TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

On Account of Small Pox—

The Beaver Creek and Carus schools east of this city have been closed on account of a small pox scare in those neighborhoods. Emerson Spatz and Miss Bertha Spangler are the victims. By closing the schools and establishing a strict quarantine the people expect to prevent a further spread of the disease.

Fay Got One Year—

Pleading guilty in the circuit court Saturday afternoon to a charge of obtaining money under false pretenses, A. Fay, a young man of this city, was sentenced by Judge McBride to one year in the state penitentiary. Fay is the fellow who recently issued several checks on the Oregon City bank, the face value of each of the worthless checks being \$2.50. He succeeded in getting one of the checks cashed. Fay was taken to Salem Monday.

New Hose Cart—

The members of the council ordered the mayor and recorder to enter into a contract with the La France Fire & Engine Company and draw up an ordinance for the purchasing of the sixth size, latest improved village hook and ladder truck. This truck will cost the city \$325, it being one of the most modern up-to-date trucks west of Chicago, having a steel frame and a complete equipment. This truck will be a great improvement to the fire department of this city, as the old truck has been in use for 50 years or more, and was considered dangerous, the ladders having become weak and worn.

Would Elect by People—

Resolutions declaring for the election of the state fish warden and his deputy by the people were adopted at a meeting of Clackamas county fishermen held here last Thursday. The resolutions urged the Clackamas county legislative delegation, that is yet to be nominated and elected, to advocate such an amendment to the present statutes. The fishermen also demand that the law be so changed as to provide a schedule of licenses to be charged for at the rate of so much per fathom. Under the present law a uniform charge is asked for all licenses. A permanent organization of the fishermen was held for the advancement of their interests and the following officers were elected: M. A. Magone, president; Harry Aune, secretary; H. W. Trembath, treasurer. No formal indorsement was made of any of the legislative candidates but it will be the purpose of the organization to support only such candidates as are favorable to the amendments to the fishing laws that are desired in this county.

In the Divorce Court—

Circuit Judge McBride at an adjourned term of the circuit court Saturday granted four divorces as follows: Ada Burrows vs. Jos. Burrows; John Yost vs. Laura Yost; Nina D. Windom vs. Jas. L. Windom; Henry Hornshuh vs. Anetta Hornshuh. Orders of default and reference were entered in the following cases: W. T. Patton vs. Bertha E. Patton; Helen M. Binns vs. Wm. O. Binns.

Will Save Their Money—

Canby is to have a banking institution, articles of incorporation of the Canby Bank & Trust Company having been filed with the County Clerk. The corporation will engage in a general banking and real estate business with a capital stock of \$10,000. The incorporators consist of several of Canby's leading business men as follows: Fred A. Rosenkrans, Elmer H. Carlton, Geo. H. Scramlin, Henry A. Dedman, Oramel R. Mack, Louis H. Wang and Leroy D. Walker.

May Have Suicided—

No trace whatever has been found of John Heinrich, the demented farmer, who disappeared two weeks ago from his farm near Clackamas. Mr. Heinrich was last seen near Logan and near the Clackamas river within a few hours after leaving his home. His complete disappearance since that time leads to the belief that he drowned himself in the Clackamas river. Heinrich imagined he was being pursued by persons who threatened his life and when so afflicted he frequently intimated that he might end his life. He leaves a wife and three children.

The Strike At Ogle Creek—

Henry Russell, of Molalla, foreman of the Ogle Mountain mines, and J. B. and Thos. B. Fairclough, of this city, arrived last Friday night from the promising Clackamas county mines. They confirm the report of the rich strike that was recently made at the mines, a ledge of free-milling ore being encountered that assays from \$1000 to \$3000 per ton, and brought with them more samples of the rich quartz. These men report that the ledge has been worked for a distance of 20 feet, the quartz produced being of uniform quality, equalling that first discovered. The extent of the ledge has not yet been determined but the property is being worked diligently by a large force of men who have the ore bins filled with promising ore that awaits the starting of the stamp mill. This mill will be placed in operation as soon as the five feet of snow, with which the property is covered, has melted.

A FOOLISH PLAN

'Tis a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course." What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills. August Flower gives new life to the liver and insures healthy stools.

Killed in Logging Camp—

S. H. Blackburn, aged 23 years, son of Mrs. Sarah Blackburn, of West Oregon City, was accidentally killed in a logging camp near Scappoose, Friday, being struck and crushed by a log. The remains were brought to this city for burial. The father of the young man was killed in a railroad crossing accident in this city several years ago, being struck by a Southern Pacific train as he was driving across the railroad track. Funeral services were conducted Sunday afternoon and burial took place at Mountain View cemetery.

Clackamas Teachers—

County School Superintendent J. C. Zinser has given out the following list of teachers for the different districts in the county: Mary L. Snidow, district No. 90; Victoria M. Alt, Firwood No. 52; Lella Boyles, Russellville; Clarence Phillips, Willhoit. J. E. Stubbs has resigned at Garfield and

taken a position at Estacada and Iva M. Dale succeeds him at Garfield, Renie Busch, Bull Run; Emma Fleming, Union Mills; Chloe E. Clark, district No. 94; Edith Karr, Meadow Brook; Ruth F. Arndt, Springwater.

