

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by seven doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

AN IDEAL CIRCUS PROGRAMME.

NORRIS & ROWE WILL PROVIDE Many New Features and Novelties This Season. Famous bare-Back Riders.

Norris & Rowe term their show this season "The First Prize Ideals" and from the programme submitted it would seem that the term is not exaggerated. The bare-back riders include such American and European celebrities as Edna Mareta, lady somersault bare-back rider; Frank and Dolly Miller with their superb four-horse carrying act; Ed. Hocum, principal riders; Janet Melville and her high school horses; Eyle Stetson, one of the very few women who can turn a complete comersault on the bare back of a horse while he is running swiftly around the ring. Edith Maskeyin and Mark Hayden are riders from the Paris hippodrome. They are considered the champion trick riders of the world; Herbert Rumley is a dare-devil rough rider, his sensational dashes around the ring creates a sensation among the more timid spectators; Wm. and Edith Stack, perform a two horse carrying act, always one of the most graceful and pleasing numbers. Mr. Stack rides two horses at once, at the same time carrying his sister in his arms; in the meantime Miss Stack is assuming all sorts of picturesque poses while the horses dash steadily around the arena; Austin King is the famous rocky and hurricane huckle rider; Little Geo. Settler has the best chance to show off for he has four pure white educated Shetland ponies and these he rides and drives in a startlingly original manner. The number is a pretty one and appeals especially to the little ones.

Norris & Rowe will exhibit their all new big shows here Wednesday, May 9th.
