Belle Gregory spent the day with Clara Schoenborn, Saturday.

Summer Diarrhoea in Children

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, pastor of the M. E. church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by Howell & Jones.

SPLENDID WHEAT NEAR UNION HALL

Union Hall, Aug. 14.—Monroe Irish, who lives on the Casto place, known as the Alpine farm, has some of the finest looking wheat in this part of the county—bright, clean straw and large, well filled heads.

Irvin Wheeler and Alvin Phelps called on John Burns, Sunday.

Sturgis brothers are still hauling lumber to Aurora.

Gene Burns is working in Portland. Threshing and baling hay are still going on in this vicinity.

John Thomas is doing some carpenter work for John Robins.

An old gentleman, who lives near Macksburg, was in this vicinity a few days ago, peddling soap and spoons. Mr. Grimes made a business trip to

Oregon City, one day last week.

Frank Hilton, who formerly lived here has bought a small ranch near Canby.

Too dry for a good crop of potatoes. I understand that wheat near Carus is turning out from 25 to 30 bushels per acre; oats, also, is fine.

Fred Baberg has been very ill but is reported some better.

Mr. and Mrs. Cramer have returned from a visit to their old home in Iowa.

Judd Kellen is getting out cedar posts on his ranch.

A Mystery Solved.

"How to keep off periodic attacks of biliousness and habitual constipation was a mystery that Dr. King's New Life Pills solved for me," writes John N. Pleasant, of Magnolia, Ind. The only pills that are guaranteed to give perfect satisfaction to everybody or money refunded. Only 25 cents at Howell & Jones' drug store.

LIGHT RAINS IN VALLEY.

General Summary by Weather Bureau for Week Ending Aug. 13.

The long spell of dry weather was broken by showers on Sunday and Monday, which were heaviest in the neighborhood of the Blue mountains. The rainfall in the Willamette valley was very light, and barely sufficient to lay the dust. Forest fires increased during the week, and the atmosphere in the west and north portions of the state became very smoky. The rains were not heavy enough to extinguish the fires, but they cleared the atmosphere of smoke and made it harder for the fires to spread. The mornings in the coast counties, as a rule, were either cloudy or foggy, and the afternoons were clear. Elsewhere up to the beginning of the rains fair weather prevailed, with unusually high temperatures. Friday and Saturday were very warm days, and in the interior of the state the maximum temperature ranged between ninety and one hundred degrees. The prevailing winds were northwesterly.

Don't Be Blue

and lose all interest when help is within reach. Herbine will make that liver perform its duties properly. J. B. Vaughn, Elba, Ala., writes: "Being a constant sufferer from constipation and a disordered liver, I have found Herbine to be the best medicine for these troubles, on the market. I have used it constantly. I believe it to be the best medicine of its kind, and I wish all sufferers from these troubles to know the good Herbine has done me." Huntley Bros. Drug Co.

The Doctors Send You

DEATH OF PIONEER WOMAN AT MARQUAM

Marquam, Aug. 11.—Mrs. Elizabeth Walk Adair was born July 14, 1827, in North Carolina. She was married to W. R. Adair, March 2, 1846, and died August 8, 1906, being 79 years, 29 days old. Four children were born to W. R. and Elizabeth Adair, only one of whom, Mrs. Thos. Killen, survives her mother. There are now living nine grandchildren and 14 great grandchildren. Mrs. Adair with her husband crossed the plains in 1852, and finally located in Marion county, Oregon. Mr. Adair died November 7, 1894, since which time she resided on the home farm near Miller cemetery in Marion county, four miles north of Silverton. She was a consistent Christian and for many years a member of the United Brethren church. Mrs. Adair died as she lived, with a strong faith and good hope in our Saviour and Lord.

Funeral services were held by the writer in the Miller church, attended by quite a number of relatives and friends. Her body was laid to rest by the side of her husband in the beautiful Miller cemetery, to await the resurrection morn.

HENRY SPIESS.

Children in Pain

never cry as do children who are suffering from hunger. Such is the cause of all baby's who cry and are treated for sickness, when they really are suffering from hunger. This is caused from their food not being assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Give it a trial. AN OREGON CITY PIONEER.

H. M. Knighton, an emigrant of 1845—one of those unfortunates who took S. H. L. Meek's cut-off and were lost, and suffered so much—took up the claim, on which the town of St. Helens now stands, says the Mist.

Mr. Knighton first settled in Oregon City, and kept a hotel there, in 1846. In that year he selected the claim above mentioned, but did not settle upon it until 1847. Mr. Knighton appears to have been an active, dashing and speculative, rather than a serious and careful business man. From the "Spectator," which began to be published about the time he came to Oregon, it is easy to gain an idea of his social and business character. He went to parties and gave parties. He advertised well whatever business he engaged in, and was what we call "a live man." His wife was a Miss Elizabeth Martin, daughter of a settler of that name in Yamhill county.

