### Woman's Trials.

The bitter trail in a woman's life is to be childless. Who can tell how hard the struggle may have been ere she learnt to resign herself to her lonely let? The absence of this link to bind marital life together, the absence of this one pledge to mutual affection is a common disappointment. Many unfortunate couples become estranged thereby. Even if they do not drift apart, one may read the whole extent of their disappointment in the eyes

of such a childless couple when they rest on the children of others. To them the largest family does not seem too numerous. In many cases of barrenness or child-lessness the obstacle to child-bearing is easily removed by the cure of weakness on the part of the woman. Dr. Pierce's Favorite Prescription has been the means of restoring health and fruitfulness to many a barren woman, to the great joy of the household. In other, but rare cases, the obstruction to the bearing of children has been found to be of a surgical character. but easily removable by painless operative treatment at the Invalids' Hotel and Sur-gical Institute, Buffalo, N. Y., over which Dr. Pierce of the 'Favorite Prescription' fame presides. In all cases where children are desired and are absent, an effort should be made to find out the real cause, paid, and since it is generally so easily removed by

er treatment. In all the various weaknesses, displace nts, prolapsus, inflammation and debilitating, catarrhal drains and in all cases of nervousness and debility, Dr. Pierce's Favorise Prescription is the most efficient remedy that can possibly be used of cures -more in fact than any other remedy put up for sale through druggists, especially for woman's use. The ingrediespecially for woman's use. The ingredi-ents of which the "Favorite Prescription" is composed have received the most positive endorsement from the leading medical writers on Materia Medica of all the several schools of practice. All the ingredients are printed in plain English on the wrapper enclosing the bottle, so that any woman making use of this famous medicine may know exactly what she is taking. Dr. Pierce takes his patients into his full confidence, which he can afford to do as the formula after which the "Favorite Prescription" is which the "Favorite Prescription" is made will bear the most careful exam-

> itself a disease but is commonly a symptom of the plaintiff will apply to the Court for incurable. It is now, however, curable in nearly dissolving the bonds of matrimony now ber 7, 1906. nine tenths of all cases. Here is an interesting and heretofore existing between you recovery, to which we refer by permission.

Mrs. Peter Goyheneix of 508 Fillmore street, grew worse from day to day. The physician her consent. finally told her husband that she had Bright's Disease of the Kidneys, that it was in an advanced chronic state and beyond medical aid. Her heart also gave her the usual trouble and ahe was in such a serious condition the relatives were sent for. They put her on Fulton's Compound. It stayed on her stomach, the first thing that had done so for a week. The second week the dropsy declined a little and the improvement was then gradual until her recovery was complete. This case was examined into by representatives of the San Francisco Star and the Overland Monthly, and the genuineness of the case and the recovery were fully attested in their columns.

of the case and the recovery were fully attested in their columns.

Mrs. Thomas Christol of 425 Twenty-seventh street, San Francisco, was also swollen with dropsy, as a result of chronic Bright's Disease, to more than seventy-five pounds beyond her normal weight, and had to be moved in sheets and was close to death's door although she had four physicians. She was put on the Fulton Compounds. Three weeks showed improvement and in any mornits she was well, and permits in six months she was well, and permits

this reference.
