

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 23, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes this pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up." We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but 50c. a bottle is no object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic would do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. 'It is worth its weight in gold.' Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."

Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

LET US GIVE YOU A 50c. BOTTLE.

This Coupon is good for a 50c. Bottle of Mull's Grape Tonic.

Fill out this coupon and send to the Lightning Medicine Co., 157 Third Ave., Rock Island, Ill., and you will receive a full size, 50c. bottle of Mull's Grape Tonic.

I have never taken Mull's Grape Tonic, but if you will supply me with a 50c. bottle free, I will take it as directed.

Name.....
Street No.....
City.....State.....
GIVE FULL ADDRESS AND WRITE PLAINLY.

If you are afflicted with constipation or any of its kindred diseases we will buy a 50-cent bottle for you of your druggist and give it to you to try. If you are constipated we know it will cure you. Surely if we have such confidence in our remedy as to pay for a bottle of it that you may test for yourself its wonderful curative qualities, you should not refuse to accept our offer.

Mull's Grape Tonic

Is the only cure for constipation known. We do not recommend it for anything but Constipation and its allied diseases. It is our free gift to you. In accepting this free bottle you do not obligate yourself further than to take its contents. Mull's Grape Tonic is pleasant to take and one bottle will benefit you. We want you to try it and, therefore, if you will fill out the attached coupon and mail it to us to-day we will instruct your druggist to give you a 50-cent bottle and charge same to us.

HOWELL & JONES, Reliable Druggists.

COUNTY COURT TWO OVERHEAD R. CROSSINGS PLANNED

PEN AND INK COPYING OF RECORDS IN RECORDER'S OFFICE MUST CEASE.

STEPS FROM BOTH FIFTH AND SIXTH STREETS—DANGER POINT SAFEGUARDED.

The county court met in adjourned session Wednesday. By order of the court, hereafter no person other than the Recorder or his deputies will be allowed to copy any record in his office by pen and ink. Careless persons dropping blots of ink and spilling the books, is the cause of the order.

The petition for a telephone franchise by Grider & Co. was granted, subject to restriction. The new bridge over Milk creek at Union Mills was accepted and contractor paid \$325 for same. Floor of old bridge ordered removed. The face of the tax on land in Secs. 27 and 28, 2-2, assessed to John Parsons, is accepted in full of all demands and penalty is remitted. The official bonds of H. W. Everhart as supervisor of road district No. 26, of F. W. Greenman as clerk of Clackamas county, and of justices of the peace and constables of the several districts, were approved. The appointment of E. Mass as special deputy sheriff, without salary, was confirmed; likewise that of Jessie Padlock as clerk in treasurer's office at salary of \$20 a month while at work in the office. Maud Woolfolk was allowed \$25 damages on lands on Kiser road. The claim for salary by the secretary of the county board of health was referred to district attorney of Sixth district for opinion.

A happy solution of the Sixth and Fifth streets steps question is promised as the outcome of a conference between city and Southern Pacific company officials. It is proposed to cross the railroad by overhead bridge placed half way between those streets, and with connecting approaches from each street to the bridge and steps from the bridge to both Fifth and Sixth streets on the bluff.

Another result of the conference is a proposition for an overhead crossing for teams at the foot of Singer hill at Tenth street, thus doing away with the very dangerous grade crossing now at that point.

The railroad company will have plans prepared for both these improvements and present same at the next meeting of the council.

Tuesday's conference was participated in by Chief Engineer Boschke, Superintendent L. R. Fields, Mr. Forgyce, bridge architect, and Resident Engineer Ballin, representing the Southern Pacific company; City Engineer H. A. Rands and Councilman E. P. Rands, chairman of the committee on streets and public property of the City Council.

Squaring the Account.

A practical joker of New York City tells this story upon himself, and declares that the experience cured him of his bad habit.

On my arrival at San Francisco, as a joke I sent a friend of mine at home, well known for his aversion to spending money, a telegram, with charges to collect, reading, "I am perfectly well."

The information was evidently gratifying to him, for about a week after sending the telegram an express package was delivered at my room, on which I paid \$4 charges. Upon opening the package I found a large New York paving stone, on which was a card, which said: "This is the weight your recent telegram lifted from my heart."

The Wells-Fargo Express company has a surplus on hand of \$20,000,000, which stockholders want distributed as dividends.

HIS HONOR'S FIRST MATRIMONIAL CASE.

Judge Dimick had his first experience, Wednesday, in making two souls happy by tying a matrimonial knot, when he married in his court room Hattie Frazier and Hy Henderson both of Multnomah county. The happy couple immediately repaired to a nearby liquid refreshment resort and celebrated the occasion.

THE RANDES GET BIG CONTRACT.

