Is Disease a Crime?

Not very long ago, a popular magazine published an editorial article in which the writer asserted, in substance, that all disease should be regarded as criminal. Certain it is, that much of the sickness and suffering of mankind is due to the violation of certain of Nature's laws. But to say that all sickness should be regarded as criminal, must appeal to every reasonable individual as radically wrong.

It would be harsh, unsympathetic, cruel, yes criminal, to condemn the poor, weak, over-worked housewife who sinks under the heavy load of household cares and burdens, and suffers from weaknesses, various displacements of pelvic organs and other derangements peculiar to her sex.

Frequent bearing of children, with its exacting demands upon the system coupled with the care, worry and labor of rearing a large family, is often the cause of weaknesses, derangements and debility which are aggravated by the many household cares, and the hard, and never-ending work which the mother is called upon to perform. Dr. Pierce's Favorite Prescription says that one of the greatest obstacles to the cure of this class of maladies is the fact that the poor over-worked housewife can not get the needed rest from her many household cares and labor to enable her to secure from the use of his "Prescription" its full benefits. It is a matter of frequent experience, he says, in his extensive practice in these cases, to meet with those in which his treatment fails by reason of the patient's inability to abstain from hard work long enough to be cured. With these suffering from prostrations, anovulation and retroversion of the uterus or other displacements of the woman's organs, it is very necessary that, in addition to taking his "Favorite Prescription," they abstain from being over-worked for long periods, on their feet. All heavy lifting or straining of any kind should also be avoided. As much rest as possible, the moderate, light exercise is also very important. Let the patient observe these rules and the "Favorite Prescription" will do the work.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.

Bright's Disease

Not Rare, but Common--Kidney Disease Develops into Bright's Disease the 8th to 10th Month; Then Incurable by All Known Means Except the New Fulton Compound, which Record 87% of Recoveries.

We have before us a little work on kidney diseases by Joseph F. Edwards, M. D., of Philadelphia, that contains some things that everyone ought to know. Many people imagine Bright's Disease is rare, when, in fact it covers nearly the whole gamut of kidney diseases. This book sets out that the kidneys have but one function, viz., the elimination of the urea and waste products, and that all interferences with that function are called Bright's Disease. Dr. Edwards adds: "For the benefit of physicians who may read this book I will give a list of the cases which I attribute to Bright's Disease, viz.: Albuminuria. Congestion of the Kidney. Degeneration of the Kidney. Fatty Degeneration of the Kidney. Inflammation of the Kidney. Uremia. Disease of the Kidney." Thus nearly all kidney disease being Bright's Disease, the serious question is, is it in the primary or secondary stage? After the eighth to tenth month it becomes chronic and is then incurable by all known means except the Fulton Compound. There is often no notice of the trouble till it has fastened. If you have kidney disease in the first stage the Fulton Compound will cure it. If it is of more than 8 to 10 months standing it is the only thing that will cure it. In proof that nothing else will cure it all mention of the cure, all names of holders of the John J. Fulton Co., business and professional men of San Francisco, are the first in the world to announce the cure, presenting a definite percentage of recoveries (87 per cent.) and giving out the lists of the cured, all among purely chronic, well-defined cases. If you have any kind of kidney trouble, there is only one thing to take. The Fulton Compound for Bright's Disease is \$1.00. John J. Fulton Co., 400 Washington Street, San Francisco, sole compounders. Pamphlet free. We are the sole agents.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone. If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle Home of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

In accordance with the foregoing sections of this ordinance shall be deemed guilty of a misdemeanor and upon conviction before the mayor or recorder shall be fined in any sum not exceeding twenty-five dollars or by imprisonment for any term not exceeding twelve days, or by both fine and imprisonment.

Section 6. In addition to the penalty prescribed in section five of this ordinance the City Council shall on such refusal or neglect have the power and authority to cause the number of the said building to be placed thereon as hereinbefore set forth, the cost thereof to be entered and collected as any other lien. Read first time and ordered published at a regular meeting of the Council of Oregon City, held June 6, 1906, and to come up for second reading and final passage at a special meeting of said Council to be held June 19th, 1906, at 8 o'clock p. m. By order of the Council of Oregon City. W. A. DIMICK, Recorder.