Knighton went to the present site of St. Helens, and after a strenuous twelve or fifteen years of endeavor to make that point the metropolis of the Oregon country, he failed in his business ventures, and took to steamboating, being employed for a time as captain of one of the boats of the P. T. Co. on the Willamette. Captain Knighton died at The Dalles in 1864, of typhoid fever.

DEEDS, NOT WORDS.

Oregon City People Have Absolute Proof of Deeds at Home.

"It's not words, but deeds that prove true merit.

The deeds of Doan's Kidney Pills, for Oregon City kidney sufferers, have made their local reputation. Proof lies in the testimony of Oregon City people who have been cured to stay cured.

William McClarty, tailor in the Court House Block, living at 16th and Washington streets, Oregon City, says: "I had persistent backache and pain throughout the loins that seemed to never let up, and the worst part of it was the annoyance I was caused at night, for I could not find a comfortable position or get any restful sleep on account of the continual aching. The result was I lost energy. I learned of Doan's Kidney Pills, curing others of similar trouble and I procured a box at Huntley Bros. drug store. By the time I had used half of one box there was so much improvement that it seemed almost unnecessary to take any more, but I finished the box to make sure of the beneficial results. I could then sleep the entire night, arise rested in the morning, and not a trace of the aching remained."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

The End of the World

of troubles that robbed E. H. Wolfe, of Bear Grove, Ia., of all usefulness, came when he began taking Electric Bitters. He writes: "Two years ago kidney trouble caused me great suffering, which I would never have survived had I not taken Electric Bitters. They also cured me of General Debility." Sure cure for all Stomach, Liver, and Kidney complaints, Blood Diseases, Headache, Dizziness and Weakness or bodily decline. Price 50c. Guaranteed by Howell & Jones, druggists.

Truths About Artificial Teeth

The great majority of dentists represent to their patients that a rubber plate with fourteen teeth set in a half circle is just as good as anything else for a set of artificial teeth.

Some make such representations knowing them to be false, others because they know no better.

The responsibility for this condition rests with the dental profession.

A great many people would not accept a rubber or celluloid plate if they only understood the superiority of a metal plate in cleanliness, healthfulness and durability.

We would like to talk with you about metal plates for artificial teeth.

MOLALLA WHEAT 25 OATS 50, ALSIKE 25

Fair Yields of Grain—About 200 Acres of Clover Hauling at South Molalla.

Molalla, Aug. 14.—Threshing is well along. Wheat is making 25 bushels, and oats 50 for maximum yield.

The first Alsike clover turned out 10 bushels seed per acre. Clover hauling has begun in earnest; there is about 200 acres to do south of Molalla.

Vick and Lewis are running their thresher on the prairie. Cole & Cole's outfit is at work in the vicinity of Macksburg; while Shaver is taking care of the Teasel creek neighborhood and Herman & Kayler are looking out for South Molalla, threshing both grain and clover.

Mrs. Gates returned to Oregon City Monday.

Milton Trullinger is still on the sick list.

F. C. Perry has gone to the Coast for two weeks.

L. W. Robbins and family have gone to Newport.

FARMERS' TELEPHONE LINES.

Representatives of the Pacific States Telephone & Telegraph company have started a house to house canvass among the farmers of this county, offering an extremely low rental rate for instruments to be used in connection with the central offices of the company throughout the county.

For 8 1-3 cents a month the subscriber is given free switching with all other subscribers connecting with his central exchange. Under this rate it would appear that no rural resident need be without a telephone and its attendant advantages, especially as every assurance is given of prompt and efficient service.

Mr. G. J. Hall is in charge of the canvass in this county and he states that he may be seen at the central office of the company in Oregon City, Oregon, or will visit any community or organization of farmers interested in telephone matters.

DOVER NEWS

The fine shower was welcomed by every one except those who had grain in the field.

Dr. C. H. Atwood was called to Dover Saturday to see Grandma Deshazer, who was very sick. Tuesday morning, she is resting well. He also called on Capt. Branson, who has not been well since coming to Dover.

STRAWBERRIES RIPE AT EAST MT SCOTT

East Mt. Scott, Aug. 14.—I think our editor gave us a broad title as to the news from this place last week, so I will have to thank him for his broad and deep thoughts.

Mrs. Clara Ulrich has gone to Damascus, to work for a short time.

An interesting young people's meeting was held Sunday night, Miss Hulda Becker being leader.

Grain here is all cut. Early potatoes are reported a good yield.

C. F. Zinser has just come in with a box of strawberries as nice as can be had any time of the season.

ACCIDENTS IN NORTH CLACKAMAS.

Estacada, Aug. 9.—Ralph Lemon had two fingers on his right hand cut off Tuesday. He was at work at Yocum's sawmill and got his hand in the planer. He was taken to town, the fingers amputated and the wound dressed.

Last Saturday at 10:30 while at work on a ladder H. M. Wing, of Currinsville, fell dislocating and fracturing his left limb at the knee joint. He was taken to a hospital in Portland, and owing to his age will be laid up for a month or two. Mr. Wing is the father-in-law of W. H. Stewart of Currinsville.—The News.

First Aid to Beauty.
