TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Unhappy Oregon City Couple—

Mary E. Lewis, of this city, has instituted divorce proceedings against Jay H. Lewis, who is accused of habitual drunkenness, cruel and inhuman treatment and threatening to end plaintiff's life. The parties were married in this city in December, 1899.

Was Armed With An Axe—

Adam Foshag, a farmer residing at Sunnyside, was arrested Monday on a charge of attempting to kill. His preliminary examination was set for Friday June 8, and for his appearance at that time, he furnished bonds in the sum of \$100. Chas. Betz is the complaining witness and alleges that Foshag assaulted him with an ax.

Reception to Miss Gordon—

About forty of the young women of Oregon City participated in the reception that was tendered Miss Gordon, of New Orleans, at the home of Mrs. S. A. Chase Saturday afternoon, under the auspices of the several young women's clubs of the city. In receiving, Mrs. S. A. Chase was assisted by Mrs. G. L. Hedges, Mrs. L. Adams, and Misses Bess Kelly, Laura Pope and C. Barclay Pratt.

Fox Caught in Steel Trap—

W. H. Jones, of Greenwood, on Sunday caught in a steel trap the second gray fox this year. Mr. Jones had made several attempts to kill the fox which had invaded his poultry yard and carried off more than forty chickens but without success until he set the trap. The fox measured 3 feet nine inches. For once at least, Bill was a little too foxy for the animal of abnormal appetite for chicken.

Former Resident of Oregon City—

Mr. and Mrs. R. D. Wilson, of this city, are in receipt of a letter from Miss Dorothy Davies, announcing the death of her father, Oliver Davies, aged 54 years, at Blackinton, Massachusetts on the 13th inst. after a week's illness of heart disease. The deceased was formerly carder at the woolen mill in this city, going to Massachusetts with his family about three years ago. Besides a widow, the deceased is survived by three daughters, Grace, Mabel and Dorothy.

Now For the Glorious Fourth—

Secretary Harvey E. Cross, of the Willamette Valley Chautauqua Association, and Mrs. Imogen Harding Brodie, who is in charge of the musical part of the programme, are completing the details of the special Fourth of July celebration that is to be held at Gladstone Park this year under the auspices of the Chautauqua people. Mrs. Hallie Parrish-Hilges, of Salem, has been invited to be the soloist for

the day. Secretary Cross is ready to negotiate with two good baseball teams for a match game as an attraction for the afternoon.

Money for School Libraries—

Superintendent Zinser announces that in July there will be made an apportionment of \$800.61 from the school library fund to the various districts of the county according to the enumeration of school children. Immediately following the making of this apportionment, the members of the board of directors for each district, are required to make a selection from the list of books of the State Library Commission to the amount of the district's share of the apportionment and forward the list to the Superintendent who will procure the books that are selected, from the Library Commission.

Traveling Library Established—

A traveling library, consisting of 51 volumes, has been received at the office of County Superintendent Zinser, from the state library commission. Any person residing either in the city or in the country is entitled to the use of these books which have been added to the teacher's library at the Superintendent's office. In order for children to obtain these books, they must bring cards signed by responsible parties. Saturday has been named as "library day" and on this day each week books may be exchanged. The 51 volumes are the works of standard authors and include many of the late books.

In the Divorce Court—

Idella K. White, of Mount Pleasant, today filed suit for divorce from Chas. White, to whom she was married at Oregon City a few years ago. In the complaint the plaintiff alleges that White was cruel and inhuman in his treatment towards her, on numerous occasions threatening to kill her, having at one time converted her clothing into rags by means of a knife with which he was armed. In addition to a divorce, plaintiff asks for an allowance of \$100 as her costs in conducting the suit, the recovery of her personal property and for \$25 a month as temporary alimony. Mary F. Hawthorth of Portland, is suing Allen Hawthorth for a divorce on the grounds of desertion. They were married in Benton county, Arkansas, and the defendant is now a resident of Klickitat county, Washington.