Up To Clackamas County—

Last week E. R. Case, a well-known horseman of Oregon City, is said to have been hounded out of \$250 by two men giving the names of Thomas Zoosman and Frank Jennings. Zoosman told Case that Jennings had a scheme for making counterfeit money that could not be distinguished from the genuine, but unfortunately he had "gone broke" and needed \$250 to get the scheme in operation. Case advanced the money, but later grew suspicious. The matter was referred to the United States Grand Jury, now in session, but after investigation it was found that it was a case for the Clackamas County authorities to deal with. There was nothing to show that the men had been engaged in counterfeiting. It was a bunco game, pure and simple.—Thursday's Telegram.

Rural Telephone Company—

At a meeting of the farmers at the Gresham Grange Hall to complete the organization of the Multnomah & Clackamas County Mutual Telephone Company, it was decided to proceed with the organization as soon as possible. The by-laws of the corporation were not completed. President H. W. Snashall and Timothy Brownhill were appointed to perfect the organization of the company. The capital stock was placed at \$5000, divided into 200 shares at \$25 a share. At this meeting it was decided to accept the proposition of the Pacific States Telephone company to purchase its phones for \$7.50 and pay \$1 a year rental for the receiver and transmitter, or pay \$5 a year for rent of 'phones. It was reported that nearly all the telephone poles had been delivered in that section and that the lines would soon be in operation.—Oregonian.

KILLED BY FREIGHT TRAIN.

T. J. Andre, of Estacada, Loses Life on O. W. P. Co. Track.

T. J. Andre, of Estacada, was run over and killed by an Oregon Water Power & Railway freight train near Barton at 11:35 o'clock Monday night. Coroner R. L. Holman, of this city held an inquest, the jury finding that the deceased came to his death accidentally. The railway company was absolved of all responsibility and blame for the accident was attached to no one.

Andre, who was 55 years of age, had been in Portland during the day and departed on the last passenger car for his home, leaving the car at Barton. He failed to board his car which proceeded on to Estacada, and after 11 o'clock started to walk to Estacada. Testimony was offered at the inquest to the effect that just before the freight train reached Barton, en route from Estacada to Portland, Andre was seen to fall across the track immediately in front of the approaching train which the motorman was unable to stop in time to prevent the accident. Andre's body was frightfully mangled, death resulting instantaneously. Coroner Holman and John W. Loder, reporter, conducted an inquest.

Andre was a well-to-do resident and property owner of Estacada. He is survived by a wife and a son and one step-daughter. He was a member of the I. O. O. F. lodge of Fayette, Ohio. Andre's remains were brought to this city for interment Wednesday. Burial services were held under the auspices of the I. O. O. F. lodge, interment being had at Mountain View cemetery.

No Reason Why Any Oregon City Resident Should Suffer Any Longer.

MIDDLE LIFE

A Time When Women Are Susceptible to Many Dread Diseases—Intelligent Women Prepare for it. Two Relate their Experiences.

The "change of life" is the most critical period of a woman's existence, and the anxiety felt by women as it draws near is not without reason. Every woman who neglects the care of her health at this time invites disease and pain.

When her system is in a deranged condition, or she is predisposed to apoplexy, or congestion of any organ, the tendency is at this period likely to become active—and with a host of nervous irritations make life a burden. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness, inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system.

For special advice regarding this important period women are invited to write to Mrs. Pinkham at Lynn, Mass., and it will be furnished absolutely free of charge. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, her assistant before her decease, and for twenty-five years since her advice has been freely given to sick women.

Read what Lydia E. Pinkham's Compound did for Mrs. Hyland and Mrs. Hinkle:

Dear Mrs. Pinkham:— "I had been suffering with displacement of the organs for years and was passing through the change of life. My abdomen was badly swollen; my stomach was sore; I had dizzy spells, sick headaches, and was very nervous. Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

"I wrote you for advice and commenced treatment with Lydia E. Pinkham's Vegetable Compound as you directed, and I am happy to say that all those distressing symptoms left me and I have passed safely through the change of life, a well woman. I am recommending your medicine to all my friends."—Mrs. Annie E. G. Hyland, Chester-town, Md.

Another Woman's Case. "During change of life words cannot express what I suffered. My physician said I had a cancerous condition of the female organs. One day I read some of the testimonials of women who had been cured by Lydia E. Pinkham's Vegetable Compound, and I decided to try it and to write you for advice. Your medicine made me a well woman, and all my bad symptoms soon disappeared.

"I advise every woman at this period of life to take your medicine and write you for advice."—Mrs. Lizzie Hinkle, Salem, Ind. "What Lydia E. Pinkham's Vegetable Compound did for Mrs. Hyland and Mrs. Hinkle it will do for other women at this time of life.

It has conquered pain, restored health, and prolonged life in cases that utterly baffled physicians.

WORK WEAKENS THE KIDNEYS.

Doan's Kidney Pills Have Done Great Service for People Who Work in Oregon City.

Most Oregon City people work every day in some strained, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious housework; lifting, reaching or pulling, or trying in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Oregon City cures prove it.

Theodore Huerth, carpenter, living at Parkplace, about two miles from Oregon City, Oregon, says: "I found Doan's Kidney Pills do just what is claimed for them. For a long time I suffered a good deal with lameness and aching over the kidneys and irregularity of the action of the kidneys. The trouble was not severe enough to lay me up but was very annoying and made it difficult for me to stoop or lift anything without my back aching. I was induced to try Doan's Kidney Pills from the recommendation of a friend, and went to Huntley Bros. drug store for them. Their use absolutely removed the trouble with the kidneys, strengthened my back and in every way proved your remedy to be worthy of all confidence.

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
