Do You Want to Know What You Swallow?

There is a growing sentiment in this country in favor of medicines of known composition. It is but natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition the part of the public, and satisfied that the fullest publicity can only add to the well-earned reputation of his medicine, Dr. R. V. Pierce, of Buffalo, N. Y., has taken time by the forelock, as it were, and is publishing broadcast a list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery" the popular Liver Invigorator, stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

This bold and out-spoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely disarmed all harping critics who have heretofore unjustly attacked them. A little pamphlet has been compiled, from the standard medical authorities of all the several schools of practice, showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more concerning the valuable, native, medicinal plants which enter into the composition of Dr. Pierce's medicines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sugar-coated anti-bilious granules. They regulate and invigorate Stomach, Liver, Bowels. Do not hurt the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor.