Commencement at Milwaukie—

The annual commencement exercises of the Milwaukie public schools will be held Saturday evening, June 9, when a class of 14 young people will be graduated. Superintendent Zinser

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong—
Full of vigor and frolic the whole day long—
So when Mamma needs more they rush off in high glee,
And shout to the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.
It's a reliable old remedy for all stomach troubles; never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind. Two sizes, 25c and 75c. All druggists.

reports that this is the banner class of graduates during his term as county superintendent, considering the number of members in the class which was taught by Miss Rneeg. The Superintendent reports that each member of this class passed the final examination with grades above the average, not a single member becoming a graduate conditionally. The graduates are: Wesley R. Gracie, Jas. C. Viethor, Bessie M. Lewis, Eva M. Duffy, Edna L. Atwood, Alfred H. Jahn, Julia Murphy, Elizabeth Streib, Bertie Lakin, Aaron Berkemeler, Daniel Berkemeler, Ernest J. Oliver, Wm. Klunkman, and Elma C. Wetzler.

Died at Oswego—

Pernella, wife of J. W. Thomas, of Oswego, died at the family home at Oswego at 1 o'clock Tuesday morning. Mrs. Thomas was aged 57 years and died of paralysis from which she was a sufferer for about two months. The deceased was a native of Henry county, Illinois, coming with her parents to Oregon in 1854 and locating at The Dalles, where in 1898, her father, the late G. R. Beers, died. In 1892 with her husband and family, Mrs. Thomas removed to Oswego where she resided until her death. She is survived by a husband and three children, G. E. Thomas and Roy W. Thomas, both of

Oswego, and Mrs. E. P. Clay, of Forsyth, Montana. Funeral services were conducted at the late home at 2 o'clock Wednesday afternoon.

Mr. Butcher's Side—

The Enterprise recently published an item relating to Wm. Butcher, of Carus, in which it was represented that he is a man of means, although receiving aid from the county as a pauper. In the item it was stated that Butcher took a sack of apples to a neighbor's home and the sack being emptied, several small salt sacks, each containing money, were found. Mr. Butcher claims that an injustice has been done him in the publication of the story, which was obtained from a supposedly reliable source, and the Enterprise in a spirit of fairness, cheerfully prints Mr. Butcher's statement which follows: "I have taken apples to Mr. May's residence several times in the past, but as concerning any money that I might have left there or forgotten. No matter how much Mr. Henry May has found in a package or a sack, I most truly state that I have never received not one cent back from him up to this date."

Portland Y. M. C. A. Relay Race—

Mayor E. G. Caufield acted as official starter in the relay race that was conducted Saturday under the auspices of the Portland Y. M. C. A. Saturday between Oregon City and the metropolis. Promptly at 12 o'clock the six young men, representing as many teams in the contest, started from the Bank of Oregon City. Each contestant carried a copy of a message from Mayor Caufield, of this city to Mayor Lane, of Portland, and which read as follows: "On behalf of the people of the city by the Falls, I extend their greetings and best wishes, also congratulations on the success of the 'Made in Oregon' fair. We join with your people in the feeling of pride in the progress, development and growth of Portland indicated thereby. In a kindly spirit we would remind you that our city furnishes much of the power and all the light that in a great measure contributes to Portland's progress. Trusting that your city may continue to prosper and grow until it becomes the commercial metropolis of the Pacific Coast, I remain, yours very respectfully, E. G. Caufield, Mayor."

NATURE'S WARNING.

Oregon City People Must Recognize and Heed It.

Kidney ills come quietly-mysteriously. But nature always warns you through the urine. Notice the kidney secretions. See if the color is unhealthy. If there are settlements and sediment. Passages too frequent, scanty, painful. It's time then to use Doan's Kidney Pills. To ward off Bright's Disease, or Diabetes. Doan's have done great work in Oregon City. E. W. Midlem, machinist, at the Crown-Columbia Paper Co., and living at 410 Main St., Oregon City, Or., says: "Kidney and bladder trouble became very serious with me about six months ago, and the remedies I used did me no good as the trouble only became aggravated. I consulted a physician and although I faithfully followed the treatment, instead of getting any results I got worse, if anything. The kidney secretions were accompanied by pain and a burning sensation during passage, and their too frequent action was annoying and embarrassing. I got Doan's Kidney Pills at Huntley Bros' drug store and it was astonishing the effective way in which they acted on the kidneys. In a short time all symptoms of the trouble had disappeared, and the secretions were restored to a natural condition and the pain did not bother me. I can do nothing else than give all the credit for this to Doan's Kidney Pills." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

HONOR THE NATION'S DEAD.

Appropriate Memorial Day Exercises Held at Oregon City.

