We Are the People Behind the Gun

We are directing each shot and they are shooting into the enemies' camp at a fearful rate. It is coming to all the people's gain and not the very few. The farmer and the working man have heard of it and they are sending word to their friends and neighbors for miles around. You have been paying 50 and 100 per cent profit to these mansion dwellers, but the Eastern Mercantile Company has come to your relief. While others it is their loss the people get the benefit.

Havoc

The Savings are something magnificent, and if we were to tell you the whole truth in detail, in this advertisement, it would sound like a fairy tale, too good to believe, so we leave it to you to come to the store to see for yourself to feel with your fingers and to look with your own eyes and then they will know that no other store in Oregon City has ever before attempted such a colossal price slaughtering Carnival.

Men's Suit Prices That Will Wake Men Up

You may be a man with a great deal of ability but nine out of ten men judge you by your dress. This Carnival has put a new suit of clothes within the grasp of every man in this locality, no matter how humble his station or small his income. If you have a poor job, dress up now and get a better one. If you have a good job and plenty of clothes buy a new suit now and save half of what you would pay for another one. Just drop in and take a look anyway. If you don't want to buy after you see the way prices are marked down, we won't sandbag you. It is a matter of money with us. Get in now with the other boys, the water is fine.

Get Busy, Act Now! Now! Now!

The distinct understanding with all the people is before you in great big plain letters "Follow the Crowd and Come to our Store."

Thanking you one and all for your attendance to the sale in the last few days and trusting you will be here each and every day during the sale, we are faithfully yours.
