Would Be Costly Investment-

There is one question pending be fore the voters of the state that will receive a practically unanimous negative vote in this county, in which the promoters of the scheme did not circulate a single petition asking for the submission of the question. That is the plan to have the state purchase the Mount Hood and Barlow Road, for \$24,000. For the state to purchase this road means that the people of Clackamas and Wasco counties will have saddled upon them about 30 miles of mountain roads that will be exceedingly expensive and difficult to

Thousands of American women, how ever, have found relief from all monthly suffering by taking Lydia E. Pinkham's Vegetable Compound, as it is the most thorough female regulator known to medical science. It cures the condition which causes so much discomfort and robs these periods of their terrors.

Miss Irene Crosby, of 313 Charlton Street, East Savannah, Ga., writes:

"Lydia E. Pinkham'sVegetable Compound is a true friend to woman. It has been of great benefit to me, curing me of irregular and painful periods when everything else had failed, and I gladly recommend it to other suffering women."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacement of organs, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take prostration or the blues, should take immediate action to ward off the seri-ous consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Com-pound, and then write to Mrs. Pink-ham, Lynn, Mass., for further free ad-vice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising women free of has been advising women free of charge. Thousands have been cured by so doing.
