TRIED AND NOT FOUND WANTING

Why Huntley Bros. Are Warranted in Recommending Dr. Davis' Prescription For Indigestion.

Because of the fact that so many so-called indigestion remedies prove disappointing we are frequently asked if Dr. Davis' Prescription, Pepsikola Tablets really will bring the relief expected.

If there were the least doubt in our mind and if we did not positively and absolutely know the real worth of this remedy, you yourself must know that we would not be warranted in recommending Pepsikola Tablets if they did not possess great merit.

As a usual thing we do not offer a dyspepsia remedy on our own personal guarantee, but unless Dr. Davis' Prescription relieves and cures your coated tongue, heart burn, dizzy spells, sour stomach, wind belching, sleeplessness, weakened energy and other symptoms of indigestion we will hand back your money cheerfully and without any argument.

Pepsikola Tablets are also a grand nerve tonic and no one should hesitate to try a 25 cent box as they will not cost you a penny should you fail to receive the benefit expected.

Treating Wrong Disease.

Many times women call on their family physician, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some urtic disease. The physician, ignorant of the cause of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native medicinal roots and is perfectly harmless in its effects in any condition of the system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, worn-out, "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unexcelled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorates the stomach, liver and bowels. One to three a dose. Easy to take as candy.

DROPSY

Do Your Ankles or Limbs Swell? Are Your Eyes Puffy? We are the Sole Agents for the Only Thing Known That Cures the Kidney Diseases that Cause Dropsy, viz: Fulton's Compound.

It is now well known that dropsy is not in itself a disease but is commonly a symptom of Bright's Disease or Diabetes. Hence, up to the discovery of the Fulton Compound, dropsy was incurable. It is now, however, curable in nearly nine tenths of all cases. Here is an interesting recovery, to which we refer by permission.

Mrs. Peter Goybenix of 228 Fillmore street, San Francisco, became alarmingly dropsical. Her physician had finally to tap her every few days. She was tapped nearly forty times and grew worse from day to day. The physician finally told her husband that she had Bright's Disease of the Kidneys, that it was in an advanced chronic state and beyond medical aid. Her heart also gave her the usual trouble and she was in such a serious condition the relatives were sent for. They put her on Fulton's Compound. It stayed on her stomach, the first thing that had done so for a week. The second week the dropsy declined a little and the improvement was then gradual until her recovery was complete. This case was examined into by representatives of the San Francisco Star and the Overland Monthly, and the genuineness of the case and the recovery were fully attested in their columns.

Mrs. Thomas Christol of 425 Twenty-seventh street, San Francisco, was also swollen with dropsy, as a result of chronic Bright's Disease, so more than seventy-five pounds beyond her normal weight, and had to be moved in sheets and was close to death's door although she had four physicians. She was put on the Fulton Compound. Three weeks showed improvement and in six months she was well, and permits this reference.

There is only one thing known that will cure the chronic kidney disease that is behind dropsy and that is Fulton's Compound. The Renal Compound for Bright's and Kidney diseases, \$1; for Diabetes, \$1.50. John J. Fulton Co., 429 Washington street, San Francisco, sole compounders. Send for pamphlet. We are the sole agents for this city.
