

NEWS OF THE COUNTY.

Some Interesting Items Received too Late for Last Week.

Correspondents sending items to this paper will confer a favor and will be more certain of having their correspondence published in the week's issue of the paper for which they are intended, if they would mail their letters so as to reach the Enterprise office not later than Wednesday afternoon. Below are printed the items sent in by three correspondents, the three letters being received too late for last week's issue.

Stafford—The rain considerably ceased, so that Decoration Day came and passed just cool enough to be comfortable for Stafford and vicinity to turn out in force in work in the cemetery, and they made quite an addition to the improvements already accomplished, and the lunch baskets and coffee pots came so well filled that there was far more than the proverbial leaves and fishes left, and we can say that Stafford cemetery look better than it ever has in the memory of the oldest inhabitant.

Miss Susie Schatt returned to Portland last week.

Miss Jennie Noble, whose birthplace was Stafford, was at the cemetery greeting old friends.

Mr. and Mrs. Narve Robbins also were old time residents of Stafford. Mr. Robbins' father being the first owner under the Government of what is at present the Wm. Schatz place, were welcome visitors and workers at the cemetery.

Quite a number about here have invitations to a German picnic up the river from Willamette next Sunday.

I may be too late for this issue as I felt obliged to wait till after the business picnic at the cemetery before sending items.

Shubel—Wm. Hettman has returned from the logging camp.

Henry Ginther has finished working for Wm. Moehnke.

G. A. Shubel went to Sellwood last Saturday.

Phillip Massinger and Henry Grossmiller are hauling lumber for the Cummins saw mill.

Mrs. Austin, of Liberal passed through our neighborhood last week canvassing the book about the San Francisco disaster.

Beer-drinking by the keg is the order of the day in this section of our voting precinct. That's what elicits in this neck of the woods.

Elijah Coleman and M. V. Thomas, Socialist nominees for county commissioner and representative, respectively, addressed the citizens of Shubel last Saturday evening. The audience was not as large as is usual, the reason was learned during the evening—the Republicans having sent out beer to the old stand which of course was the greater attraction. The speakers spoke entertainingly however on their course.

Rev. Henry Hornschuh preached in the Evangelical church last Sunday morning and Rev. Theodore Hornschuh preached in the evening.

Greenwood—Mrs. C. V. Stoker was summoned to the death bed of her sister at Tacoma, Washington, who died a few hours before she got there, from blood poison. The poor mother left behind her five little children, the oldest 12 years and youngest 8 months. Mrs. Stoker brought home with her the 5 motherless children which were left at the mercy of the world among strangers. Mrs. Stoker's baby is sick with a bad cold.

W. H. Jones has succeeded this week in trapping two gray foxes; not before they carried off over 40 hens. Jones had one of them caught before, had it chained like a dog by the house for over three years, it had become quite tame, but one night it got tired of captivity and made for liberty and was away three years when it came back and was caught the second time.

Mr. T. C. Thomas had a barn-raising Tuesday.

Our school house is looking very nice after being painted which is quite an improvement in its appearance. We expect soon to get the grounds fenced in, which will still add.

W. H. Jones and C. Rider have had their houses painted.

THERE ARE FEW

people who know how to take care of themselves—the majority do not. The liver is a most important organ in the body. Herbine will keep it in condition. V. C. Simpkins, Alba, Texas, writes: "I have used Herbine for chills and fever and find it the best medicine I ever used. I would not be without it. It is as good for children as it is for grown people, and I recommend it. It is fine for lads." Sold by Huntley Bros. Co.

TO ADVERTISE STATE.

