Reid, of Milwaukie, as a member of the State Board of Horticulture to succeed E. L. Smith, of Hood River, resigned, was indeed a deserved recognition and a promotion of which the appointee is certainly deserving in view of his active and effective work as fruit inspector for Clackamas and Multnomah counties. No one man in so short a time ever did so much to arouse fruit growers to a realization of the necessity for doing something to preserve this important industry as did Mr. Reid in the short time that he was associated with the Horticultural Society that was recently organized from among the fruit growers of this section. With his appointment there is offered a larger field of operation for this aggressive friend of the fruit industry and it is entirely reasonable to presume that he will evidence the same intense earnestness in his new work that at all times characterized his efforts in this county as fruit inspector. Because of the enormous amount of Oregon Grape which is being shipped out of the state from Clackamas county, the following resolution was unanimously adopted: "Resolved, That the Oregon City Woman's Club protests against the wholesale destruction of the Oregon Grape for commercial purposes and recommends that persons having it on their property do all they can to save this beautiful shrub, peculiar to Oregon, from destruction." The Club will hold its next meeting at the home of Mrs. Robt. Goodfellow, April 11, and the question to be discussed will be: "Resolved, That the Club Woman makes a better wife and mother." Affirmative, Mesdames Straight, Norris and Humphrys; negative, Mesdames, Brownell, Pope and Kinnaird.

The short story in the Argonaut for March 24, 1906, "Private McCord Goes Home," is a remarkable instance of literary coincidence. Bourdon Wilson, the author, submitted this story the same day that "The Corporal's Private Jag," by Nell Gillespie was received. Our patterns are the latest designs. Our styles are exclusive. Miss C. Goldsmith. Clackamas county Democrats are gradually completing their ticket to be voted at the primary election in April. Three additional candidates announced their candidacy this week for different nominations on the ticket as follows: Dr. C. H. Meissner, of this city for coroner; Robert Baker, of Willamette, Treasurer, and Thos. Grace, of Clarkes, Commissioner. It is not likely that there will be any contests for the various nominations on the Democratic ticket at the primary election. Hall and Hargreaves' sawmill, in the vicinity of James, have notified the public generally that they propose to maintain a strict patrol of that part of Milk Creek, one of the choicest fishing streams in the county and prevent all trout fishing this season. Those attempting to fish along this part of this Creek will be considered trespassers whose arrest will be caused and they will be prosecuted as such. These farmers desire in this way to protect the Michigan brook trout that were planted in this stream last Winter until they are given an opportunity to spawn. Several thousand of these trout were furnished by the government but the expense of transporting them in the stream was assumed by C. G. Huntley and H. E. Straight, of this city, and Dee Wright of Liberal. The trout season opens Sunday and innumerable fishing parties have been formed to visit the various trout streams in this vicinity. Huntley Bros. SOME INFORMATION. Republican voters will, on primary election day, find the name of R. E. Woodward the last on the list of candidates for Sheriff. He is now employed by Mr. George C. Brownell as a member of the campaign quartette, but he wishes the voters to distinctly understand that there are no Brownell or other strings on him; that he is in no political clique or combination, and that reports that he has withdrawn from the race in favor of some other candidate are pure fabrications. He is in the race to stay, on his own merits, and all Republicans can vote for him on April 20 with the assurance that all pledges made by him will be faithfully kept. R. E. WOODWARD SLEEPLESSNESS. FOR CONGRESSMAN HON. WALTER L. TOOZE. Walter L. Tooze, candidate for congress from the First district, is a man of sterling qualities. He has been in the hop growing business for years. He was once a merchant, a dealer in produce and comes from the ranks of man, not the tool or convenience of the political boss. He makes a square and open fight upon a platform built by HIMSELF. Mr. Tooze did not wait to see which way the wind was blowing but wrote his platform and scattered it broadcast throughout the district, never fearing criticism nor the adverse opinions of others. His platform was not made to fit the occasion, but represents a work upon which he has spent over 20 years of his life. It simply embodies those things which he has always believed and labored for. The Tooze platform stands unique and alone. It came out first and has been most favorably received. It touches upon all the important issues before the people today. It distinctly and openly advocates such relief as this First district is well entitled to and deserves. Mr. Tooze is a man whose silver-toned voice has been heard in every hamlet, town and city throughout the state of Oregon for the past 20 years, advocating the cardinal principles of the great Republican party. He is "the friend of the laborer and producer" and if elected to congress the laboring man and the producer will have a friend who will be fearless, active and aggressive in their interests.