E. P. and H. A. Rands of this city, have been awarded the contract by the United States general land office for the resurvey of a portion of the south half of the Colville Indian reservation preliminary to its opening under the act of the last session of congress. The amount of the contract is \$10,735.

READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice, endorse and praise in the strongest possible terms, each and every ingredient entering into the make-up of Dr. Pierce's Golden Medical Discovery, the famous stomach tonic, liver invigorator, heart tonic and regulator and blood cleanser. This is also equally true of Dr. Pierce's Favorite Prescription, for the cure of all those weaknesses and distressing ailments peculiar to women.

No other medicines sold through druggists for domestic use, can show any such professional endorsement. Dr. Pierce's above mentioned remedies are non-alcoholic and non-secret, all their ingredients being printed on each bottle wrapper. They occupy a unique position and are BY A CLASS ALL BY THEMSELVES. They are neither secret nor patent medicines. They are powerful to cure but safe to use in any condition of the system, even for the most delicate women and children.

Pure, tripple refined glycerine, which is used instead of alcohol both for extracting and preserving the active medicinal principles from the roots of the several American forest plants entering into Dr. Pierce's medicines, is much superior to alcohol for these purposes, and is entirely free from the objectionable features inherent in alcohol, inasmuch as it produces only salutary influences upon the system, while alcohol, even in moderate portions, if long continued, as in the treatment of obstinate ailments, is very injurious and often becomes a craving for stimulants. Furthermore, glycerine itself is a most valuable curative agent instead of being a harmful habit-forming agent like alcohol. Its nutritive properties, Dr. Pierce and many others eminent in the profession believe, far surpass those of cod liver oil, entitling it to favorable consideration as a remedy in all cases of incipient consumption, especially when it is combined with the active medicinal principles extracted from Black Cherry-bark, Queen's root, Stone root, Golden Seal and Bloodroot, as in "Golden Medical Discovery."

Besides its superior nutritive properties, glycerine is a very valuable demulcent and thereby greatly enhances the remedial action of all the foregoing roots in the cure of severe coughs, bronchial, throat, laryngeal and other kindred affections of the air-passages and lungs. In all "wasting diseases," where there is loss of flesh and gradual "running down" of the system, the glycerine certainly plays an important part in lessening the breaking down and wasting of flesh, and in promoting assimilation and increase of bodily strength and weight. It is a powerful reconstructive agent in all cases of impaired vitality and especially valuable when associated and combined with such superior alteratives and tonics as in "Golden Medical Discovery" and "Favorite Prescription." Its wonderful solvent properties also play an important part in the cure of gall stones and severe constipation.

Glycerine is also one of the very best antiferments and as such counteracts the excessive fermentation of foods in the stomach, present in most cases of indigestion or dyspepsia. Thus the pain, belching of noxious gas, bloating and other disagreeable symptoms are overcome and the Stone root, Golden Seal root, Bloodroot and other ingredients of "Golden Medical Discovery" are greatly assisted in their action in completing a cure.

As will be seen from the writings of Drs. Bowditch, King, Scudder, Hale, Wood, Hare, Johnson, Coe, Ellingwood and other high authorities, as contained in the little book mentioned below, these agents can confidently be depended upon for the most positive, curative action in all atonic, or weak, states of the stomach, accompanied with distressing indigestion or dyspepsia and kindred resultant affec-

tions of the liver, kidneys and other associated organs. Read from the writings of the authorities above quoted, under the headings of Golden Seal root, Stone root, Black Cherry-bark, Bloodroot, Queen's root and Mandrake root, in a little book of extracts, compiled by Dr. R. V. Pierce, and which will be sent you free on request addressed to the Doctor, at Buffalo, N. Y., and you will learn that all these ingredients are recommended as remedies for indigestion or dyspepsia and "liver complaint," as well as for the cure of all catarrhal affections wherever located, also for the cure of lingering coughs, arising from bronchial throat and lung affections. All are ingredients of "Golden Medical Discovery," combined in such proportions that each enhances the curative action of all the others.

The "Discovery" must not be expected to produce miracles. While it is especially suited for the cure of all chronic, lingering coughs that are curable, it is not so effective in acute colds and coughs unless slippery elm mucilage, flaxseed tea, solution of gum arabic, or other mucilaginous demulcent be drank freely in connection with its use. Nor must the "Golden Medical Discovery" be expected to cure consumption in its advanced stages. In its early stages it will stay its progress and often effect a cure if its use be persisted in for a reasonable length of time. Send for the little book noted above and learn what those most eminent in the medical profession say of the ingredients out of which Dr. Pierce's medicines are made and thereby learn why they cure obstinate diseases.

