OREGON CITY, OREGON, FRIDAY, JUNE 8, 1906.

ESTABLISHED 1866.

CHAMBERLAIN WINS

Re-Elected Governor By 2500 Majority

BOURNE DEFEATS GEARIN FOR SENATOR.

Hawley Carries District for Congress By About 3500 Majority.

Portland, Or., June 6.—George E. Chamberlain, Democrat, carried the state for Governor at Monday's election, by a plurality of more than 2000. Jonathan Bourne, Jr., Republican, has a plurality of about 2500 over John M. Gearin, Democrat. Willis C. Hawley, Republican, for Congress in First District, has defeated Charles V. Galloway by about 3500. W. R. Ellis, Republican, in the Second District, has a lead over James H. Graham, Democrat, that will approach 15,000.

Willis C. Duniway, Republican, for State Printer; Frank W. Benson, Republican, for Secretary of State, and Robert Eakin, Republican, for Supreme Judge, have defeated their respective opponents by unprecedented pluralities.

Woman suffrage was beaten by about 10,000 and the proposed local option amendment was lost by about the same vote. The Legislature is overwhelmingly Republican. The success of Governor Chamberlain was achieved through his carrying a number of counties that went against him in 1902, and through his having equalled or exceeded his vote of that year in the other counties. He carried a large majority of the counties and in Multnomah has a plurality of about 330. His largest lead is in Baker—about 700.

The counties carried by Dr. Withycombe were 14 in number, as follows: Benton, Columbia, Coos, Curry, Douglas, Jackson, Josephine, Lake, Lincoln, Sherman, Tillamook, Wallowa, Wasco and Washington.

Mr. Bourne's plurality, for United States Senator (long term) has been somewhat reduced from early estimates, which seemed to indicate a margin of about 5000. His unexpected loss in Marion County to Mr. Gearin, the Democratic candidate by about 700, the Gearin plurality in Baker County of about the same figure and the heavy

adverse vote of Linn, with some minor changes, lopped off about 2500, leaving the Republican candidate for United States Senator with a safe lead of 2500 over his Democratic opponent. The returns are not complete, but they are so nearly at hand as to make it practically certain that the Bourne lead will not be further reduced.

Mr. Bourne is thus the people's choice for United States Senator; also the Republican voter's choice, having been successful in the April primaries. The number of State electors, One member of the Legislature elected Monday, is 46, of whom 43 are Republicans and three Democrats—a majority of the entire body. In addition to these there are eight members who have subscribed to the "Republican voters' choice" pledge making a total of 54 who are thus under obligation to vote for Mr. Bourne for United States Senator at the regular Legislative session beginning next January.

These members are under the same obligation to vote for F. W. May, Republican, for the short Senatorial term, ending March 4, 1907. Mr. Mulkey was successful in the popular election by a very large vote.

The next Legislature will consist of 84 Republicans and six Democrats. So far as the returns at hand indicate—and they are practically complete—not one Democrat has been elected to the Lower House. Therefore the entire membership of that body will be made up of 60 Republicans. In the State Senate, 5 of the 15 new Senators are Democrats. Three of the 6 Democrats, having subscribed to Statement No. 1, are under obligation to support Mr. Bourne, and Mr. Mulkey's the people's choice for the long and short term in the United States Senate.

Three of the five new Democratic State Senators succeeded Republicans. They are F. H. Caldwell, of Yamhill, who defeated Jesse Edwards; L. L. Mill, of Jackson, who defeated E. T. Staples; and Joseph E. Hedges, of Clackamas, who defeated George C. Brownell.

C. J. Smith, of Umatilla, and M. A. Miller, of Linn, both Democrats, are elected to succeed themselves. The one hold-over Democrat in the State Senate is O. P. Coshov, of Douglas.

