

Constipated All His Life.

MR. and MRS. WILBERT THOMPSON,
801 Main St., Peoria, Ill.
MULL'S GRAPE TONIC CURED HIM.

Wilbert Thompson never knew a well day until last June—he had been constipated all his life—many doctors treated him, but all failed to even help him—his health failed rapidly and on January 21, 1903, Mrs. Thompson asked us to suggest a treatment for her husband—We thought the case too serious and recommended that a specialist be consulted—but he also failed to help the patient—NOW HE IS WELL.

Mull's Grape Tonic Cured Him

Mrs. Thompson first wrote us as follows: "My husband, aged 21, suffers from sharp pains in his stomach and sometimes thinks it is his heart. Let me know by return mail what causes the pain, if you can. Mr. Thompson has been treated by several doctors, but they have given him up."
We promptly advised that a first-class specialist be consulted. We quote: "We want to sell Mull's Grape Tonic, because we know it will cure constipation, but we do not object to us when a human life is at stake, and if your husband's case is as serious as you state, we suggest you consult a reliable specialist, not the advertising kind, promptly." At the same time, knowing that Mull's Grape Tonic could do no harm, we advised its use until a physician could be consulted. January 25 Mrs. Thompson wrote that a physician had been consulted. He diagnosed the case as being chronic constipation and dyspepsia. His treatment was followed faithfully, but there was no perceptible improvement in Mr. Thompson's health. Then he began taking Mull's Grape Tonic and on Sept. 3, 1903, we received the following letter from Mrs. Thompson:

"You will remember that I wrote to you last January in regard to my husband's health. It is four months since he quit taking Mull's Grape Tonic for constipation, which he suffered from since birth. He took just 24 bottles of it and is perfectly cured. He is much stronger and has gained considerably in flesh. I cannot thank you enough for Mull's Grape Tonic. It is worth its weight in gold. Just \$12 cured him and he has spent hundreds of dollars with doctors who did him no good. Now I want to state my case to you and expect your early reply. I also have constipation, have had for three years. Kindly let me know as I am sure it will cure me if you say it will, as it did all you claimed it would in my husband's case. I await an early reply."
Very respectfully yours, MRS. W. H. THOMPSON, 801 Main St., Peoria, Ill.

SUNNYSIDE AND ROCK CREEK

Farmers are very busy with hay and grain work. Hands are scarce. Mr. Stoll has been looking for some, but has not got any yet. They had to leave the hay and go to cutting their grain. Mr. Stoll has a sore hand and is unable to do much himself. Joe Miady had a runaway the fore part of the week, but did no great damage—ran for about a mile and was stopped by one of the neighbors. Girls seem to be scarce as well as men. George Johnson has been on the lookout for one for more than a week, but has found none yet. Mrs. Johnson is improving slowly. Mrs. Bertha Deardorff has a supply of Mothers' Salve, also Witch Hazel Jelly on hand. Salve for colds and catarrh and all sores and boils is an excellent remedy. Witch Hazel Jelly for the complexion. Call and try a package and be convinced of its superior qualities, only 25c a package. Albert Deardorff and family have come back to Happy Hollow from California, where they have lived for several years.

MASHED TO DEATH BY HEAVY WAGON

YOUNG MAN FALLS UNDER LOAD OF HAY WHILE HORSES RUN AWAY.

John Kapperman was crushed to death, Thursday of last week, under the wheels of a hay wagon in the vicinity of Pete's mountain near Willamette. Kapperman was working for William Heilberg, who had just purchased a new wagon, upon which he had placed a rick for hauling hay. The wagon was loaded in the field and Kapperman started to drive the team to the barn. He was driving down a hill when the load shifted forward. Kapperman tried in vain to stop the horses, but the animals had become excited and ran down the hill and the driver slid off the forward end of the load and landed right under the feet of the horses. Both wheels of the wagon passed over his body, and the weight of the load crushed out his life. He lingered only a few hours.

Kapperman was engaged to marry a daughter of his employer, and had intended to lead Miss Heilberg to the altar next month. The young lady is completely prostrated over the untimely death of her betrothed.

Funeral services were conducted at Holman's undertaking parlors in this city Friday, conducted by Rev. J. F. Doescher, of Shubel. The remains were forwarded to Davenport, Neb., where the parents of the deceased reside.

SAVED HIS COMRADE'S LIFE.

"While returning from the Grand Army Encampment at Washington City, a comrade from Elgin, Ill., was taken with cholera morbus and was in a critical condition," says Mr. J. E. Houghland, of Eldon, Iowa. "I gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy and believe saved his life. I have been engaged for ten years in immigration work and conducted many parties to the south and west. I always carry this remedy and have used it successfully on many occasions." There was only one hot day in the coast counties, but elsewhere maximum temperatures of over 90 degrees were common and in a few localities maximum temperatures of over one hundred degrees occurred.
