Among those doing good service in assisting the afflicted at San Francisco, is Joe Meldrum, son of Mr. and Mrs. Henry Meldrum, of this city. A dispatch from the stricken city says: "At this hospital (the Oregon Hospital), working like a hero, is Joe Meldrum, of Oregon City. He is a son of Henry Meldrum and his parents were anxious for his safety for several days. Captain Dr. Carl, also of Oregon City, is high in his praises which he has rendered." For some time previous to the earthquake and destruction of San Francisco, Joe Meldrum was engaged in the restaurant business in that city. Last Saturday night Mr. and Mrs. J. W. Moffat entertained about thirty at cards. After the guests had assembled at the hospitable Moffat home they were apprised of the fact that the date marked the wooden anniversary of the host and hostess. Hearts were played, the prizes being captured by Miss Mamie Lewthwaite and Mr. Sam Stowe. Refreshments were served and an informal program of music tended to most delightfully conclude a pleasant evening. The announcement of an advance in the market quotation for hops has served as a stimulus in encouraging the further cultivation of this crop by Clackamas county growers who are now busily engaged training their vines. The telephone lines here have been kept hot with all kinds of reports about the murderer that did such bad work at Woodburn last week. Sowing grain is about done here. A large acreage of oats has been put in. The hay crop of this vicinity promises to be the largest in years. Several hundred acres was sown last fall in cheat for hay. Now that the primaries are over, let us see what is the result. Oregon City wins out against the country and the floating vote and those who pay no taxes have nominated the Bell Wether for Senator, but we think that the honest voter and property owners will not stand for his election in June and it is to be hoped that he will get set down on in such a way that we will be rid of this class of politicians. J. D. Ritter will build him a hop house in the near future. We learn that a Mr. Cooper has purchased the Ben Homesly farm on Mark's Prairie. The Oglesby Bros orchestra will play for the dance at New Era next Friday evening, May the 5th. N. F. NELSON. Independent (Hayseed) Candidate For State Senator. My platform is "DO RIGHT." "In other words, we should be as honest and economical in politics as in private life. DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. H. CHENEY & CO., Toledo, O.