Mr. Hawley's defeat of Mr. Galloway in the race for Congress in the First District was accomplished after a contest waged with great activity on both sides. Mr. Galloway, Democrat, had the advantage of universal personal popularity and a well-known name. He had, besides, the support of the liquor interests, which objected to Mr. Hawley because of his supposed affiliation with the temperance element, and his connection with the Methodist Church. These things succeeded in reducing Mr. Hawley's plurality from the figures obtained by Mr. Hermann, two years ago, when the latter defeated Robert Veatch, Democrat, by 6800.

CROSSED THE PLAINS IN 1843.

Mrs. Susan D. Meldrum, Respected Pioneer, Now Deceased.

Mrs. Susan D. Meldrum died at her home in this city, Saturday, June 2, near the close of the 83rd year of her age. She was born in Washington county, Kentucky, on the 25th day of July, 1817. Her maiden name was Susan Depew Cox and her girlhood was mostly spent in Tennessee to which state her parents removed during her childhood, afterwards removing to Illinois.

On December 11, 1834, at Whitehall, Illinois, she was married to John Meldrum, who also was a native of Kentucky, having been born in Shelby county, of that state, on the 8th day of March, 1808. During the first year of their marriage, the family resided in Illinois where the oldest child, a daughter, now Mrs. W. S. Moore, was born. George, the oldest son, was born in Iowa. In the Spring of 1845, again feeling the inspiration of the true pioneer, they joined a caravan on the way to "the Oregon Country", arriving at Oregon City, the end of their journey, about the middle of October, that year. They brought with them from their Iowa home their four children, the eldest, Margaret C., born in Illinois; Mary R., now Mrs. D. P. Thompson, of Portland; Sarah M., now Mrs. F. O. McCown, of Portland; and a son, John W. Meldrum, all of whom are still living and were in attendance at the bedside of their dying mother as was also her youngest son, Henry, the only survivor of the five younger children born in Oregon.

Being always loyal to their adopted state, they lived contentedly here during all of the years that have passed since their arrival. Her husband, John Meldrum, died August 2, 1889, in the same house in which Mrs. Meldrum's death occurred and which has been the home over which she has presided during the past forty years.

Mrs. Meldrum was a member of the Methodist Episcopal church and a woman whose fine character and kindly nature endeared her to all who knew her. Young and old vied in making the last days of her life happy and peaceful for all of which kindred Mrs. Meldrum continually expressed her loving appreciation. She always took a great interest in the Pioneer's Reunion and sadly mentioned that she would be unable to meet with them this year.

The funeral service was conducted at the late home at 1 o'clock Monday afternoon, Rev. R. C. Blackwell, of this city, and Rev. A. J. Montgomery, of Portland, officiating. The pall bearers were: C. H. Caulfield, T. L. Charman, Linn E. Jones, T. P. Randall, Charles Meldrum and Don Meldrum. Interment was had in Mountain View cemetery.

HOW THEY VOTED

Hedges Defeated Brownell By Big Vote

DEMOCRATS ALSO ELECT BEATIE SHERIFF.

Election of Clerk is Still in Doubt—Vote on Amendments.

Monday's election resulted in the election of Joseph Eugene Hedges state senator to succeed Senator Brownell by a majority exceeding 500. Brownell's defeat was due to his connection with corporations, especially railroads, and his methods generally in manipulating the politics of this county to his own personal advantage and at the expense and toleration of an indulgent public. He attributes his defeat to the fact that he is under indictment but this was not the real reason of the result. The people had tired of Brownell and his methods and by a decisive expression have retired him from his rule as political boss and dictator in this county.

In addition to defeating Brownell the Democrats have elected Beatie Sheriff by about 75 majority according to the unofficial returns. R. B. Beatie, sheriff-elect, is a member of a pioneer Oregon and particularly Clackamas County, family. For some time he was located at Oregon City where he was engaged in the practice of dentistry with his brother, Dr. A. L. Beatie. Of recent years he has been managing a farm in Beaver Creek.

The result on Clerk, between Greenman and Latourette, is exceedingly close, unofficial returns showing the vote to be a tie. This contest will have to be determined by the official count which was begun yesterday morning by Clerk Greenman and Justices Stipp and Dungan.