By reading some of the extracts from eminent authorities contained in the little booklet mentioned above, treating of the several ingredients entering into "Golden Medical Discovery," it will be readily understood why this famous medicine cures obstinate kidney and bladder affections, chronic diarrhoea, all catarrhal affections, no matter in what part of the system existing. By reason of the Stone root, and Golden Seal root contained in it, it is a most effective curative in valvular and other affections of the heart, as you will understand from the writings of Drs. Paine, Hale, Ellingwood and others, concerning Stone root, Golden Seal root and Black Cherry-bark which are to be found in the little booklet above mentioned.

Doctor Pierce's Pleasant Pellets cure biliousness, sick and bilious headache, dizziness, constipation or constipation of the bowels, loss of appetite, coated tongue, sour stomach, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. Put up in glass vials, lightly corked, therefore always fresh and reliable. One little "Pellet" is a laxative, two are cathartic. They regulate, invigorate and cleanse the liver, stomach and bowels.

A good medical book, written in plain English, and free from technical terms is a valuable work for frequent consultation. Such a work is Dr. Pierce's Common Sense Medical Advice. It's a little book of 1008 pages, profusely illustrated. It is given away now although formerly sold in cloth binding for \$1.50. Send 21 cents, in one-cent stamps, to pay for cost of mailing only for paper-covered copy, addressing Dr. R. V. Pierce, Buffalo, N. Y., or 2 cents for an elegantly cloth-bound copy.

CARUS LOCAL ITEMS.

The weather has been quite warm the past two weeks. Most everybody in our vicinity is laid up with colds.

A number from here attended the celebration at Wright's Springs and reported a fairly good time.

Emerson Spatz is working for Jones & Kahlfelisch.

Elmer Cooper and daughter, of Oregon City, called on his father, R. M. Cooper, one day last week.

The measles have at last reached here. Ada and Bernice Gregory have them now.

Dora Burgess, who has been working for Mrs. Williams in Oregon City, returned to her home here last week.

Mrs. Lewis spent a few days in Portland last week.

Sarah Edwards, of Portland, is visiting with friends here.

The dance at Will I. Jones' Saturday night was a grand success, even if they didn't get to dance before eleven o'clock.

Mrs. D. Spatz and family spent Monday with her sister, Mrs. E. Jones.

Mr. and Mrs. Chester Inskeep of Portland, are visiting with his parents.

Mr. and Mrs. C. Spangler, went to New Era Sunday.

R. Howard is working for Fred Schaffer again.

Stanley Gregory fell from a fence and broke his arm one day last week.

Dora and Lizzie Burgess spent Wednesday afternoon with Thena Howard and cousin.

NOTES FROM CLARKES.

Will McIntyre spent a few days visiting F. Sagar and family.

E. B. Stark is on the sick list.

Will Wallace spent Sunday at home.

Dix Brothers are running a small store and will treat all customers well.

Bob Bullard and George Anderson spent Sunday at Mr. Wallace's.

Mrs. Lotta Cummins attended the dance at Mr. Clark's Saturday evening.

Louis Wallace is working for R. Bullard.

RUSSELLVILLE RUSTLINGS.

Haying is the order of the day. The crop is fine, the weather good and the farmers are rejoicing. The old cow and horse can laugh next winter when the snow comes.

Mrs. Wales Bursela is quite ill.

John Shepard's two nephews, who have been visiting him, will soon return to their home in eastern Oregon.

N. A. Flinn has gone to Sandy, Oregon, to visit friends and relatives. He will return in a few days.

O. Poulson has gone to Portland to work with his team.

SPRINGWATER NOTES.

Hot weather; fine for haying, and the farmers are availing themselves of it. Crops growing nicely.

The people of this vicinity celebrated the Fourth at Estacada. Over 4000 people were in attendance and there would have been more if the cars had not given out.

Geo. C. Brownell delivered the oration and made one of his characteristic talks. Everything went off nicely with a few exceptions. One of the marching teams ran away.

Mr. Cooper and Mr. Wilcox got quite badly bruised; Hucksley and Tracy had a little scrap; Foster got enough whiskey to despoil his equilibrium and fell down and smashed his nose.

Two or three went to the lock-up. Miss Linda Woomer was Goddess of Liberty.

Albert Smith and Geo. Haden were up from Astoria to celebrate.

Mr. and Mrs. Steaverson from Portland, have been in Springwater taking an outing.

Henry Comer is having a barn-raising under the management of Earl Shibley.

Lots of berries now. Measles in Springwater.

Mrs. Estella Bard is ill from poison oak.

Charles Folsom, of Washington, has bought A. Stacy's farm, for which he paid \$10,000.

A. M. Shibley has some cheap lands for home-seekers.

The R. F. D. is going all right from Springwater via Logan, Viola, Highland and back to Springwater.

NEWS FROM VIOLA.

John Mattoon has returned to the Cascade Locks.

Farmers are having a difficult time to find sufficient help to rush their hay harvest.