One of the biggest schemes for advertising Oregon has been undertaken in Portland by Phillip S. Bates, publisher of Oregon's Great Agricultural Monthly the Pacific Northwest. The proposition is nothing less than the taking of 33 young ladies, one from each county of the state to the Jamestown Exposition which will open May 15th at Jamestown, Virginia. The Exposition is to commemorate the first settlement of the English in the United States, which took place in 1607. This historical event in the history of our country is one which gives opportunity for a wonderful exploitation of the great strides which have taken place in the past 300 years and the Jamestown Exposition, from an educational standpoint, will no doubt prove an exceptional undertaking along these lines. One farmer's daughter from each county in Oregon will be taken by Mr. Bates. She will carry a large amount of literature for general distribution along the lines of travel which it is expected our Board of Trade will furnish. The method of choosing our candidates rests wholly with the farmers' daughters of our county. They are

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON, 801 Main St., Peoria, Ill. MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health faded rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up." We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. It is worth its weight in gold. Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply." Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

LET US GIVE YOU A 50c. BOTTLE.

This Coupon is good for a 50c. Bottle of Mull's Grape Tonic.

Fill out this coupon and send to the Lightning Medicine Co., 157 Third Ave., Rock Island, Ill., and you will receive a full size, 50c. bottle of Mull's Grape Tonic.

GIVE FULL ADDRESS AND WRITE PLAINLY.

If you are afflicted with constipation or any of its kindred diseases we will buy a 50-cent bottle for you of your druggist and give it to you to try. If you are constipated we know it will cure you. Surely if we have such confidence in our remedy as to pay for a bottle of it that you may test for yourself its wonderful curative qualities, you should not refuse to accept our offer.

Mull's Grape Tonic

is the only cure for constipation known. We do not recommend it for anything but Constipation and its allied diseases. It is our free gift to you. In accepting this free bottle you do not obligate yourself further than to take its contents. Mull's Grape Tonic is pleasant to take and one bottle will benefit you. We want you to try it and, therefore, if you will fill out the attached coupon and mail it to us to-day we will instruct your druggist to give you a 50-cent bottle and charge same to us.

HOWELL & JONES, Reliable Druggists.

IS THIS WHAT AILS YOU?

If the Symptoms Fit Your Case, Remember "A Disease Once Known is Half Cured."

Feel feverish? Have headache? Backache? In fact, "ache all over"? Have occasional chilly sensations? Appetite gone? Tongue furred? Bad taste in mouth in morning? Bad, foul breath? Perhaps nausea, or "sickness at stomach" occasionally? Feel weak, tired, blue and discouraged?

The above are symptoms common to stomach and liver derangements and often precede attacks of fever and malarious affections, grip, bronchitis, and "lung fever," or pneumonia. Which ever ailment they point to, you may be sure that it is best to get rid of them as soon as possible by putting your system to rights, regulating, toning up and invigorating, liver and bowels, and thus purifying your blood and system and enabling it to throw off the attack.

For the above purpose, medical science has as yet produced no better agent than Dr. Pierce's Golden Medical Discovery. It is not a secret, or patent medicine, all its ingredients being printed on Golden Seal wrapper. It is the prescription of a well-known and experienced physician. It contains no alcohol or other harmful, habit-forming agents—chemically pure, triple-refined glycerine being used both as a solvent and preservative of the medicinal extracts of which it is composed. It is made from the following native, American medicinal roots: Golden Seal root, Queen's root, Stone root, Bloodroot, Mandrake root and Black Cherry bark. The medicinal properties of these are extracted by exact and peculiar processes with the use of chemically pure, triple-refined glycerine, of proper strength, and by means of apparatus and appliances devised for this special purpose, and in plain written on postal card or by letter, to Dr. R. V. Pierce, Buffalo, N. Y., with a request for the same.

Of Golden Seal root Prof. Bartholow, of Jefferson Medical College, says: "Very useful as a stomachic tonic (stomach tonic) and in atonic (weak stomach) dyspepsia. Cures gastric catarrh (catarrh of stomach) and headaches accompanying the same." Chronic catarrh of the intestines, even if it has proceeded to ulceration, is remarkably benefited by Hydrastis (Golden Seal). It may be given as a remedy for intermittent, chronic and malarial poisoning and enlarged spleen of malarial origin.

