

What You Can Do With This Oil Heater

With a Perfection Oil Heater you can heat a cold bed-room, make a sick-room more comfortable, warm a chilly hallway, heat water quickly, and do many things better than can be done with any other stove no matter what fuel it burns. The superiority of the

PERFECTION Oil Heater
(Equipped with Smokeless Device)

Lies in the fact that it generates intense heat without smoke or smell. The oil fountain and the wick carrier are made of brass throughout, which insures durability. Gives great heat at small cost. Fount has oil indicator and handle. Heater is light and portable. Absolutely safe and simple—wick cannot be turned too high or too low. Operated as easily as a lamp. All parts easily cleaned. Two finishes—nickel and japan. Every heater warranted. If not at your dealer's write nearest agency for descriptive circular.

The **Rayo Lamp**

can be used in any room and is the best all-rotated house lamp made. Gives a clear, steady light. Is the safest lamp you can place. Equipped with the latest improved burner. Handsome—simple—satisfactory. Every lamp warranted. Write to nearest agency if you cannot get it from your dealer.

CURSED AND MADE TO DO FARM WORK

ALLEGATIONS IN COMPLAINT OF ANNIE McDONALD WHO SEEKS DIVORCE.

Divorce proceedings have been begun by Annie McDonald against William M. McDonald. The couple were married in 1885 in Kansas and for fourteen years have lived in this part of the country, for the last four years just south of Oregon City. The complainant alleges that she

has been compelled to suffer all kinds of personal indignities for the last twelve years; that she has been attending to all the work on the farm, and that her husband has been in the habit of cursing her and the children for no cause whatever. This fall in particular his treatment of herself and children has been especially cruel. There are ten children, ranging from 1 1/2 to 20 years of age. The wife prays for a decree of divorce and custody of the minor children; also \$25 a month alimony and the support of the minor children, who are to be entrusted to her care.

CLACKAMAS APPLES GOOD AS THE BEST

SCIENTIFIC CARE AND HANDLING ALL THAT IS NECESSARY FOR RESULTS.

E. H. Tisen, manager of Frank Busch's ranch, was in the city Sunday and reports the apples in that locality in excellent condition. The crop consists of Baldwins, Spitzenberg and Yellow Newton. In quality, color and size they appear to be every bit as good as the celebrated Hood River variety. For shipping purposes the Clackamas product is the equal of the famous Hood River fruit.

In line with Mr. Tisen's report comes the news of a unique exhibition in Olds & King's window at Portland. The last week there were displayed in the above mentioned firm's window a large number of boxes of the finest Hood River apples, labeled where from and by whom raised. Saturday the window was filled by 6 or 8 boxes of apples bearing this sign: "Give Clackamas a Show." The apples were raised by Mr. Byers of this county, and compared more than favorably with the display of the week preceding.

Both Mr. Busch's and Mr. Byers' experience in this line proves the contention of the Horticultural society's conclusions at a recent meeting to be correct. Scientific raising of apples in this county, as begun by the men spoken of, if carried on widely all over the county, would put Clackamas in the front rank with the Hood River country.

A Year of Blood.

The year of 1903 will long be remembered in the home of F. N. Tackett, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tackett's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me at death's door, when I began taking Dr. King's New Discovery for Consumption, with the astonishing result that after taking four bottles I was completely restored and as time has proven permanently cured." Guaranteed for Sore Lungs, Coughs and Colds, at Howell & Jones' drug store. Price 50c and \$1.00. Trial bottle free.

Wright's Strange Mania.

Oregon City police seem to have a habit of late of landing people in the insane asylum. With the commitment of Looney, and the recapture of Bagnall, now comes the report that D. H. Wright, who was taken to Portland by Chief of Police C. E. Burns, has been committed to the asylum by the Portland authorities. Alcohol and cocaine were Wright's undoing, and his mania seems to consist of an hallucination that he is passing worthless checks.

Made Happy for Life.

Great happiness came into the home of S. C. Blaf, school superintendent at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' Dance, which yielded to no treatment until as a last recourse we tried Electric Bitters and I rejoice to say, three bottles effected a complete cure." Quick, sure cure for nervous complaints, general debility, female weaknesses, impoverished blood and malaria. Guaranteed by Howell & Jones. Price 50c.

NORTHBOUND LOCAL 24 MINUTES LATER

The north-bound Southern Pacific train due to arrive here at 9:47 a. m., from Thursday morning, on will arrive in Oregon City at 10:11. Other trains will arrive as usual. This change has been made as a result of putting on an extra train on the Woodburn division.

Mrs. A. C. Tower, who was visiting for a few days at Vancouver, returned to Oregon City Monday evening.

Had a Close Call.

"A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Stickel, of Miletus, W. Va. "Persistent use of the Salve completely cured it." Cures Cuts, Burns and Injuries. 25c at Howell & Jones' druggists.

Oregon Patents.

The following patents were granted to Oregon inventors last week: Paul E. Bartelmus, Pendleton, milking apparatus; Joseph Crowther, Dallas, propeller; William B. Dennis, Blackoutte, treating substances by the aid of heat; Dalltor W. Kollie, Portland, fastener for eyeglasses; David Still, Milton, threshing machine.

Guardian Appointed.

At the motion of C. D. Latourette, Erikke Trullinger was Thursday afternoon appointed guardian over Adeline Trullinger, a minor. A bond of \$400 was filed and a permit given the guardian to sell timber off the estate to James Adkins at a price not less than \$275.

High Prices, Short Crop of Spuds.

Clackamas county farmers will get good prices for their potatoes this year—enough to make up for the crop shortage in some localities. This shortage amounts to half a crop in some sections but the county over will show a three-fourths crop at least, so farmers report. The wholesale price for fancy, early-dug potatoes is from \$1 to \$1.10. Spuds as they run are selling for a cent a pound in Oregon City.

Choose Your Druggist Carefully

A druggist can do more harm or good than most people give him credit for.

There are different qualities in drugs just as there are in dry goods, and to the outsider all qualities go by the same name. The difference between pure high-grade drugs and cheap, inferior drugs of the same name, means the difference between keeping sick and getting well.

When a doctor writes a prescription he means best quality. When some druggists fill a prescription they think only about big profits.

Every Drop of Medicine . . .

that goes in a prescription filled in this store is perfectly pure. Pure drugs mean a speedy recovery. Poor drugs mean a relapse. You want the best. Let us fill your prescriptions.

We are giving away free, while they last, a 25 cent box of soap with a 25 cent pair of scissors for 25 cents.
