TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Secures Bear Hide—

Mrs. George Yale secured the handsome bear hide at C. G. Miller's gun store Saturday evening. The hide is valued at \$75. It was originally owned by George Rhodes, who killed the animal near Molalla last winter.

Death at Redland—

Mrs. Johanna Delninger, aged 41 years, died of Bright's disease, at her home at Redland, last Friday night. Besides a husband, she leaves four children. Funeral services were held at the late home Sunday and interment was had at the Redland cemetery.

Ramsby Names His Deputy—

County Recorder-elect Chauncey E. Ramsby has appointed L. E. Williams, of Tualatin, chief deputy in that department. Mr. Williams is aged 29 years and is the son of Eli Williams. He is a native Clackamas county boy. Miss Buchegger will remain in the office and operate the book-recording machine.

Mother Follows Husband and Son—

The remains of Mrs. S. A. Blackburn, who died at Portland Saturday, were interred Monday afternoon at Mountain View cemetery. Several years ago the husband was killed in a railroad accident in this city and but a few months ago a son was killed by an accident in a logging camp on the Lower Columbia.

Oregon Patents—

Granted this week. Reported by C. A. Snow & Co., Patent Attorneys, Washington, D. C.—John H. Landry, Moro, Hooper; Charles True, Sherwood, Hop-scotch. For copy of any of above patents send ten cents in postage stamps with date of this paper to C. A. Snow & Co., Washington, D. C.

Attempted Robbery—

An attempt was made late Saturday night to enter the residence of A. Mihaltsin. The house dog awakened members of the family, who upon investigation scared a man from the front porch where he was seeking to force an entrance. The would-be burglar wore a dark suit of clothes and a soft black hat.

Mrs. Jones Entertained—

At the St. Paul hotel a delightful party was given in honor of Miss Anna Williams, who was recently married to Mr. Jones, of Washington. The early departure of Mrs. Jones for her new home will be regretted by her many friends here. Those attending the party were: Mrs. C. J. Nelson, Mrs. Williams, Mrs. Weed, of Canby; Mrs. Grinstead and Miss Howard, of Canby; Misses Kuppenbender, Jackson and Zimmerman.

A FOOLISH PLAN

This joy to eat—I welcome my dinner hour; because I rout indigestion with August Flower!

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself. "I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."

What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills. August Flower gives new life to the liver and insures healthy stools.

For Stealing Bond Wire—

Joe Smith pleaded guilty in justice court Monday to charge of stealing bond wires from Oregon Water Power & Railway Company. He admitted selling his plunder for about \$30.00. Smith was sentenced to one year in the county jail, but the penalty was reduced to three months' imprisonment on condition that he leave the state at the expiration of his sentence. It is not believed that Smith is the true name of the man who came here recently from Salem.

Oregon Girls in the East—

Miss Mary Conyers, who has been studying voice in New York City during the winter, has gone to Norway, N. Y., to spend the summer with Mr. and Mrs. A. J. Lewthwaite. In the fall she will again take up her study with Mr. Paul Savage, whose studio is in Carnegie Hall. Miss Meta Finley, who has been with Miss Conyers, will remain in the city, where she has a position as stenographer with the Columbia Phonograph Co., on Broadway.

Honors for Oregon City Boy—

The following mention of an Oregon City boy appeared in a recent issue of the Salem Journal: "Odin Roberts, who played a clever game at shortstop on the High School team at the past season, was chosen captain of the High School baseball team at a recent meeting of the student body." Young Roberts has returned to Oregon City to spend the summer vacation, but will resume his studies at Salem next winter. He is not of the best amateur ball players of his age in the state, and is also a success at football.

Birthday Party—

Saturday afternoon, Mrs. A. W. Cheney entertained about a score of the young friends of her son, Orin, in honor of his eleventh birthday anniversary. The party was held on the lawn where with magic lantern and phonograph the little folks genuinely enjoyed themselves. Ice cream and cake were served, the tables being attractively arranged about the lawn. In entertaining Mrs. Cheney was assisted by Mesdames Howell, Diamond, U'Ren and Beharrel and the Misses: Pratt, Walden, Cochran, Babcock, Rishel and Reddick. Master Cheney received numerous gifts and well wishes for many returns of the happy anniversary.