Memorial Day, with its sweet and beautiful services, has again come and gone. In its observance, which increases in meaning and impressiveness with each succeeding year, as the ranks of the old veterans become more decimated, Oregon City people again this year did fitting honor to the memory of those who so nobly served their country and preserved the Union. The annual Memorial sermon was this year preached by Rev. P. K. Hammond, of St. Paul's Episcopal church, when last Sunday morning the members of Meade Post G. A. R. and the Women of the Relief Corps, attended services at that church last Sunday morning. The address by the Rev. Mr. Hammond on "Memories" was one of the most eloquent and impressive ever delivered on a like occasion. Wednesday the usual exercises were carried out. At 9:45 a. m., the column was formed on Main street under the direction of Chief Marshall Frederick J. Nelson and aides. Marching to the suspension bridge, the old veterans and the Women of the Relief Corps scattered flowers on the waters of the Willamette river as a tribute to the memory of the sailor dead, afterwards proceeding to Shively's opera house where the following programme was given:

Selection by Milwaukie Band. Prayer, Rev. J. Robert Landsborough. Remarks, Franklin T. Griffith, president of the day. Vocal Solo, Mrs. Nellie M. Cooper, Address, ritual Robert Kelland, post commander. Vocal Solo, Miss Iva Roake. "Our Army of the Dead," Comrade Samuel Grant. Quartette—Miss Estella Niles, Miss Iva Roake, R. E. Woodward and H. E. Van Wey.

Oration, Rev. E. S. Bollinger.

FOLLOWING THE FLAG.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at Howells & Jones, druggists. Price 50c and \$1.00. Trial bottle free.

CORDIAL INVITATION

ADDRESSED TO WORKING GIRLS

Miss Barrows Tells How Mrs. Pinkham's Advice Helps Working Girls.

Girls who work are particularly susceptible to female disorders, especially those who are obliged to stand on their feet from morning until night in stores or factories.

Day in and day out the girl toils, and she is often the bread-winner of the family. Whether she is sick or well, whether it rains or shines, she must get to her place of employment, perform the duties exacted of her—smile and be agreeable.

Among this class the symptoms of female diseases are early manifest by weak and aching backs, pain in the lower limbs and lower part of the stomach. In consequence of frequent wetting of the feet, periods become painful and irregular, and frequently there are faint and dizzy spells, with loss of appetite, until life is a burden. All these symptoms point to a derangement of the female organism which can be easily and promptly cured by Lydia E. Pinkham's Vegetable Compound.

Miss Abby F. Barrows, Nelsonville, Athens Co., Ohio, tells what this great medicine did for her. She writes: "Dear Mrs. Pinkham—'I feel it my duty to tell you the good Lydia E. Pinkham's Vegetable Compound and Blood Purifier have done for me. Before I took them I was very nervous, had dull headaches, pains in back, and periods were irregular. I had been to several doctors, and they did me no good. 'Your medicine has made me well and strong. I can do most any kind of work without complaint, and my periods are all right. 'I am in better health than I ever was, and I know it is all due to your remedies. I recommend your advice and medicine to all who suffer.'"

It is to such girls that Mrs. Pinkham holds out a helping hand and extends a cordial invitation to correspond with her. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Her long record of success in treating woman's ills makes her letters of advice of untold value to every ailing working girl. Address, Mrs. Pinkham, Lynn, Mass.

selected as a club day although members will have the use of the traps at their pleasure. The Club has one fine trap and will purchase others as the membership increases. The weather being favorable the Club held its first trapshooting Wednesday.

Deserves Your Patronage.

The growth of a community and the success of its local institutions depends entirely on the loyalty of its people. It is well enough to preach "patronize home industry" but except the service gives at a home institution equals that of out-of-town enterprises, this argument carries no weight and is entirely disregarded, as it should be. But with Oregon City people it is different. A few months ago E. L. Johnson established the Cascade Laundry. It is equipped with the latest improved machinery and is daily turning out work that is equal to any and superior to much of the laundry work that is being done in Portland. Being a home institution and furnishing employment for many Oregon City people it is enjoying an immense patronage. The high standard of the work being done commends it to the general public. Laundry left at the O. K. barber shop will be promptly called for and delivered to any part of the city. Telephone 1204. E. L. Johnson, proprietor.
