TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

The Germans Entertain—

Last Saturday evening the German Singing Society gave an entertainment and dance at Knapp's Hall. The choir of 22 voices sang several selections that were interspersed with the dance numbers of the programme that continued until a late hour. The Germans are capital entertainers and the Oregon City contingent on this occasion completely sustained the role of hosts.

Used Insulting Language—

In a divorce suit filed, F. W. Schilling is charged with using insolent language, being possessed of a violent and uncontrollable temper and threatening to kill. The complaint is preferred by the wife, Vernia Schilling, who asks for a divorce and the custody of a minor child. The parties were married at Lostine, Oregon, in 1900. Judge McBride has granted W. H. Hayden a divorce from A. B. Hayden.

Died at Astoria—

Mrs. Clara May, aged 23 years, wife of Elvin May and daughter of Mr. and Mrs. A. J. Kellogg, of this city, died last Thursday at Astoria. Besides her parents and husband, deceased leaves a young son. The remains were brought to this city Friday for burial. Funeral services, under the auspices of the Women of Woodcraft, were held at Canemah, Rev. E. S. Bollinger, officiating. Interment followed at the Canemah cemetery.

Sent to Asylum—

Herbert Little, aged 24 years, of London Junction, Ontario, Canada, was committed to the asylum last Friday. Little is the man who created considerable excitement among the people of Oswego Wednesday morning by reason of his strange actions and was mistaken for Smith, the fugitive murderer of Policeman Hanlon. Being called to Oswego the late Sheriff Shaver placed Little under arrest and the man's commitment followed an examination. Little's demented condition is claimed to be due to spiritualism and telepathy.

In the Divorce Court—

Judge McBride granted two divorces Saturday as follows: Dora M. McKinstry vs. Richard McKinstry; Della Arnold Saum, vs. George Saum, Sr. An order of default was entered in the divorce suit of Sallie Atkins vs. R. W. Atkins. The original complaint in the suit for divorce of Sophia U. Holzman against Fred G. Holzman was dismissed and plaintiff filed another complaint in which she asks to be legally separated and granted the privilege of resuming her maiden name, Sophia Philippin.

Woman's Club Assists—

At the suggestion of the Oregon City Woman's Club, Mayor Caulfield has appointed an auxiliary committee to act in conjunction with the general committee that was named at the citizens' mass meeting to provide means of relief for the California sufferers. The members of the committee are: Miss Mollie Holmes, Mrs. R. C. Ganong, Mrs. W. P. Hawley, Mrs. C. O. T. Williams, Mrs. L. E. Jones, Mrs. D. M. Shanks, Mrs. T. E. Gault, Miss Anieta McCarver, Mrs. David Caulfield, Mrs. J. W. Moffatt, Mrs. Frank Forsberg and Mrs. Jessie Hamilton. The special mission of this additional committee is the gathering of clothing for the earthquake sufferers. This committee will act under the direction of the executive committee of the Woman's Club, consisting of Mrs. T. A. Pope, Mrs. J. W. Norris and Mrs. Wm. Gardner. Much good work was accomplished by this committee during the week in gathering clothing for the California sufferers.

A HOME CASE.

Many More Like This in Oregon City.

The following case is but one of many similar occurring daily in Oregon City. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such conclusive evidence.

John Vigelius, barber, at 413 Main Street, and living at the corner of Fourth and Washington streets, Oregon City, Oregon, says: "Standing in a stooped position for hours at a time, as is necessary in my business, began to affect my kidneys, and often my back would almost give out on account of the weakness and persistent dull aching. A friend recommended Doan's Kidney Pills so I went to Huntley Bros.' drug store and procured a supply. I found out in a short time that they were doing me good. They relieved the aching pains and strengthened my kidneys and back wonderfully. That was some time ago and the continued relief has been lasting. A little over a month ago we began giving Doan's Kidney Pills to our child who has a tendency to weak kidneys, and the results have been gratifying in every way. Doan's Kidney Pills are a remedy deserving of the highest praise."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, made by Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden death. It is beating heart failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in. This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way. Two sizes, 25c and 75c. All druggists.