The people of Viola are anxiously waiting the completion of the crushed rock project on the Viola hill.

James Sevier is logging for Bonney & Miller.

Rev. Patton and wife visited old friends at Forest Grove on July 4th. Mr. Patton's nine months old baby secured the silver cup at the Washington county baby show.

The inhabitants of Viola were aroused about 2 o'clock Friday morning by the fierce barking of a lot of dogs in the suburbs. A. L. Copeland rushed out to make an investigation and found a black bear practicing a fistic encounter with the curs. Several shots were fired at the infuriated animal, but Mr. Bruhl boldly rushed through town and again disappeared in the woods.

MOUNTAIN VIEW.

Mrs. Good, of Salem, is visiting her daughter, Mrs. Smalley.

Mrs. McGeehan and the children have gone to Gladstone and are camping during the Chautauqua. Mr. McGeehan is camping at home and living alone.

Mr. and Mrs. Lewellen and Mrs. Fairclough attended Chautauqua Wednesday and remained for the evening to hear Mrs. Gielow's address.

Mr. Malloy is slowly recovering from his illness.

A boot and shoe repair shop is opened in the May building by Mr. Bradley.

Ed Selby and the two older boys returned to the camp in Washington last Sunday morning.

Mrs. Hall, Miss Pearl Currins and Geo. Everhart went to Portland and attended the opening of the musical season at the city park.

Mrs. McJude and children visited Mrs. Fred Currins this week.

Mrs. Matchett went to Portland Sunday and spent the day with her old Indiana friends.

Mrs. Gillette and Mrs. Allen drove to Molalla Wednesday to attend Grange.

Mrs. Smalley and her mother went to Portland Wednesday.

SAVED HIS COMRADE'S LIFE.

"While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition," says Mr. J. E. Houghland, of Eldon, Iowa. "I gave him Chamberlain Colic, Cholera and Diarrhoea Remedy and believe saved his life. I have been engaged for ten years in immigration work and conducted many parties to the south and west. I always carry this remedy and have used it successfully on many occasions." Sold by Howell & Jones.

OREGON CITY MARKET REPORT.

(Corrected Weekly.)
Wheat—No. 1, 67@73c per bu.
Flour—Valley, \$4.25 per bbl. Hard wheat \$4.90, Portland, \$4.10 per sack.
Howard's Best, \$1.25 per sack.

THE S. P. HEADING FOR KLAMATH FALLS

SURVEYORS FIND EASY GRADES EAST OF THE CASCADES—RECLAMATION PROGRESS.

Klamath Falls, Or., July 8.—Surveyors of the Oregon Eastern Railroad have reached Nayloox, 124 miles north of Klamath Falls, on the east side of Upper Klamath Lake and it is expected that the survey will be finished to this point within the next week or ten days. While the camp is established near Nayloox, it is reported that work is still being done north of that point. Little is known of the detail gained by the survey, except that very favorable grades have been found all of the way south from Walker's Range, where the route finds its outlet to the plains region of Central Oregon after the somewhat difficult ascent of the Cascades from Natron. Surveys of the line will connect at Klamath Falls with the established line for the California Northeastern, the road building from Weed to this point and which will be completed by October.

With completion of the Oregon Eastern the Harriman system will have the advantage of a route around the most expensive and difficult portions of the present main line, and the influence of this connection is certain to be very great in the making of an important railroad, commercial and distributing points here.

Advices from reclamation engineers in charge of work in the Klamath country show that progress on the big canal is very satisfactory; also that many inquiries are being made about lands to come under the project, and indications are that the many settlers who have already signified their intention to locate will be followed by many others with the completion of the big undertaking.

Washington, July 7.—The Secretary of the Interior has granted authority to the Reclamation Service to construct 15 miles of canal and 27 miles of laterals in connection with the Klamath irrigation project, and to employ the force required to carry the work vigorously to completion, in order that this distributing system may be ready for use when the main canal now under construction, is completed.

TWENTY YEAR BATTLE.

"I was loser in a twenty-year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. M. Bruce, of Farmville, Va. Best for old Ulcers, Cuts, Burns and Wounds. 25c at Howell & Jones' drug store.

A Judicial Mistake.

The judge was in a hurry to get away from the halls of justice, having an important social engagement. But two cases remained, and he told the court officers to hurry.

Immediately a man was hurried into the witness box.

"What is your name?" queried the prosecuting attorney.

"I decline to answer," replied the witness.

"What's that!" shouted the impatient judge. "That is contempt of court, and I remand you to jail for thirty days."

"Your honor," said the attorney, "there appears to be a mistake somewhere. This is Mr. Dodgers, head of the Regular Oil Trust, and—"

"O, I beg your pardon," said the judge. "I thought this was that strike case and the witness one of the men arrested for violating my injunction. The witness is excused."