From "Organic Medicines," by Grover Cox, M. D., of New York, we extract the following: "Hydrastis (Golden Seal) exerts an especial influence over mucous surfaces. Upon the liver it acts with equal certainty and efficacy. As a cholagogue (liver invigorator), it has few equals. In affections of the spleen, and abdominal viscera generally, it is an efficient and reliable remedy. Also in scrofula, glandular diseases, generally, cutaneous eruptions, indigestion, debility, diarrhoea and dysentery, constipation, piles and all morbid and critical discharges."

Dr. Cox further says: "Hydrastis (Golden Seal) is also of inestimable value in the treatment of chronic derangements of the liver. It seems to exercise an especial influence over the hepatic (liver) structure generally, resolving (dissolving) biliary deposits, removing obstructions, promoting secretions, and giving tone to the various functions. It is eminently cholagogue (liver accelerator), and may be relied upon for the relief of hepatic (liver) torpor."

Prof. John M. Scudder, M. D., of Cincinnati, says of Golden Seal: "It stimulates the digestive processes and increases the assimilation of food. By these means the blood is enriched. In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is recognized as the tonic useful in all debilitated states."

As to Stone root, the AMERICAN DISPENSARY says: "In diseases of stomach and intestines—improves appetite, promotes flow of gastric juice; tonic effect upon organs involved. A good remedy in indigestion, dyspepsia, chronic and acute gastritis, increasing the secretion from kidneys and skin."

Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of Stone root: "In catarrhal gastritis (inflammation of stomach) where the circulation is defective, it, either alone or combined with hydrastis, is of first importance. It increases the appetite and greatly improves the digestion and assimilation of food. It is a heart tonic of direct and permanent influence. Excellent in the bicycle fever, in rheumatic inflammation and clergyman's sore throat."

All the other ingredients entering into the composition of "Golden Medical Discovery" are equally praised for their curative effects in all stomach, liver and bowel affections and five of them for bronchial, throat and lung affections attended with severe cough, expectoration and kindred symptoms.

But you had best read for yourself the "words of praise" written concerning each and every ingredient of this marvelous medicinal medicine by leading medical practitioners and writers. This you can do by writing for the booklet mentioned in the preceding column. No other medicine for like purposes has any such professional endorsement as "Golden Medical Discovery," which should have more weight than all the ordinary testimonials so lavishly flaunted before the public by those who are afraid to publish their formulae that the search light of investigation may be turned upon them. It is well to know what one takes into the stomach whether in the form of food, drink or medicine.

From the same little book of extracts mentioned above it will readily be seen why Dr. Pierce's Favorite Prescription works so miraculously cures in these chronic and distressing diseases peculiar to women. In all cases of pelvic catarrh with weakening drains, bearing or "dragging-down" pains or distress, and in all monthly or periodical derangements and irregularities, the "Favorite Prescription" will be found to be made of just the right ingredients to meet and cure the trouble.

Your druggist sells the "FAVORITE PRESCRIPTION" and also the "GOLDEN MEDICAL DISCOVERY." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him as directed in preceding column.

It is as easy to be well as ill—and much more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's Pleasant Pellets cure constipation. They are tiny, sugar-coated pills. One little "Pellet" is a gentle laxative, two a mild cathartic. All dealers in medicines sell them.

Dr. Pierce's 100-page illustrated book, "The Common Sense Medical Adviser," is sent free in paper covers on receipt of 21 one-cent stamps to pay the cost of mailing only. For 31 stamps the cloth-bound volume will be sent. It was formerly sold for \$1.50 per copy. Address Dr. R. V. Pierce, Buffalo, N. Y.

REDUCED SUMMER EXCURSION RATES.

Newport, Yaquina Bay, Breitenbush Hot Springs From All S. P. and C. & E. Points.

On and after June 1, 1906, the Southern Pacific in connection with the Corvallis & Eastern railroad will have on sale round trip tickets from points on their lines to Newport, Yaquina and Detroit at very low rates, good for return until October 10, 1906.
