Under the sidehead "Well Known Here," The Oregon Mist, of St. Helens, has the following notice of the late Sheriff John R. Shaver: "Mr. John R. Shaver, sheriff of Clackamas county, who died at the hospital in Salem, on Saturday last, from the effects of a wound inflicted by a desperado named Smith, whom he was trying to arrest, was well known in Columbia county, being a brother of the steamboat men of that name. The esteem in which he was held is shown by the fact that his body was placed in the court house in Oregon City and all the stores were closed in order that the people might do him honor. He was a brave and faithful officer and it seems horrible that such a wild beast as Smith should be able to take his valuable life."

This wonderful process was made by Mr. Vaughn after sixteen years' study during which he made an even more remarkable discovery in producing a compound that entirely destroys gold, silver and steel without leaving the slightest trace of the metal.

Sheriff W. J. Culver and County Judge J. H. Scott were in Oregon City yesterday where they met with the authorities of Clackamas county and

a committee of the Oregon City council and arranged for the distribution of the \$1500 reward offered for the capture of Frank Smith, the outlaw. Of the reward, the Oregon City authorities offered the sum of \$250; Clackamas county, \$250; Marion county \$750, and Sheriff Culver, personally \$250. By the apportionment Sheriff Culver was allowed \$50 which will bring his donation toward the reward down to \$200. Mr. Culver stated last evening that he had never in his life parted with money so willingly as he did with his share of the Smith reward, since the money was paid to run down a desperado who had foully murdered three brave and respected citizens. During the meeting of the authorities at Oregon City the subject of bloodhounds was thoroughly discussed and it was the unanimous opinion that the coming legislature should take steps to secure and provide for the keeping of several dogs at the Oregon penitentiary.—Thursday's Salem Statesman.

It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, For Oregon City kidney sufferers, Have made their local reputation.

Proof lies in the testimony of Oregon City people who have been cured to stay cured.

William McLarty, tailor, in the Court House Block, living at 16th and Washington Sts., Oregon City, Oregon, says: "I had persistent backache and pain through the loins that seemed to never let up, and the worst part of it was the annoyance I was caused at night, for I could not find a comfortable position or get any restful sleep on account of the continual aching. The result was I lost energy. I learned of Doan's Kidney Pills curing others of similar trouble and I procured a box at Huntley Bros' drug store. By the time I had used half of one box there was so much improvement that it seemed almost unnecessary to take any more, but I finished the box to make sure of the beneficial results. I could then sleep the entire night, arise rested in the morning, and not a trace of the aching remained."

TO CLACKAMAS COUNTY VOTERS.

In the intelligence of the people is the security of the nation. In all matters of importance let reason rule. In the forth-coming election momentous issues are to be decided and these hang on your decision. My appeal is to you—in your behalf. It matters little whether you select me to represent you in the State Senate or John Doe, but by all that is good, noble and grand, cast your votes for a man, who, like Caesar's wife, is not only pure, but above suspicion. Give voice and action to the promptings of a good conscience. Do not stifle this silent monitor. Do Right. On the 4th day of June assert your rights by purging Clackamas County of a debased politician, and supporting a man for the Legislature who has never taken a bribe nor secured any one to swear a positive falsehood.

I entered this race for the public good. It is a pleasure to serve you and to assist in eliminating the individual who has blurred the fair name of our County and State.

Respectfully,
N. F. NELSON.