Wednesday morning complete unofficial returns from all but two precincts, those of George and Oregon City No. 3, give Hedges 548 majority over Brownell. These same returns now indicate the election of Beatie for Sheriff and Latourette for Clerk, the vote for those offices being: Beatie, 2632; Maddock, 1991; Greenman, 2030; Latourette 1980. The official vote will be required to determine these two offices as the totals given represent the returns as received over the telephone and from different persons returning from the various voting precincts. But the figures from which the totals were computed are believed to be reasonably correct. The actual result however, where the contests are at all close, cannot be positively known until the official count is made and Clerk Greenman expects to proceed with the count tomorrow.

The vote in Clackamas county is given below. On the state ticket, the vote represents the total vote of about 34 of the 39 precincts while the vote on county officers includes all but the two precincts, Oregon City No. 3 and George. But few precincts reported on the various constitutional and other proposed amendments and laws and the figures on those subjects are not all satisfactory neither will the result be known until the official count is made. But the returns on these questions so far as they were reported are given in connection with the county's vote, which was as follows:

United States Senator to fill vacancy—Gould 203, Mulkey 2025, Stevens 595.

United States Senator, long term—Bourne, 1976; Gearin, 1752; Paget, 156; Simola, 188.

Congressman—Galloway 1862, Green 95, Hawley 2015, Myers 214.

Governor—Amos 56, Barzee 142, Chamberlain 2223, Withycombe 1811.

Secretary of State—Benson 2242, Brown 251, McDaniel 95, Sroat 1069.

State Treasurer—Butler 76, Cook 211, Matlock 406, Steel 2310.

Supreme Judge—Bright 111, Eakin 2050, Halley 1156, Robbins 235.

Attorney General—Brix 209, Crawford 2023, Miller 1348, Rutherford, 96.

Surveyor—Hungate 2167. Coroner—Holman 2292, Jones 245, Meissner 1623.

Justice of the Peace, District No. 4, six out of seven precincts—Sawyer 492, Stipp 667; constable—Ely 667, Trembath 507.

Referendum appropriation bill—807 for and 746 against; equal suffrage—976 for and 1216 against; Barlow toll road purchase—659 for and 1090 against; local option amendment—652 for and 1071 against; to amend constitution and apply the referendum to all laws affecting constitutional conventions and laws—1230 for and 368 against; giving cities and towns exclusive power to enact and amend their own charters—1325 for and 331 against; regulating state printer's compensation—1505 for, 196 against; initiative and referendum on local, special and municipal laws—1241 for and 283 against; anti-pass law—1412 for and 287 against; taxing refrigerators, sleeping cars and oil companies—1028 for and 106 against; taxing express, telegraph and telephone companies—1649 for and 112 against; county high school—855 for and 677 against.

RESIDENCES MUST BE NUMBERED

Such an Ordinance Considered by City Council.

At Wednesday night's meeting of the City Council there was introduced an ordinance requiring the proper numbering of residences and the posting of names of the streets of the city. This ordinance was read and ordered published. It was prepared and introduced at the suggestion of Postmaster Randall as a preliminary step in securing a free city mail delivery for Oregon City. The government requires that the streets and residences of a city must be properly numbered before a free mail delivery service can be established.

The petition for the improvement of Washington street from Seventh street to the Abernethy bridge, was finally disposed of by disallowing the same, the number of remonstrators exceeding that of the petitioners. An ordinance was presented, however, establishing the grade of this street, as was also another ordinance assessing the cost of the Fifth street improvement, amounting to \$282.30. The ordinance requiring the treasurer to file with the recorder duplicate receipts for all money received, except on street and sewer assessments, within 24 hours after he receives the money, was passed.

The old gravel pit on the Logus and Albright property was decided upon for a garbage dump, temporarily, at a monthly rental of \$5.

