

SUMNSIDE AND ROCK CREEK

Died, at his home in Sunnyside, Monday, September 17th, T. M. Sumner, aged 56 years. He had lived in this community for a good many years and was well respected. He leaves a widow and six children. Mr. Sumner had been a great sufferer for several years and was willing and glad to cross over the silent river. The family have the sympathy of the entire neighborhood. If It's A Reputation

you are after, White's Cream Vermifuge has a world wide reputation as the best of all worm destroyers, and for its tonic influence on weak and unthrifty children. It improves their digestion and assimilation of their food, strengthens their nervous system and restores them to health and vigor natural to a child. If you want a healthy, happy child get a bottle of White's Cream Vermifuge. Sold by Huntley Bros. Drug Co.

CLACKAMAS

Our little town is lively again, as many who went to the hop fields returned early on account of bad weather. Some are planning to go again for a few days further picking.

The fall term of school in this district began Monday the 17th.

Miss Simpson, recently from the East, is principal of our school, Miss Edna Armstrong is teacher of the primary grade. This is her fourth year in charge of this department of the school.

John Zeke, brother-in-law of John Robinson, spent Sunday in Clackamas.

The Ladies' Aid of the Congregational church will give an entertainment the last week in September.

An Ounce of Prevention

is worth a pound of cure. There are many poor sufferers, Consumptives who are hopeless of getting well, who, if they had taken care of themselves, would now be well. A cough is the foundation of consumption. Ballard's Horehound Syrup will cure that cough. Mrs. S. — Great Falls, Montana, writes: "I have used Ballard's Horehound Syrup in my family for years—my children never suffer with coughs." Sold by Huntley Bros. Drug Co.

HIGHLAND

Highland, Sept. 17.—Highland is certainly on top, so says Will Mink, whose modern threshing outfit made the biggest run in the Highland country during its threshing career, with over 2400 bushels of grain (wheat and oats) in a day. Who can beat that in this county? Hereafter threshers will show a willingness to come to Highland since there is money in it for them. G. R. Miller produced 520 bushels of oats from eight acres, being 65 bushels to the acre, a yield never before known in Highland. The threshing has a business side to it. It tells a tale of profit or loss and it often

tells the worthiness or unworthiness of the farmer.

James Parish of Elyville, an old pioneer, is here on his farm very ill with typhoid fever. As he is advanced in years it will take a long while to recover from its effects.

A Harrington, the only hop grower in Highland, will finish picking hops this week. His hops are good and so is his price for picking, at least that is the opinion of the small boys who are wearing a smile and are picking for Amos.

Highland congratulates itself upon the arrival and permanent location of A. Stormer, recently from Logan, who purchased the Hutchinson place.

Sept. 18.—Amos Harrington will finish picking hops today.

John and Harry Gard are down from the plains. They say our roads here are a disgrace to civilization, but I notice our fruit tastes good.

Bird Parrish is visiting his brother James, who is very ill.

Miss Nettie Miller has returned to Portland to attend the high school.

She baked fifty-four pies for threshers during her short stay at home.

Miss Blanche Miller went to Barton on the 17th to teach a term of school. She is an ambitious, self-made teacher, and we wish her much success.

John, Lon, and Evans Parrish are home attending to their father. Lawrence will remain on the place.

Geo. Stevens threshed 2000 bushels of grain this year, who can beat George in Highland?

Miss Cella Baker is quite ill.

Ed. Schmidt was visiting at R. Miller's Sunday and the passers-by were treated to some excellent music.

Mrs. Miller has a fine soprano voice.

WAS A VERY SICK BOY.

But Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy we brought him out all right," says Maggie Hickox, of Midland, Mich. This remedy can be depended upon in the most severe cases. Even cholera infantum is cured by it. Follow the plain printed directions and a cure is certain. For sale by Howell & Jones.

CARUS NEWS

The rain of last week damaged the prunes.

J. R. Lewis finished picking his hops Wednesday.

Mr. Hough has purchased a large stove for his prune drier.

STAFFORD

Stafford is again enjoying beautiful weather as Oregon alone can produce and we are enjoying pleasant drives on good roads free from dust.

Mrs. Grace Gottberg and two children are visiting friends in Stafford.

She was born in the place now owned by Mr. Keller and old neighbors are glad to greet her after a number of years absence.

We are sorry to hear of the serious illness of Mrs. J. L. Gage, of St. Helens.

There is something the matter with her side. It has troubled her more, or less for some years, but of late has rapidly grown worse. She is under the care of Dr. Tucker of Portland.

Mr. Nimick finds it difficult to get enough hop pickers to secure his crop, and other hop men are in the same fix.

School began last Monday with two teachers and ten scholars.

More will gradually come in as hop-picking and prune harvest is gathered. It seems something of a mistake to have had it begin for a couple of weeks yet.

Well Worth Trying.

W. H. Brown, the popular pension attorney of Pittsfield, Vt., says: "Next to a pension, the best thing to get is Dr. King's New Life Pills." He writes: "They keep my family in splendid health." Mrs. Wetzler Bumps the Bumps.

(From Milwaukee Bee.)

Mrs. Wetzler, last Saturday night just as she was getting ready to go to bed in the second story of her dwelling, concluded she wanted something down stairs so she thought she would slip on something and go down and get it, and she did; she slipped on the top step and down she came.

STRICKEN WITH PARALYSIS.

Frank Preuschoff was stricken with paralysis Friday forenoon while at work in the woolen mill where he had been employed for a number of years. He was removed to his home at Park-place, but died in the afternoon without regaining consciousness.

The deceased was born in Germany September 26, 1848, and was a veteran of the German army, having served in the war of 1870 and 1871. He came to Oregon City in 1889, and soon thereafter accepted a position in the local woolen mills as assistant soap maker, afterwards being transferred to the position of assistant dyer. FIFTY CENTS

IN some conditions the gain from the use of Scott's Emulsion is very rapid. For this reason we put up a fifty-cent size, which is enough for an ordinary cough or cold or useful as a trial for babies and children. In other conditions the gain is slower—health cannot be built up in a day. In such cases Scott's Emulsion must be taken as nourishment; a food rather than a medicine. It's a food for tired and weak digestions.
