of the political boss. He makes a square and open fight upon a platform built by himself. Mr. Tooze did not wait to see which way the wind was blowing but wrote his platform and scattered it broadcast throughout the district, never fearing criticism nor the adverse opinions of others. His platform was not made to fit the occasion, but represents a work upon which he has spent over 20 years of his life. It simply embodies those things which he has always believed and labored for. The Tooze platform stands unique and alone. It came out first and has been most favorably received. It touches upon all the important issues before the people today. It distinctly and openly advocates such relief as this First district is well entitled to and deserves.

Mr. Tooze is a man whose silver-tongued voice has been heard in every hamlet, town and city throughout the state of Oregon for the past 20 years, advocating the cardinal principles of the great Republican party. He is "the friend of the laborer and producer" and if elected to congress the laboring man and the producer will have a friend who will be fearless, active and aggressive in their interests.

Shively's Opera House, Wednesday, March 28. Eckhardt's Ideals will appear in their beautiful play "A Fight for Honor." A rare treat in store for the lovers of high class melodrama, as Mr. Shively has been fortunate in securing for one night Oliver Eckhardt's excellent company; they have won high press comments from the large Eastern cities where they recently appeared. They will introduce pleasing specialties between the acts. Among the clever people with this popular company are Oliver Eckhardt, Chester Sterns, Maurice Chick, Donald Blanchard, W. P. Richardson, Miss Florence Young, Blanche Marlin, Georgia Nichols, Isabelle Perry and Ella Morton. As a large attendance is assured, reserved seats should be secured early at Huntley's. Prices 25, 35, and 50c.

MANY HAVE REGISTERED. 3579 of a Possible 4500 Voters in the County Have Enrolled. The total registration of Clackamas county voters up to yesterday was 3579. Accepting the maximum estimate of the number of voters in the county, 4500, there remains to be registered less than 1000 voters between now and April 10, the time the registration books close for the primary election which will be held April 20. The indications are that practically every voter in the county will have complied with the registration law in time to take part in the primary nominating election. Some of the largest precincts are as follows: Oregon City No. 2, 242, with Oregon City No. 1 a close second with 241, and Abernethy with 200. The smallest registration is that of Marquam precinct where but 15 have registered.

IT WILL MAKE YOU THINK.

That play is most attractive which will be remembered longest, because of the elements which make up and cause it to linger in the minds of those witnessing the production, and for this the characters must be natural. This requires of the author close study of humanity and it is this knowledge that has originated the characters in "A Broken Heart" which is to be presented at Shively's Opera House. Its popularity has already been demonstrated by its successful run in the East for the last two seasons. This season a more capable Company than ever before is presenting it, and their success everywhere has been marked.

Deserves Your Patronage. The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service gives at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.

THE NEW YORK WORLD. THrice-A-WEEK EDITION. Read Wherever the English Language is Spoken.

The Thrice-A-Week World hopes to be in 1906 a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only paper, not a daily, which is as good as a daily, and which will keep you as completely informed of all that is happening throughout the world. The Thrice-A-Week World is fair in its political reports. You can get the truth from its columns, whether you are Republican or Democrat, and that is what you want. A special feature of the Thrice-A-Week World has always been its serial fiction. It publishes novels by the best authors in the world, novels which in book form sell for \$1.50, and its high standard in this respect will be maintained in the future as in the past. THE THrice-A-WEEK WORLD'S regular subscription price is only \$1 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE ENTERPRISE together for one year for \$2.00. The regular subscription price of the two papers is \$2.50.

Trust to Nature.

A great many Americans, both men and women, are thin, pale and puny, with poor circulation, their bodies ill-treated their stomachs by hasty eating, or too much eating, by consuming alcoholic beverages, or by too close confinement to homes, offices or factories, and in consequence the stomach must be treated in a natural way before they can rectify their earlier mistakes. The muscles in many such people, in fact, in every weary, thin and faded person, are in a state of work with great difficulty. As a result fatigue comes early, is extreme and lasts long. The demand for nutritive aid is almost insatiable, which shows that the health every tissue, bone, nerve and muscle should take from the blood certain materials and return to it certain others. It is necessary to prepare the stomach for the work of taking up from the food what is necessary to make good, rich, red blood. We must go to Nature for this remedy. There were certain roots known to the Indians of this country before the advent of the whites which later came to the knowledge of the doctors and chemists, and were used rapidly in professional favor for the cure of obstinate stomach and liver troubles. These are found to be safe and yet certain in their action, and having a beneficial effect upon the stomach, liver and blood. These are: Golden Seal root, Queen's root, Stone root, Bloodroot, Mandrake root, and there is Black Cherry bark. The medicinal principles residing in these native roots when extracted with glycerine as a solvent make the most reliable and efficient stomach tonic and liver invigorator when combined in just the right proportions, as in Dr. Pierce's Golden Medical Discovery. Where there is bankrupt vitality—such as nervous exhaustion, indigestion and thin blood, the body acquires vigor and the nerves, blood and all the tissues feel the favorable effect of this sovereign remedy. The medicinal principles have been made aware of the high medicinal value of the above mentioned plants, yet few have used pure glycerine as a solvent and the medicinal principles have been lost for the ingredients in varying amounts, with alcohol. The "Golden Medical Discovery" is a scientific preparation compounded of the glycerine extract of the above mentioned vegetable ingredients and contains no alcohol or harmful habit-forming drugs.
