## DROPSY

Do Your Ankles or Limbs Swell? Are Your Eyes Puffy? We are the Sole Agents for the Only Thing Known That Cures the Kidney Diseases that Cause Dropsy, viz: Fulton's Compound.

It is now well known that dropsy is not in itself a disease but is commonly a symptom of Bright's Disease or Diabetes. Hence, up to the discovery of the Fulton Compound, dropsy was incurable. It is now, however, curable in nearly nine tenths of all cases. Here is an interesting recovery, to which we refer by permission.

Mrs. Peter Goyens of 628 Fillmore street, San Francisco, became alarmingly dropsical. Her physician had finally to tap her every few days. She was tapped nearly forty times and grew worse from day to day. The physician finally told her husband that she had Bright's Disease of the Kidneys, that it was in an advanced chronic state and beyond medical aid. Her heart also gave her the usual trouble and she was in such a serious condition that relatives were sent for. They put her on Fulton's Compound. It stayed on her stomach, the first thing that had done so for her. In the second week the dropsy declined a little and the improvement was then gradual until her recovery was complete. This case was examined into by representatives of the San Francisco Star and the Overland Monthly, and the genuineness of the case and the recovery were fully attested in their columns.

Mrs. Thomas Christ of 428 Twenty-seventh street, San Francisco, was also swollen with dropsy, as a result of chronic Bright's Disease, to more than seventy-five pounds beyond her normal weight, and had to be moved in sheets and was close to death's door although she had four physicians. She was put on the Fulton Compound. Three weeks showed improvement, and in six months she was well, and permits this reference.

There is only one thing known that will cure the chronic kidney disease that is behind dropsy and that is Fulton's Compound. The second Compound for Bright's and Kidney diseases, is for Diabetes, \$1.50. John J. Fulton Co., 409 Washington street, San Francisco, sole compounders. Send for pamphlet. ## DIED SUDDENLY OF HEART DISEASE.

How frequently does a head line similar to the above greet us in the newspapers. The rush, push and strenuousness of the American people has a strong tendency to lead up to valvular and other affections of the heart, attended by irregular action, palpitation, dizziness, smothered sensations and other distressing symptoms.

Three of the prominent ingredients of which Dr. Pierce's Golden Medical Discovery is made are recommended by some of the leading writers on *Materia Medica* for the cure of just such cases. Golden Seal root for instance, is said by the UNITED STATES DISPENSATORY, a standard authority, "to impart tone and increased power to the heart's action." Numerous other leading authorities represent Golden Seal as an unsurpassed tonic for the muscular system in general, and as the heart is almost wholly composed of muscular tissue, it naturally follows that it must be greatly strengthened by this superb, general tonic. But probably the most important ingredient of "Golden Medical Discovery," so far as its marvelous cures of valvular and other affections of the heart are concerned, is Stone root, or *Collinsonia Can.*, Prof. Wm. Paine, author of "Paine's Epitomy of Medicine," says of it: "I not long since had a patient who was so much oppressed with valvular disease of the heart that his friends were obliged to carry him up-stairs. He, however, gradually recovered under the influence of Collinsonia (medicinal principle extracted from Stone root), and is now attending to his business. Heretofore physicians knew of no remedy for the removal of so distressing and so dangerous a malady. With them it was all guess-work, and fearfully warned the afflicted that death was near at hand. Collinsonia unquestionably affords relief in such cases, and in most instances effects a cure."

Stone root is also recommended by Drs. Hale and Ellingwood, of Chicago, for valvular and other diseases of the heart. The latter says: "It is a heart tonic of direct and permanent influence." "Golden Medical Discovery," not only cures serious heart affections, but is a most efficient general tonic and invigorator, strengthening the stomach, invigorating the liver, regulating the bowels and curing catarrhal affections in all parts of the system.
