Saturday, May 5, 1906

It is Cash we Want and Cash We Must Have. The most Phenomenal and Ruthless Price Cutting Carnival ever held in this section of Oregon begins Saturday, May 5th. At 9 o'clock Saturday Morning our doors will be opened on an avalanche of Bargains.

This is a money saving opportunity that will bring every man, woman and child to this store and it ought to, for no such marvelous bargains were ever before offered in this commonwealth. Next Saturday morning when our doors open upon this Carnival, you will see the biggest crowd in Oregon City that has been here for many a day. It will look like some gala occasion; like the Fourth of July, or the welcoming of President Roosevelt, and every eye will be turned toward this store. Every heart throb will be caused by the anticipation of the wonderful, magnificent and unparalleled bargains that we will most surely hand out to the people of this community. It is

MONEY MONEY MONEY That we Want. It is
MONEY MONEY MONEY That we Must Have

CLOTHING

The cheap, shoddy, clothing cuts no ice now, as people can buy clothing here that is new and up-to-date at about the price the other fellow would charge you for what he has been carrying for the past two to 25 years. We have thousands of dollars worth of it, and it is going out to the people at the most ruinous prices ever placed upon fine goods in this city. If you want a single item in the clothing line, remember you must be here at this big sale to get it, as such an opportunity was never offered you before in your life. The same thing applies to every item in this big store. You get just what you want at a saving at from 50 to 75 per cent.

While visiting this **GREATEST OF ALL MERCHANDISE CARNIVALS** don't fail to overlook the wonderful bargains we are offering in Ladies' Coats, Shirtwaists, Skirts and wrappers. These goods are cheaper than you will ever be able to buy them again. When you come, look for them with the red ticket and marked in plain figures.

SHOES

We are piling out shoes; we are putting them in bins on the counter and convenient places for you to look them over, where you can examine every pair. You will see the stamp here on them, made by honest hands; and we believe we are telling the truth when we say that you can come very near fitting the whole family out in shoes for what you pay for one pair elsewhere. It is the most golden opportunity that has ever visited all Oregon City since the first time that she came on earth.

OVERALLS 39 cents **IT IS UP TO YOU** **BABY SHOES 19 cents**

We bid you one and all a hearty welcome
