

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 23 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 2, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. It is worth its weight in gold. Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

BORING.

Quite an accident happened two miles north of Boring Saturday morning about 7 o'clock. Two Japanese were clearing some land for Wm. Hillard, and while one was getting breakfast the other one was thawing

powder. He had placed it in the oven of the cook-stove, to thaw which he been doing all winter, but this time it exploded, and killed him instantly, and mangled the foot of the other one so badly that it had to be amputated. Mr. C. M. Lake heard the explosion and was the first on the scene of the accident. The house was a two story one and it was entirely blown to pieces. The wreck took fire and would have cremated the Japs if it had not been for the timely arrival of Mr. Lake. Mr. Lake telephoned to Gresham for Dr. Short, who attended the crippled one, and sent him to a hospital in Portland.

P. W. Haley while hauling posts one day last week, fell from his load striking on his head, severely injuring him about the head and also breaking a finger and dislocating another. Dr. Short attended the injuries.

Quite a crowd of our young people surprised Charles Cassidy Saturday night, March 24, it being his 51th birthday. A genuine good time was had as is generally the case when one is fortunate enough to be a participant at a like affair at their house. The evening was spent in games and dancing, interspersed by music and various other selections on the graphophone. At midnight the crowd was invited to the dining room where a table was fairly groaning under its load of goodies. To say a raid was