Charman & Co., City Drug Store

O. R. & N., THE TIME SAVER.

Chicago 17 Hours Nearer via This Popular Columbia River Route.

Franklin was right when he said "Lost time is never found again."

For particulars ask any agent of the Northern Pacific Company, or write A. L. CRAIG, General Passenger Agent, Portland, Ore.

Doan's Regulates cure constipation without griping, nausea, nor weakening effect. Ask your druggist for them. 25 cents per box.

PRIZES FOR ESSAYS.

Committee Would Stimulate Interest in "Made in Oregon."

To the Teachers and Pupils of the Schools of Oregon:

For the purpose of extending the educational scope of the "Made in Oregon" exposition of the manufacturers of the state to take place in Portland, the week of May 19 to 26, and, to impress upon the minds of the younger generation the practical benefits to be derived from patronage and encouragement of home industries and further, to stimulate widespread interest in the resources of each county of this state, the executive committee offers to the school children of all grades of the State of Oregon thirty-four prizes for the best essays upon the subjects indicated to be submitted on or before May 22, 1906.

Teachers are requested to make detailed announcement of this contest immediately upon receipt of this and endeavor to have each and every school in the state represented in this competition.

First Prize—Ten Dollars in Gold.

Ten dollars will be paid for the best essay from a boy or girl attending any school in the state, under the title "Benefits Derived From Patronizing Home Industries." Essay not to exceed six hundred words. Should dwell upon what is made in Oregon; who derives the benefits from home industries, also, how and why; and the advantages to a community from manufactures. Essays must be original.

Second Prize—Five Dollars Cash.

Five dollars will be paid for the best essay from a boy or girl attending any school in the state for the best essay under the title: "Commodities of Oregon." Should enumerate the variety of commodities that can be made from any one thing now being produced in Oregon and utilized in manufacturing processes; should relate any authoritatively-known process of manufacture in any locality of Oregon; tell briefly what commodities are most profitable and best known, and why, and also why this is a good country in which to start the manufacturing of new products or commodities. Limit, five hundred words.

Third and Fourth Prizes—\$2.50

Fifth to Tenth Prizes, Inclusive—A Handsome Silver Watch.

Tenth to Fiftieth Prizes—One Dollar Each, Cash.

The list of prizes will be distributed in the order indicated for the best essay from each county entitled: "Manufacturing Facilities of our County." The two essays in this class which are adjudged best from every standpoint will be awarded \$2.50 cash. For the five next best essays setting forth the manufacturing, agricultural or other industries of that county there will be presented a good silver watch, with the prize-winner's name engraved thereon. The thirty-one next best essays from different counties will be awarded each one dollar cash.

This distribution is made for the purpose of inducing every county in the state to enter into a friendly rivalry for the honors. School teachers and parents alike should take a keen interest in this contest. Essays should mention the facilities for manufacturing which the county possesses. Manufacturing need not necessarily be going on at the present, but prospects may be enumerated, explaining reasons for expectations of later growth. Should mention if there is water power in the county; where located; whether it is sufficient to use in manufacturing; probable amount of horsepower (if known); whether easily accessible from town or railroad and any and all other features pertaining that would be likely to interest a manufacturer desiring to find a location. Describe what is produced in the county of practical use; what the products can be made into, etc. It may be an agricultural product, or of the range, the forest, the stream, mine, or sea, but it must be within your own county. Give the most important products; the quantity, the chances for increase; what opportunities there may be for producing other articles and the most practical use to which the products can be put to be of the greatest benefit to the State of Oregon.

These subjects invite school children to display what general knowledge they possess concerning their own section that is of practical value.

The prize-winning essays will be published, together with the names—and the pictures, if sent to the secretary's office—of the successful contestants.

