As a candidate for the office of County Treasurer I have just a word to say to the people of Clackamas

The Grand Jury last fall, investigatng this office, found it in such a confused condition that the investigation was abandoned. As far as it went, however, one fund was found to be at least \$600 short. The jury was unable to determine under whose administration of the office the shortage occurred.

This condition in the office does not imply dishonesty of any official. Mistakes and inaccuracies in handling the county funds may have occasioned the loss. There may be other shortages Postmaster T. 4999 MAY VOTE THREE FACTS

For Sick Women To Consider

First.-That almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements of the female organs, pain in the side, burning sensation in the stomach, bearing-down pains, nervousness, disziness and sleeplessness.

SECOND.-The medicine that holds the record for the largest number of absolute cures of female ills is Lydia E. Pinkham's Vegetable Compound. It regulates, strengthens and cures diseases of the female organism as nothing else can.

For thirty years it has been helping women to be strong, curing backache, nervousness, kidney troubles, inflam-mation of the female organs, weakness and displacements, regulating the periods perfectly and overcoming their pains. It has also proved itself invaluable in preparing women for childbirth and the change of life.

THIRD.—The great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

Mrs. Pinkham's Standing Invitation to Women .- Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pink-ham, at Lynn, Mass. All letters are received, opened, read and answered by women only. From symptoms given, your trouble may be located and the quickest and surest way of recovery advised. Mrs. Pinkham is daughter-in-law of Lydia E. Pinkham and for twenty-five years under her direction and since her decease she has been advising sick women free of charge. Out of the vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Surely, any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance

VOTES COST 70 CENTS EACH.

Expense to Taxpayers of Recent Primary Election.

County Clerk Greenman has ascertained the cost to Clackamas county taxpayers of holding the recent primary election. The total cost as far as claims have been audited and allowed, aggregated about \$2200 or about 70 cents for each vote that was cast.

This total will be slightly increased, however, by claims that are yet to be filed. There were cast in the election a total of 3131 votes, of which but 475 were Democrats.

The total registration in the county prior to the primary election, was
