Sale Lasts

But Ten Days

\$18,000.00 Worth of Men's Boys' and Youths' Clothing, Furnishings, Hats and Shoes

to be disposed of. To do this prices must be so cheap that it leaves no room to doubt their genuineness. No ordinary price-cutting will prevail at this time, or bring the desired results demanded in the above quoted orders. The people of Oregon City can prepare themselves for some surprisingly big bargains, and all are invited to participate in this, no ordinary event. The stock will be arranged to expedite quick selling, and an efficient corps of sales people will be in attendance.

IT WILL BE WELL TO BEAR IN MIND--That this is a stock composed of wearables suited for all seasons. While your present wants may be for now, the sale includes goods for future as well as for the present. Anticipating your needs, you can save much more than retailers' profits on purchases for use in the coming seasons.

A Nicely Arranged Price List Will Be Left at Your Door Shortly.

PHONES IN NEARLY ALL LOGAN HOMES

OR WILL BE AS SOON AS THE BOXES ARRIVE—IDEAL DAIRY COUNTRY.

Logan, July 11.—Many went to Estacada the 4th, then attended the ball at Logan in the evening. The ball was a success and all had a pleasant time. It will not be long before the "hello" call will be heard in nearly all the homes here. Mr. Brock puts in phones as fast as he gets them, but it seems almost impossible to get freight over the railroads now. Some are impatient because his or her phone isn't put right in. As soon as they arrive they will be put in. The Stone division is supplied as far as W. Kirchem's.

Haying is now on in this part of the county. Also Chautauqua, and if the two don't bring rain it will be a mystery. The creamery is running at full capacity, and a little more so part of the time. It is necessary to churn three times some days. If the dry weather continues it will relieve congestion somewhat. This is an ideal dairy country and farmers are just beginning to realize the fact.

Henry Swales and bride are sojourning here for the present. M. H. Riebhuff's new cottage is nearing completion and adds much to the appearance of Prospect Point.

F. Hutchings also has a large new barn ready for the shingles. Walter Sheppard's familiar face is seen once more in Stone.

Saturday was Grange day at Logan and there was the smallest attendance of the season, only 25 being reported present. Farmers have to "make hay while the sun shines" and as most of them were at it, they could not attend.

Rev. Lewis preached in the Ravenswood church Sunday evening. Mrs. J. Boss visited her parents in Portland, Sunday.

Mr. and Mrs. Whipple, of Dakota, are visiting at A. H. Partch's. Miss Evaline Newkirk is staying with Mrs. Jno. Hughes, of Redland, this summer.

UNION HALL ITEMS.

People here are very busy getting in their hay. Mrs. Irvin Norton and two children are visiting Richard Dundas, near New Era. Mrs. Norton and children will visit her father and mother in the near future. Her folks live on the Coast near Nestucca bay.

Mrs. Jane Parker visited Mr. and Mrs. T. J. Grimes Sunday. John Molzen's two daughters and their husbands were visiting him the Fourth.

Robert Vorpahl was mowing hay for Alvin Phelps. Irvin Wheeler has returned from eastern Oregon.

Perry Burns and wife were visiting at Grandma Knotts, Sunday. There was a new mail carrier through here Monday.

Calvin Parker has put in a telephone. Charles Pipka and two sons are getting out a lot of telephone poles.

Ernest Sturgis is hauling lumber to Aurora. Charles Thomas is hauling lumber for James Adkins.

BOWEL COMPLAINT IN CHILDREN
During the summer months children are subject to disorders of the bowels which should receive careful attention as soon as the first unnatural looseness of the bowels appears. The best medicine in use for bowel complaint is Chamberlain's Colic, Cholera and Diarrhoea Remedy, which promptly controls any unnatural looseness of the bowels. For sale by Howell & Jones.

SUNNYSIDE AND ROCK CREEK.

The picnic at Sunnyside on the Fourth, was a very pleasant affair and there was a large attendance. A bounteous lunch was spread and all partook with relish. The programme was a success also. A violin, cornet and organ were on the ground and all enjoyed the music. About fourteen gallons of ice cream were sold. Otto Smith had a stand there too. Some people came from Portland and some from Arieta, besides the neighborhood gathering.

People are very busy with their hay. The Sunday school at Rock Creek will have no meeting for two weeks on account of Chautauqua.

Mr. Rodlun is having some new machinery put into his mill. George and E. Harvey and families were at George Deardorff's on the Fourth. Now Mrs. Hennis is visiting there.

I am glad to say Mrs. Geo. Johnson is feeling better and hope she may soon recover.

Mrs. Eff Hunter and Lydia, also Mrs. Emma Welch were at Mrs. J. E. Deardorff's Saturday eating ice cream, and the day being so warm, it was enjoyed very much.

ABRAHAM LINCOLN

was a man who, against all odds, attained the highest honor a man could get in the United States. Ballard's Household Syrup has attained a place never equalled by any other like remedy. It is a sure cure for Coughs, Colds, Bronchitis, Influenza and all Pulmonary diseases. Every mother should keep supplied with this wonderful cough medicine. Sold by Huntley Bros. Drug Co.

HAY IS CARED FOR; GRAIN YELLOWING

CLEARING WEATHER RECALLS HURRY CALL FOR MEN IN HAY FIELDS AT STAFFORD.

Stafford, July 11.—There was a "hurry call" for men in the hay fields, but the clouds have "rolled by," and the hay is being rapidly cared for. Some farmers are nearly through. Grain is beginning to change color. Ah! Stafford is the land to live in.

Mr. Waehlte's daughter and husband, with their little girl, came on Friday to make a visit. They are from near Eugene.

A little girl of Charlie Wagner's is very sick with the dread disease diphtheria.

Mr. Nimic's unluck day is Monday. On that day a load of hay tipped over; then a pulle to the hay broke, and with minor mishaps the hours were filled.

Rev. Waehlte has his hay all secured on his 20-acre farm recently bought of Mr. Chawder.

Mr. Pomperine began the building of his hop-house on Monday. Gus Gebhardt is architect and builder.

Mr. Bornaas has another son. His wife and two children recently came up from Dunsmuir.

YOUR LIVER

is out of order. You go to bed in a bad humor and get up with a bad taste in your mouth. You want something to stimulate your liver. Just try Herbine, the liver regulator. A positive cure for Constipation, Dyspepsia and all liver complaints. Mrs. F.—T. L. Worth, Texas, writes: "Have used Herbine in my family for years. Words can't express what I think about it. Everybody in my household are happy and well and we owe it to Herbine. Sold by Huntley Bros. Drug Co."
