TERSELY-TOLD TALES OF THE WEEK'S DOINGS.

Buys Grocery Store—

T. B. Hayhurst, a former Oregon City boy, but who has been located at Portland the last year, has purchased the D. L. Wolverton grocery store formerly conducted by D. M. Klemsm and now stationed in the Schramm property near the postoffice.

Had Severe Fall—

While assisting in the remodeling of the Masonic building Saturday morning, a carpenter named Colvin, fell from a scaffolding, and sustained serious injuries. Besides a severe scalp wound, two ribs were broken in the fall, while for a time the man appeared to be seriously injured internally. He is slowly recovering.

To Theological Seminary—

William Hammond, who has been spending the summer with his parents, Rev. and Mrs. P. K. Hammond, in this city, left Wednesday for New York City to attend the General Theological Seminary, which will open on the 19th inst. In a two years' attendance at this institution, Mr. Hammond will complete his theological course.

Returns to College—

Kenneth Latourette, son of Mr. and Mrs. D. C. Latourette, who leaves on the 19th for the East where he will again attend Yale, conducted the morning services at the First Presbyterian church Sunday. The pastor, Rev. J. Robert Landsborough, who has been spending his vacation in the Dakotas, is expected to return in time to resume his services Sunday.

Will Hold Fire Drills—

Fire Chief McFarland has decided to hold a number of drills for the improvement of the volunteer fire department service. The first of these drills will be held this evening and will be participated in by the three downtown companies, the Cataracts, Fountains and Columbia Hook & Ladder company. The purpose of these drills will be to better acquaint the members of the different companies with the equipment of their respective fire-fighting apparatus and to facilitate the work of the department in fighting fire.

Clackamas at the Fair—

In addition to sending a large delegation of its citizens, Clackamas county is this year as usual, materially contributing to the success of the annual State Fair by entering considerable livestock and farm products in competition for the prizes that are offered. Among the exhibitors from this county are Schmidt Bros., of Carus, who have forwarded a carload of their fine cattle, including 25 head of sheep and a 2500-pound short horn bull. George Lazelle, of New Era, a prominent breeder of blooded stock, has also sent a carload of his choicest prize-winners. These exhibits are exclusive of the smaller entries that have been made by citizens of this county.

Schilling Wants An Inning—

Charging his former wife with making a fraudulent affidavit as to his whereabouts at the time, F. W. Schilling has filed a suit in the Circuit Court asking that the decree of the court, by which Verna Schilling was granted a divorce last June, be vacated and set aside. Schilling represents that the wife made affidavit that he was out of the state, and claims that he never learned of the suit, otherwise he would have made a defense to the suit. Schilling claims that instead of being out of the state, he was located at Ashland all the time. The plaintiff in the present suit is represented by J. B. Ryan, of Portland, and Hedges & Griffith of this city.

Court Pays Share—

Before adjourning Friday, the County Court audited bills to the amount of \$178.58 in one-half payment of claims presented to the estate of the late Sheriff John R. Shaver, who was killed while attempting the arrest of Smith, the desperado, at Woodburn, last April. These claims were for medical attendance and hospital fees exclusively and from the fact that the Sheriff lost his life while acting in an official capacity the court considered that it was only right that it should share in the payment of these bills. Warrants were therefore ordered drawn in payment of one-half of the following amounts, which were the bills as presented: Dr. Neil A. O'Leary

of Woodburn, \$35; Dr. W. H. Byrd, Salem, \$200; Salem Hospital, \$22.16; Drs. Sommer and Mount, Oregon City, \$100.

WAS A VERY SICK BOY.

But Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy we brought him out all right," says Maggie Hickox, of Midland, Mich. This remedy can be depended upon in the most severe cases. Even cholera infantum is cured by it. Follow the plain printed directions and a cure is certain. For sale by Howell & Jones.

THE GAME LAWS ARE BEING VIOLATED

Oregon City Sportsmen Favor Game Warden Appointed by Each County Court.

Pot hunters of Clackamas county were out in force in violation of the game laws yesterday and the popping of guns was heard all around the suburbs of Oregon City, reported the Journal correspondent Monday. The open season for upland birds does not commence until October 1, though ducks, geese and swan may be hunted between September 1 and February 1. It is not known whether or not hunters are ignorant of the game laws, but it is presumed that the local nimrods have been misinformed. The only exception to the general law is in Wasco county, where prairie chicken and quail may be hunted from August 1 to October 15.

There is a growing sentiment in this county among the sportsmen for an amendment to the game laws of the state, providing for the appointment of a game warden for each county. This official should be named by the county court. Attorney John F. Clark, who is one of the most ardent of the local sports, says that the control of the whole state by one game warden through numerous deputies had not been practicable, and that he favored remedial steps taken by the next legislature.

ARE YOU NUMBERED AMONG THE "108"

Look Up Your Marriage Certificate And See if You are Legally Married.