Six additional hydrants were ordered purchased by the Superintendent of the water works and these will be established along the line of the pipeline extension to the reservoir. The opening of Eleventh and Twelfth streets was referred to the committee on streets and public property. A saloon license was granted W. E. Wilson. J. E. Hedges was re-elected water commissioner. A warrant was ordered drawn on the treasurer for \$250 in favor of the chairman of the finance committee for the payment of the reward offered by the city for the capture of Smith, the outlaw.

FRUIT INSPECTOR IS SUED.

Orchardists File Civil Suit Against J. H. Reid.

T. R. A. and J. M. Sellwood, orchardists residing at Milwaukie, through their attorneys, C. D. and J. C. Latourette, have filed in the state circuit court suit against Fruit Inspector Reid from whom damages are demanded for \$2040 for the destruction by that officer of 34 prune trees. The purpose of this suit is to test that provision of the state horticultural law which empowers the fruit inspector to destroy fruit trees when the owners neglect to comply with the law requiring the spraying of trees.

Although repeatedly notified to spray their prune orchard, the Sellwoods failed to do so and finally under the authority conferred by the law, Inspector Reid entered the premises and destroyed 34 trees. The trees were destroyed while Mr. Reid was joint fruit inspector for Clackamas and Multnomah counties. Since then, the duties of the office proved too much for one man and Mr. Reid resigned his place in Clackamas county and now devotes his entire time to promoting the horticultural interests of Multnomah county. He has been succeeded in Clackamas county by A. J. Lewis, a practical horticulturist, residing at Maple Lane, who is continuing the good work inaugurated by his predecessor.

Mr. Lewis, accompanied by Deputy District Attorney Schubel, recently visited the Sellwood orchard and notified the owners that if they did not comply with the spraying law that the law would be invoked to the extent that the trees would be destroyed.

The suit is of peculiar interest to the fruit growers of the county who have very generally sprayed their orchards this year as a means of combating the San Jose scale and other pests with which valley orchards are largely infested. The trial of the suit will be had at the June term of the circuit court.

How to Break up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. The first symptoms of a cold are a dry loud cough, a profuse watery discharge of the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken immediately on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. TIED FOR PLACE

Race For Clerkship an Interesting Contest

GREENMAN AND LATOURETTE ARE TIED.

Official Count, Begun Today, Required To Determine Result.

From the complete unofficial returns at hand it is apparent that County Clerk F. W. Greenman, Republican, and Howard F. Latourette, Democrat, have tied in the election of County Clerk.

Thirty-seven out of 39 precincts Wednesday morning gave Greenman 2030 and Latourette 1980, but the returns from Oregon City No. 3, being 134 for Latourette and 68 for Greenman, transposed the lead, and gave Latourette 16 votes majority with George precinct to be heard from.

Wednesday afternoon Secretary Stipp, of the Republican County Central Committee received a memorandum of the vote of George which gave 22 to 6 for Latourette, making the vote a tie between the two candidates, each having 2120.

County Clerk Greenman and Justices Stipp and Dungan began the official count yesterday when the true result will be learned. The official vote will be published in next week's Enterprise.

BETTER PAY FOR TEACHERS.

Board is Said to Favor General Advance.

That the salaries paid the teachers in the Oregon City public schools will be increased before contracts are entered into for another year, is highly probable as it is understood that a majority of the Board of Directors favors a reasonable advance in the wages that are now being paid the instructors in the city's schools. Just how much of a raise is contemplated is purely a matter of speculation, but it is practically assured that the schedule of wages now paid will be increased.

The subject of adjusting the wages will probably be considered at meeting of the Board on Monday evening, June 11, when teachers for the ensuing year will be elected. In addition to the usual number of principals and grade teachers, there is to be elected this year a city superintendent to succeed Miss Clark, who has announced that she will not be a candidate for another term. The board is in receipt of several applications, many coming from the Eastern states, one instructor from New York state having applied for the superintendency. The wages now being paid teachers in the Oregon City schools, are as follows: Superintendent, \$85; principals, \$65; grade teachers \$42.50 to \$55; primary teachers, \$50.

