TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

**Hughes Taken to Salem—**  
Sheriff Trombath Friday evening took Ira Hughes to Salem to begin his sentence of 50 years for the crime of incest of which he was convicted by a jury in Judge McBride's court, the day before.

**Thief Takes Horse and Buggy—**  
Sunday morning there was stolen from the barn of Senator John M. Gearin's brother, on his farm near Butteville, a valuable horse and rubber tired buggy. The thief and stolen property were traced by the owner as far as Aurora and the officers in all directions were notified of the theft.

**Annual Meeting—**  
Secretary Jas. U. Campbell, of the Oregon City Board of Trade, has called the annual meeting of the stockholders of that organization which will be held at the office of the secretary evening. The present officers of the board are: W. A. Huntley, president; E. G. Caulfield, first vice-president; C. H. Dye, second vice-president; Jas. U. Campbell, secretary; D. C. Latourette, treasurer.

**New Rock Crusher—**  
Clackamas county has received the new rock crusher that was recently purchased at a cost of \$1365. The machine is of the same model as the one already owned by the county and now operated in connection with the building of the Stafford road but the new crusher is not of such large capacity. The new machine will be initiated into service at Viola to which point it was taken by J. C. Fullam. Rock will be crushed for the improvement of the Viola hill which is being reduced to a less difficult grade.

**Respect the Ordinance—**  
Complaint is made that people in the suburbs have become careless in putting stock out to graze, many tethering their cows so that the animals cross the sidewalks to the inconvenience and annoyance of pedestrians. There is a city ordinance that prohibits the picketing of cattle and other stock so that they can reach the sidewalks. Persons making the complaint do not feel like prosecuting their neighbors under the ordinance, notwithstanding its provisions are being largely abused. By calling attention to the ordinance the complainants hope to bring about a discontinuance of this rural practice.

**Postmaster's Salary Increased—**  
By reason of the increased receipts at the Oregon City post office, which for the fiscal year ending on the 30th inst., will exceed \$10,000, the annual salary of the postmaster has been ad-

### "DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."  
The time-worn injunction, "Never put off 'til to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TO-DAY—and let that remedy be Dr. Boschie's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble.  
New trial bottles, 25c; regular size, 75c. At all druggists.

**Charman & Co. City Drug Store**

Advanced from \$2200. to \$2300 per year. Along with this increase in the receipts, the city is entitled to free delivery service which will be petitioned for at once. Before this service can be established the government requires that the names of streets be posted and all residences numbered. The City Council at Tuesday night's meeting enacted an ordinance compelling that this be done.

### Webster May Get the Place—

In their re-organization of the State Board, Frank W. Benson and George A. Steel succeeding Secretary of State Dunbar and State Treasurer Moore, respectively, it is considered highly probable that a number of changes will be made in the various subordinate offices that are controlled by the Board. Among these is the State Fish Warden. It is rumored that H. G. VanDusen, the present incumbent, will not be re-appointed and the same rumor has it that H. A. Webster, of this county, is the most probable suc-

cessor to that office. Mr. Webster is the present Deputy Fish Warden and at one time served the people of Clackamas county in the Lower House of the State Legislature.

### SOME REASONS.

Why Oregon City People Should Follow This Valuable Advice.

Because the proof is in Oregon City. You can easily investigate it. Not necessary to experiment. With some untried remedy. Profit by the experience of a citizen. Harry M. Shaw, linotype operator at the Enterprise Office, and living at 605 E. Fifth Street, Oregon City, Or., says: "Sitting for hours a day bent over a type setting machine finally rendered my back so lame and sore that I had to go to a physician, but did not get any noticeable benefit from the treatment. Three years ago I learned of Doan's Kidney Pills, got a box and began using them. They gave me the first relief I had been able to obtain and finally gave me complete relief from any trace of pain. The nature of my work sometimes causes some soreness in my back and whenever this occurs I always resort to Doan's Kidney Pills and never in vain. I can conscientiously advise anyone in need of such a remedy to go to Huntley Bros. drug store, here in Oregon City, procure Doan's Kidney Pills and give them a trial."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

### A TRIBUTE OF RESPECT TO COMRADE L. W. INGRAM.

Your committee appointed to prepare a tribute of respect to Comrade L. W. Ingram do respectfully submit the following statement, coupled with words of sympathy for the bereaved family.

Comrade Ingram was born January 20, 1840, at Bellfont, Penn., and died at his residence in Parkplace, Oregon, June 13th, 1906.

He enlisted in the Civil War for the Union, August 8th, 1862 was mustered out in August, 1865, serving out his full time of enlistment, performing an honorable part during the service.