At Ogle Mountain—

The Ogle Mountain Mining Company, in which many Oregon City people have stock, has employed H. Reed, a practical and experienced mining man, who is directing the operation of the company's stamp mill that was recently installed. During the month of May this stamp mill was operated almost continuously, a gold brick of satisfactory size and value being the product. In a letter to friends here, detailing the work at the mines, I. W. Rivers writes as follows: "The camp was somewhat surprised last Sunday over the appearance of two women miners, who with their husbands are doing assessment work on nearby claims. The faces of some of the boys brightened up like the sun after an eclipse, razors and clean shirts were the order of the day immediately. Some very good ore was encountered a few days ago and the assays are very encouraging. Twelve men are now employed at the mine or at the stamp mill, all of whom are hoping for good weather as it has been raining for the last six weeks."

Mrs. Dorcas Bolds—

Mrs. Dorcas Bolds, mother of Harvey E. Cross, secretary of the Willamette Valley Chautauqua Association, died of heart failure in the 73d year of her age, at the home of her son at Gladstone last Friday morning. The deceased was born in Illinois, October 30, 1833, and crossed the plains to Oregon City, in 1852, with her husband, Lorenzo Dow Cross, to whom she was married in her native state, during the preceding year. With her husband she settled on a D. L. C. at Canby where she lived until 1862 when they removed to Gladstone, where, with the exception of a few years spent at Molalla, Mrs. Bolds lived continuously until the time of her death. In 1873, she became the wife of Charles Bolds, who, with seven sons by the first husband and one son by the second marriage, survive her. The sons are: Caleb E., Harvey E., Wm. A., and Frank H. Cross, of this city; Thos. M. Cross, of Molalla; Elmer E. Cross, of Hebo, Tillamook county; Rev. U. Cross, of Meridan, Idaho; and Edward Bolds, of Coldfoot, Alaska. The deceased was a charter member of the first Baptist church of this city where funeral services were conducted by Rev. H. B. Robins at 9:30 o'clock Sunday morning. The remains were taken to Canby for interment.

Baseball at Chautauqua—

Secretary Cross has closed contracts with five amateur baseball teams that will participate in the tournament that is to be conducted in connection with the Chautauqua Assembly again this year. A game will be played daily, the schedule of games to be announced about July 5. The teams that have entered the tournament, together with the respective manager of each team, are as follows: The Portland Trunk Company, C. A. Partlow; Multnomah A. A. C., Raleigh P. Trimble; Northwest Gun & Bicycle Company, W. R. Heales, all of Portland; Vancouver, Arthur Pender; Chemawa Indian School, Edwin L. Chalcraft superintendent and manager.

ager. Ed. "Tribby" Rankin of Portland, has been selected as official umpire for the series.

Injured in Runaway—

In an exciting runaway on upper Seventh street Friday morning, Peter Bohlander, a farmer residing at Beaver Creek, and A. Hartson, of Montavilla, were thrown out of a wagon and very severely bruised, although not seriously injured. The team got beyond control shortly after leaving Molalla road and ran madly down the street. Nearing Jackson street, both Bohlander and Hartson were thrown out of the wagon, the former managing to retain hold of the reins, by which he directed the horses to the side of the street with the result that they collided with terrific force with an electric pole. So violently did the wagon strike the pole that the electric arc light that was suspended therefrom was broken into fragments and the pole was dislodged from place. Both of the men received severe bruises, but escaped without any broken bones. The team and wagon did not fare as well, one of the animals being badly hurt.

General Summary—

The rainfall during the week was very light, and ample sunshine prevailed, which caused much higher temperatures during the afternoons. The nights, however, continued cool and on Friday morning light frosts occurred in a number of the exposed localities in the eastern and southern portions of the State. In the Willamette valley Sunday was the warmest day of the season, and temperatures of ninety degrees or more were general. In the coast counties foggy nights were common, which were usually followed by clear afternoons. East of the Cascade Mountains the temperatures, although higher than the previous week, were slightly below the seasonal average. The prevailing winds were northwesterly and generally light, although on one or two days they were disagreeably high, without being in any way destructive.

CURED TO STAY CURED.

