

ORIENTAL PEOPLE.

Grace of the Women and Chaste Drapery of the Men.

Passing us occasionally, going to Jerusalem with butter and eggs and little jars of leban that showed their thick, creamy throats as they were held up to us, were small companies of women in single file. As one blue procession went by the leader called to us: "Why should you ride and we walk? Why is your lot better than ours?" Given the opportunity for leisurely argument, we could not by any philosophy have made satisfactory answer. We could only admit the fact as they saw it and recognize the universal world plaint of discontent.

They carry themselves, these women, like figures on an antique frieze. As they stride along, holding in sure balance on their heads their jars and baskets of homely produce, they tread the stony paths with the grace and largeness of action that we of the occident have grown to regard as belonging only to the age of Praxiteles.

The men are also admirable in the simplicity of their gestures, the big lines of their attitudes, the swing of their draperies. I saw a youth fling his mantle over his shoulder and fold it about him exactly in the manner of the classic Greek sculptural in his finely unconscious pose. God save the day when these sons of Canaan clothe their limbs in our ungainly garments!—Metropolitan Magazine.

OPEN AIR TREATMENT.

Reasons For Its Good Results In Cases of Consumption.

The advantages of the open air treatment for consumptives may be thus briefly summarized: The patient exposed continuously to fresh air gains in appetite, assimilates his food better, sleeps more soundly and awakens more refreshed. Free exposure to air is the best antipyretic. Sweating at night, formerly so common a symptom, usually ceases. Colds are practically unknown among patients leading an open air life. Secondary infection, on account of the comparative freedom of the air from micro organisms, is much less likely to occur. Tolerance of outside air is very quickly established, and no one who has tried the open air life will willingly go back to the former conditions of stuffiness. I have never seen any one made worse by exposure to fresh air. Even during a thick London fog patients get on better lying in bed on a balcony or in rooms with windows wide open and a good fire burning than when attempts are made to shut out the fog by keeping the windows shut.—Dr. H. W. G. Mackenzie in London Lancet.

A Heavy Load to Carry.

Along with dyspepsia comes nervousness and general ill-health. Why? Because a disordered stomach does not permit the food to be properly digested, and its products assimilated by the system. The blood is charged with poisons which come from this disordered digestion, and in turn the nerves are not fed on good, red blood, and we see symptoms of nervousness, sleeplessness and general breakdown. It is not hard work, nor over physical exertion that does it, but poor stomach work. With poor, thin blood the body is not protected against the attack of germs of grip, bronchitis and consumption. Fortify the body at once with Dr. Pierce's Golden Medical Discovery—a rare combination of native medicinal roots without a particle of alcohol or dangerous habit-forming drugs.

A little book of extracts, from prominent medical authorities extolling every ingredient contained in Dr. Pierce's Golden Medical Discovery will be mailed free to any address on request by postal card or letter. Address Dr. R. V. Pierce, Buffalo, N. Y.

Many years of active practice convinced Dr. Pierce of the value of many native roots as medicinal agents, and he went to great expense, both in time and in money, to perfect his own peculiar processes for rendering them both efficient and safe for tonic, alterative and rebuilding agents.

The enormous popularity of "Golden Medical Discovery" is due both to its scientific compounding and to the actual medicinal value of its ingredients. The publication of the names of the ingredients on the wrapper of every bottle sold, gives full assurance of its non-alcoholic character and removes all objection to the use of an unknown or secret remedy. It is not a patent medicine nor a secret one either. This fact puts it in a class all by itself, bearing as it does upon every bottle wrapper the Badge of Honesty, in the full list of its ingredients.

The "Golden Medical Discovery" cures, weak stomach, indigestion, or dyspepsia, torpid liver and biliousness, ulceration of stomach and bowels and all catarrhal affections no matter what parts or organs may be affected with it. Dr. Pierce's Pleasant Pellets are the original little liver pills, first put up 40 years ago. They regulate and invigorate, stomach, liver and bowels. Much imitated but never equaled. Sugar-coated and easy to take as candy. One to three a dose.

Bright's Disease and Diabetes News.

Facts That Caused us to Take the Agency for the Fulton Compounds, the First Known Cure for Bright's Disease and Diabetes.

First, let it be distinctly understood that every one of the cases below had been diagnosed by one or more physicians as Bright's Disease or Diabetes and chronic and incurable; second, note the certainty of the results as shown by the recovery of the friends they told who were similarly afflicted.

N. W. Spaulding, President Spaulding Saw Co., San Francisco, had a recovery in his own family, and told several others who recovered. Adolph Weske, capitalist, San Francisco, recovered himself and told two friends who recovered.

Dr. Carl D. Zelle, pioneer druggist, 502 Pacific street, San Francisco, recovered himself and gave it to more than a dozen patients who recovered. Chas. Engelke, editor of the German paper, San Francisco, recovered himself and told it to a number who recovered, one of them being Charles F. Wacker, the Sixth street merchant.

R. M. Wood, editor Wine and Spirit Review, recovered himself and told it to several who recovered, among them being an old-school physician. Edward Short of the San Francisco Call recovered, also three of his friends, viz.: William Martin, Captain Harbor of the Howland and William Hawkins of the U. S. Quartermaster's Department, San Francisco.

John A. Phillips of the Hotel Knappton, San Francisco, and two of his friends. Mrs. M. Empey, 125 Steiner St., (also recommended it to several who recovered, one of them leaving the German Hospital to go to the treatment.)

And hundreds of others. Bright's Disease and Diabetes, heretofore incurable, are now positively curable and in nearly nine-tenths of all cases. Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root, pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