There is seemingly a life period allotted to every person, either short or long in duration, some of whom measure that space with honor and a degree of usefulness, but we must re-

member that God giveth and taketh away again, and as it has pleased His divine will to remove from our midst an honorable and respected comrade who served in the late war for the preservation of the Union, that those who come after may live to enjoy the freedom and peace of this beloved country, we bow to His divine will, mourning and sorrowing for the dead and gone, who out of deep sympathy deserves profound respect. Therefore be it

Resolved, That we lament and condole the passing away of our noble comrade L. W. Ingram, who has been

have had. Mr. Hoff read the published reports of the official votes of Clackamas county several days ago and was surprised to learn that W. S. Richards, the Socialist candidate for labor commissioner, had received 1,533 votes in Clackamas county, while with no other opposition than the Socialist named, Mr. Hoff himself secured 2,746 votes against 3,177 for Superintendent of Public Instruction J. H. Aekerman, who was not only opposed by a Socialist but a Prohibitionist as well.

He accordingly came to the city and made inquiries and it was found

a faithful and efficient member of Meade Post No. 2, during his membership, often serving in an official capacity with honor and respect, hence we most respectfully extend our heartfelt sympathy to the bereaved family of the said deceased, fully realizing that it "God's will be done."

### FOLLOWING THE FLAG.

When our soldiers went to Cuba and the Philippines, health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases. Guaranteed at Howell & Jones, druggists. Price 50c and \$1.00. Trial bottle free.

### SAN FRANCISCO AND THE CITIES ON PUGET SOUND.

The question is asked, "What effect will the destruction and rebuilding of San Francisco have upon the cities of Puget Sound?" That question can be answered only in part at this time because time alone will tell the whole story.

As a natural result of the disorganization of the business of San Francisco numerous new enterprises will come to the cities of the Northwest, and those cities will be benefited temporarily—until business is re-established in San Francisco—and permanently as a result of the rebuilding of that city and the many changes in her trade relations.

An immediate and direct benefit will come to the manufacturers of lumber and building materials. The burning buildings had scarcely cooled off before the people of San Francisco were at work, clearing away the debris to make room for new buildings. Already the lumber mills of Washington and Oregon are running to their fullest capacity, and notwithstanding the great quantities of lumber which they are turning out daily, they are unable to supply the increased demand. The result will be a very active lumber market for many years to come. It will cause the establishment of new mills and the enlargement and improvement of old ones, thus giving employment to thousands of working-men, in addition to those already employed in that industry, with a corresponding increase in trade throughout the whole Northwest.—James B. Meikle in the Pacific Monthly for June.

### ERROR IN BALLOTS.

Socialist Candidate's Name Appears in Ranks of Democrats.

Labor Commissioner O. P. Hoff was in the city Saturday afternoon and discovered an error in the official ballot for Clackamas county that explained away the fact that he is minus several hundred votes that he should

upon investigation that through somebody's error Mr. Richards had been placed on the Clackamas county ballot as a Democrat and not as a Socialist. Naturally he received the Democratic vote in Clackamas county, which is between 1,100 and 1,200, and also received the Socialist vote and a portion, at least, of the Prohibitionist vote.

As Mr. Hoff was re-elected labor commissioner by an overwhelming majority, the matter is of little moment, but he shudders to think what it might have been had the election been close and had he been defeated by a few hundred votes. In the latter instance the vote of Clackamas county would probably have been thrown out, but this would not have helped Mr. Hoff, as he carried the county over Mr. Richards by a majority of 1,213 votes and local attorneys, while not having given the matter close study, believe that the whole election would have been invalidated all over the whole state so far as labor commissioner was concerned.

### IN STRICT CONFIDENCE.

Women Obtain Mrs. Pinkham's Advice and Help.

She Has Guided Thousands to Health.—How Lydia E. Pinkham's Vegetable Compound Cured Mrs. Alice Berryhill.

It is a great satisfaction for a woman to feel that she can write to another telling her the most private and confidential details about her illness, and know that her letter will be seen by a woman only.

Many thousands of cases of female diseases come before Mrs. Pinkham every year, some personally, others by mail. Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham and for twenty-five years under her direction and since her decease she has been advising sick women free of charge.

Mrs. Pinkham never violates the confidence of women, and every testimonial letter published is done so with the written consent or request of the writer, in order that other sick women may be benefited as she has been.

Mrs. Alice Berryhill, of 313 Boyce Street, Chattanooga, Tenn., writes:

Dear Mrs. Pinkham:—

"Three years ago life looked dark to me. I had ulceration and inflammation of the female organs and was in a serious condition. My health was completely broken down and the doctor told me that if I was not operated upon I would die within six months. I told him I would have no operation but would try Lydia E. Pinkham's Vegetable Compound. He tried to influence me against it but I sent for the medicine that same day and began to use it faithfully. Within five days I felt relief but was not entirely cured until I used it for some time.

"Your medicine is certainly fine. I have induced several friends and neighbors to take it and I know more than a dozen who had female troubles and who to-day are as well and strong as I am from using your Vegetable Compound."

Just as surely as Mrs. Berryhill was cured, will Lydia E. Pinkham's Vegetable Compound cure every woman suffering from any form of female ills.

If you are sick write Mrs. Pinkham for advice. It is free and always helpful.