There will be an absolutely impartial judgment of the merits of each essay submitted to the committee and, while the time is short, it is hoped to have a hearty response. The committee's work will be expedited and the awards made more promptly.

If these Rules are Followed: Write on but one side of the paper. Write on your essay, very plainly, the name of the county.

Contestant should write his name or her name on a slip of paper enclosing in blank, sealed envelope attached to the essay. Don't write your name on the essay paper. This insures impartiality in judging the article.

Address all articles to D. C. Freeman, secretary "Made in Oregon" Committee, 215 Oregonian building, Portland, and mark in lower left-hand corner, "Essay contest."

By order of the EXECUTIVE COMMITTEE.

Itching, bleeding, protruding or blind piles yield to Doan's Ointment. Chronic cases soon relieved, finally cured. Druggists all sell it.

For any pain, from top to toe, from any cause, apply Dr. Thomas Electric Oil. Pain can't stay where it is used.

WORKING WOMEN

Their Hard Struggle Made Easier—Interesting Statements by a Young Lady in Boston and One in Nashville, Tenn.

All women work; some in their homes, some in church, and some in the whirl of society. And in stores, mills and shops tens of thousands are on the never-ceasing treadmill, earning their daily bread.

All are subject to the same physical laws; all suffer alike from the same physical disturbance, and the nature of their duties, in many cases, quickly drifts them into the horrors of all kinds of female complaints, tumors, ulceration, falling and displacements or perhaps irregularity or suppression, causing backache, nervousness, irritability and lassitude.

They especially require an invigorating, sustaining medicine which will strengthen the female organism and enable them to bear easily the fatigues of the day, to sleep well at night, and to rise refreshed and cheerful.

How distressing to see a woman struggling to earn a livelihood or perform her household duties when her back and head are aching, she is so tired she can hardly drag about or stand up, and every movement causes pain, the origin of which is due to some derangement of the female organism.

Miss F. Orser, of 14 Warrenton Street, Boston, tells women how to avoid such suffering; she writes:

Dear Mrs. Pinkham:— "I suffered misery for several years with female irregularities. My back ached; I had bearing-down pains, and frequent headaches; Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

I could not sleep and could hardly drag around. I consulted two physicians without relief, and as a last resort, I tried Lydia E. Pinkham's Vegetable Compound, and to my surprise, every ache and pain left me. I gained ten pounds and am in perfect health."

Miss Pearl Ackers, of 327 North Sumner Street, Nashville, Tenn., writes:

Dear Mrs. Pinkham:— "I suffered with painful periods, severe backache, bearing-down pains, pains across the abdomen; was very nervous and irritable, and my trouble grew worse every month. My physician failed to help me and I decided to try Lydia E. Pinkham's Vegetable Compound. I soon found it was doing me good. All my pains and aches disappeared, and I no longer fear my monthly periods."

Lydia E. Pinkham's Vegetable Compound is the unfailing cure for all these troubles. It strengthens the proper muscles, and displacement with all its horrors will no more crush you.

Backache, dizziness, fainting, bearing-down pains, disordered stomach, moodiness, dislike of friends and society—all symptoms of the one cause—will be quickly dispelled, and it will make you strong and well.

You can tell the story of your sufferings to a woman, and receive helpful advice free of cost. Address Mrs. Pinkham, Lynn, Mass. The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham and for twenty-five years she has, under her direction and since her decease, been advising sick women free of charge.

LIGHTS OF THE CIRCUS WORLD.

Norris & Rowe Engage Famous European Performers.