If you are not positive that you have been legally married, Clackamas county's married population had best consult their marriage certificates and see to it that the proper returns are made to the County Clerk's office.

The further the investigation of marriage records of this county is carried, the more careless and negligent appear the officiating magistrate or clergyman to have been in making out the proper certificate and returning the same to the office of the County Clerk as is by law required. Deputy County Clerk Sleight has just completed an examination of the marriage records of the county for the last 14 years, and finds that in that length of time 108 licenses to wed have been issued in this county on which the proper returns have not been made. Prior to 1892 there was not kept the complete record of marriages that is now required. Before the present recording system was adopted, only the certificates of the marriage were preserved for record so that it is impossible to ascertain how many licenses were issued previous to the date given on which the returns were not made.

During the last few years there were issued several licenses of this character to people well known in this city and county, on which the proper returns have never been made by the officiating clergyman. Among such are the following: Jessie Hoover and Frank Nehren, issued February 23, 1901; Julia E. Mitts and J. A. Noe, March 15, 1901, and Hattie L. Taylor and Marion P. White, June 29, 1901.

The Justice of the Peace or minister performing marriage ceremonies is liable to a fine for failing to promptly return the certificates to the County Clerk's office. The statute provides a fine of not less than \$10 nor more than \$50 for each five days after the 30 days following the marriage in which he is required to return the certificate, that he neglects or refuses to make the return. Since there are a number of instances in which the certificates of marriages performed ten or a dozen years ago have not yet been returned, several careless ministers and justices of the peace are liable to heavy fines.

WOMEN'S WOES.

Oregon City Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. E. Matchett, of Elyville, near Oregon City, Oregon, says: "Doan's Kidney Pills relieved me of so much misery and backache that I take pleasure in recommending them to others. I had backache so bad that I could not stoop or straighten up without suffering severely. At times depressing headaches and annoyances from the kidney secretions bothered me. I procured Doan's Kidney Pills at Huntley Bros.' drug store, and obtained relief from the first few doses and in a short time not an ache or other symptom remained. Doan's Kidney Pills are the best remedy of the kind I ever used, and I wish every sufferer from kidney complaint or backache could know of them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

TUMORS CONQUERED

SERIOUS OPERATIONS AVOIDED.

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in the Case of Mrs. Fannie D. Fox.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

The growth of a tumor is so slow that frequently its presence is not suspected until it is far advanced.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by profuse monthly periods, accompanied by unusual pain, from the abdomen through the groin and thighs.

If you have mysterious pains, if there are indications of inflammation or displacement, secure a bottle of Lydia E. Pinkham's Vegetable Compound right away and begin its use. Mrs. Pinkham, of Lynn, Mass., will give you her advice if you will write her about yourself. She is the daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge.

Dear Mrs. Pinkham:— "I take the liberty to congratulate you on the success I have had with your wonderful medicine. Eighteen months ago my periods stopped. Shortly after I felt so badly that I submitted to a thorough examination by a physician and was told that I had a tumor and would have to undergo an operation. "Soon after I read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed the tumor is entirely gone. I have been examined by a physician and he says I have no signs of a tumor now. It has also brought my periods around once more, and I am entirely well."—Fannie D. Fox, 7 Chestnut Street, Bradford, Pa.

CORNER STONE IS TAKEN FROM PLACE

Slightly Damaged Relics Will Be Preserved by Masonic Lodge.

The improvements that are being made to the Masonic building necessitated the removal of the corner-stone and in so doing the relic-box was also taken out. This receptacle for curios was found to be in a damaged state, the top of the box having collapsed, while the contents were more or less damaged by being water-soaked. The relics, which included a copy of the proceedings of the grand lodge, coins, currency, newspapers, etc., will be preserved by the lodge.

This building was erected in 1885, the corner-stone having been laid June 16, of that year, by Multnomah Lodge No. 1, A. F. & A. M., of this city, the oldest Masonic lodge on the Pacific Coast.

Huntley Bros. Tell of the Remarkable Success of Pepsikola Tablets in Relieving Indigestion.

After selling all kinds of remedies for dyspepsia and indigestion we can truthfully say that we never knew anything to give such universal satisfaction as Pepsikola Tablets. They not only aid digestion but they act as a grand nerve tonic as well. Many Oregon City people who have not enjoyed a good meal for years now say that after using one or two 25 cent boxes of these little tablets they feel as if they could eat a horse and digest it too. Huntley Bros. have been recommending this grand dyspepsia remedy for nearly two years now and from actual experience knows there is no other remedy so sure to relieve sour stomach, bad taste in the mouth, coated tongue, palpitation, sleeplessness, wind belching and other distressing symptoms of indigestion. And Pepsikola Tablets must cure you or there is nothing to pay. They will renew your energy, steady your nerves, regulate the action of your heart, improve your appetite, put new life in your stomach, and will do more to tone up and improve your general health than anything you ever heard of.