How an Oregon Citizen Found Complete Freedom from Kidney Troubles.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured. Doan's Kidney Pills make lasting cures. Oregon people testify. Here's one case of it: David Campbell, baker, at 221 North 17th St., and living at 170 North 18th St., Portland, Oregon, says: "Every word of the statement I made in February, 1903, concerning Doan's Kidney Pills is not only true but having since been free from kidney trouble, I am glad to state that my faith in Doan's Kidney Pills is stronger than ever. It is now five or six years since I began to suffer with a lame and aching back. It was so bad I could not stand the pain when bending forward or straightening. I tried various remedies and began doctors' treatment but whatever relief I found was only temporary, and often I could not get any relief at all. Having read in my home paper from England, that Doan's Kidney Pills were strongly recommended for such troubles I got a supply at a local drug store. The first box helped me so much that I kept on with the treatment, and when I had taken about four boxes not a trace of the trouble remained and I have had no recurrence since. I have told these facts in a testimonial published in 1903, and am very glad of the opportunity to corroborate it." Plenty more proof like this from Oregon City people. Call at Huntley Bros. drug store and ask what their customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

WILL BE NO BOXING MATCH.

It appears that the Estacada Fourth of July committee did not consult with the District Attorney's office when the programme for the Independence Day celebration to be held at that place was formulated. As a result there will be no boxing contest in connection with the celebration as planned. The District Attorney's office has warned the committee in charge of the Estacada demonstration that no attempt must be made to pull off an exhibition of the "manly art" on penalty of the arrest and prosecution of the principals and all abettors. While the boxing contest was not ad-

vertised on the large display posters for the Estacada celebration, the promoters of the affair quietly circulated the report that there would be something doing in connection with the celebration other than the firing of the usual explosives and the reading of the declaration of independence.

Portland and Oregon City sports were on the tip-toe of expectancy and were contemplating a flaic event that promised to be a cracker-jack. This contest was being manipulated by Jack O'Day, of Portland, but those backing this event were not sufficiently cautious and the news reached the office of the District Attorney and Mr. Allen's statement does not require any interpretation. Suffice it to say there will be no boxing exhibition at Estacada July 4.—Telegram.

INTERESTING LETTER

WRITTEN BY A NOTABLE WOMAN

Mrs. Sarah Kellogg of Denver, Color Bearer of the Woman's Relief Corps Sends Thanks to Mrs. Finkham.

Mrs. Sarah Kellogg

The following letter was written by Mrs. Kellogg, of 1628 Lincoln Ave., Denver, Col., to Mrs. Finkham, Lynn, Mass.: Dear Mrs. Finkham: "For five years I was troubled with a tumor, which kept growing, causing me intense agony and great mental depression. I was unable to attend to my house work, and life became a burden to me. I was confined for days to my bed, lost my appetite, my courage and all hope. "I could not bear to think of an operation, and in my distress I tried every remedy which I thought would be of any use to me, and reading of the value of Lydia E. Finkham's Vegetable Compound to sick women decided to give it a trial. I felt so discouraged that I had little hope of recovery, and when I began to feel better, after the second week, thought it only meant temporary relief; but to my great surprise I found that I kept gaining, while the tumor lessened in size. "The Compound continued to build up my general health and the tumor seemed to be absorbed, until, in seven months, the tumor was entirely gone and I a well woman. I am so thankful for my recovery that I ask you to publish my letter in newspapers, so other women may know of the wonderful curative powers of Lydia E. Finkham's Vegetable Compound."

When women are troubled with irregular or painful periods, weakness, displacement or ulceration of the female organs, that bearing-down feeling, inflammation, backache, flatulence, general debility, indigestion or nervous prostration, they should remember there is one tried and true remedy, Lydia E. Finkham's Vegetable Compound at once removes such troubles.

No other medicine in the world has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female ills.

Mrs. Finkham invites all sick women to write her for advice. She is daughter-in-law of Lydia E. Finkham and for twenty-five years under her direction and since her decease has been advising sick women free of charge. She has guided thousands to health. Address, Lynn, Mass.

Remember that it is Lydia E. Finkham's Vegetable Compound that is curing women, and don't allow any druggist to sell you anything else in its place.