Norris & Rowe made a promise last season that if they had a successful tour, they would give us an all new show and engage the highest salaried artists obtainable. Well, they seem to have kept their promise if famous names count for anything. The brightest lights of the circus arena are under engagement to them as witness the following: The three Merkle Sisters on the flying trapeze; Frank and Dolly Miller in a beautiful four-horse carrying act; the Mareta troupe of horsewomen and aerialists; Ed. Hocum, the clever principal rider; the 10 Sugimoto Japanese troupe of men & women aerial acrobats, the first and only troupe of Japanese to do an aerial number; the six flying Sterlings; daring mid-air performers; Four Casting Leslys; in a sensational mid-air act; Hugh Currys, Abbot Banks and Miss Edith Howland in one of the prettiest numbers ever seen under a circus canopy, that of a giant revolving ladder, lighted and operated by electricity; the Misses Colgrove, Pringle, Keaton and LaLonde, four graceful young women on the aerial bars; the seven wonderful St. Angmon family of acrobats, the act over which England raved when it was first presented at the London Hippodrome; the five Sisters Rexos, daring gymnasts; four Juggling Devinos; the Aerial Magnani troupe whose double trapeze act made it the most sought for act among all circus owners. It took a lot of patient hard work to secure these artists for European acts can accept at home without traveling clear across the Continent, however Norris & Rowe were assured they were to have a highly profitable tour last season, they quietly dispatched Chas. Casse, one of their New York agents to Europe and gave him carte-blanc as to expense. That Mr. Casse succeeded is shown by the superb program which will be shown here when the Norris & Rowe Circus will exhibit at Oregon City Wednesday, May 9th.

WEATHER IN MAY.

U. S. Department of Agriculture Issues Some Statistics.

The following data, covering a period of 34 years, have been compiled from the Weather Bureau records at Portland, Oregon. They are issued to show the conditions that have prevailed, during the month in question, for the above period of years, but must not be construed as a forecast of the weather conditions for the coming month.

Month, May, for 34 years. TEMPERATURE. Mean or normal temperature, 57 degrees.

The warmest month was that of 1888, with an average of 62 degrees. The coldest month was that of 1899 with an average of 51 degrees.

The highest temperature was 99 degrees on the 29th, in 1887. The lowest temperature was 32 degrees on the 9th, in 1884.

The earliest date on which first killing frost occurred in autumn, October 13.

Average date on which first killing frost occurred in autumn, November 15th.

Average date on which last killing frost occurred in spring, March 17.

The latest date on which last killing frost occurred in spring, May 9.

PRECIPITATION.

Average for the month 2.39 inches. Average number of days with .01 of an inch or more, 13.

The greatest monthly precipitation was 8.60 inches in 1879.

The least monthly precipitation was 0.59 inches in 1904.

The greatest amount of precipitation recorded in any 24 consecutive hours was 1.60 inches on the 19th and 20th in 1879.

The greatest amount of snowfall recorded in any 24 consecutive hours (record extending to winter of 1884-85 only) was 0 inches.

RELATIVE HUMIDITY.

Average number of hours with relative humidity 5 a. m., 85; average 5 p. m., 53.

CLOUDS AND WEATHER.

Average number of clear days, 7. Partly cloudy days, 11. Cloudy days, 13.

WIND.

The prevailing winds have been from the Northwest.

The average hourly velocity of the wind is 6 miles.

The highest velocity of the wind was 42 miles from the southwest on the 25th, 1894, and from the south on the 23, 1900.

Date of issue, April 23, 1906.

Tastes Differ

in watches as in everything else. Some people prefer a Waltham to an Elgin. Some people prefer an Elgin to a Waltham. Others prefer a Hamilton to either, and so it goes.

There is only one thing to do in a case like that—carry a very complete assortment of the various makes in all standard sizes—and that we do.

Consequently we can submit for your consideration a greater variety of dependable timekeepers than all other dealers combined in Clackamas County.

You have always known the **SPLENDID QUALITIES** of our Watches.

We are now showing all the new designs in **Gold Filled** Watches and we want you to investigate our line.

Eye Strain

Causes both Eyeache and Headache. Drugs relieve only temporarily. Properly adjusted glasses remove the cause and effect a permanent cure.

Our Optician will make a complete examination of the Eye, tell you just where the trouble is and then you may get glasses or not, just as you wish.

Examination Free.