TEACHERS VISIT OREGON CITY.

View the Many Places of Historical Interest.

Twenty of the teachers employed in the Portland city schools, under the direction of Mrs. Eva Emery Dye, visited the many points of historic interest in Oregon City and vicinity Saturday. In the evening the party was entertained at the home of Mr. and Mrs. J. W. Moffatt on the West Side.

Among the interesting places visited were the grave and pioneer residence of Dr. John McLoughlin, the home of Governor Abernethy and the well which remains the same as when used by its first owner, Rose Farm where the first barbecue was given in honor of Governor Joe Lane, the first Governor of the state; the old Methodist church, the first church building erected west of the Rocky mountains, the old Baptist and Congregational churches, the first church homes erected on the North Pacific Coast by those two denominations; the Wm. Tell house, the building in which the first legislature of the state held its sessions and the Barclay property, the home of Dr. Barclay of the Hudson Bay Company.

Dissolution of Partnership.

Notice is hereby given that the partnership heretofore existing between Wm. Gardner and George Gardner, under the firm name and style of Wm. Gardner & Son, has been this day dissolved by mutual consent. Wm. Gardner succeeds to the business and will assume all liabilities and collect all accounts due the firm.

WILL OBSERVE "FLAG DAY."

Anniversary of Birth of the National Emblem on 17th.

Thursday, June 14th, the one hundred twenty-ninth anniversary of the nating the 17th inst as "Flag Day," will be appropriately celebrated by suspending flags and making suitable decorations with the national colors in commemoration of the day. While there will be no formal exercises, the people of the city will generally observe the day at the suggestion of

Meade Post No. 2, G. A. R., of this city, which made the following announcement:

"In accordance with the general orders that have been received from Department headquarters, Grand Army of the Republic, Meade Post No. 2, G. A. R., desires to call attention to the one hundred twenty-ninth anniversary of the birth of the United States flag, Thursday, June 14, and would request that all citizens show their appreciation of the anniversary and what it means, by displaying flags and making other decorations in commemoration of the anniversary."

T. E. Hills, of Ashland, Department Commander of the G. A. R. for the State, advises the Oregon City Post that Governor Chamberlain has consented to issue a proclamation, designating the 17th inst as "Flag Day."

MAY HAVE OVERHEAD CROSSING.

S. P. Company Confer With Oregon City Officials.

Superintendent O'Brien and Superintendent Fields, accompanied by Engineer Forsythe, of the Southern Pacific Company, were in the city Tuesday conferring with Mayor Caulfield and City Engineer Rands regarding the advisability of constructing an overhead crossing across the company's right of way at the foot of Sixth street and replacing the old steps that have been closed to travel. The railroad officials are very favorably disposed towards making the proposed improvement, and it is highly probable that it will be made.

While in the city the railroad officials incidentally discussed with the city authorities the matter of making some provision for eliminating the Singer Hill team crossing at Tenth street. Superintendent O'Brien informed the city officials that the railroad company will soon send to this city its engineer to confer with the City Engineer to the end that some means may be devised for dispensing with this dangerous team crossing without interfering with the operation of trains.

MEN ASK FOR MORE WAGES.

Rock-Crusher Employees Want \$2.25 Per Day.

A committee, representing the 22 men that are employed on the county rock-crusher on the West Side, waited on County Judge Ryan Friday and requested that their wages be advanced from \$2.00 to \$2.25 per day. Judge Ryan explained to the men that he would take the matter up with the county court this week and with this assurance the workmen returned to their labor.

There was nothing in the interview that so much as suggested a strike, neither was it intimated by the men that they would cease working if the requested advance was not granted. The men decided that they were not receiving enough pay for the character of the work they were performing. At the present time the rock-crusher is being operated on the West Side in the building of the Stafford road.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Howell and Jones.
