SAFE AND PERMANENT.

The suspension bridge is a great boon, and has been a good investment for the county, said one of the commissioners, Tuesday.
Money spent in building permanent towers will be well spent. The estimated cost, \$16,000, seems high and may have been placed high in order to be on the safe side. But even if the total is \$16,000, there should be no hesitating in making the bridge safe and stopping the heavy drain for repairs.
Not all of that amount need to come off the county. The big companies, one of whom it is claimed, uses the bridge to its injury, and the others are served in the great convenience to their employes, would doubtless contribute a fair share of the cost of making the bridge permanent and safe.

The vote on the purchase of the McLoughlin home will be far from unanimous. Suggestions for using it as a city hall and public library are not approved by the common sense of the voters. A few more suggested uses will defeat the proposition.

ELLEN BRIDGES DIES AT MOUNTAIN VIEW

PASSES AWAY TUESDAY—LOTS OF NEWS FROM THE SUBURB ON THE HILL.

Mountain View, Nov. 21.—Died at her home here November 20, Miss Ellen Bridges, aged 63 years, 6 months and 20 days. She has been a sufferer for some time with consumption. Funeral services were held at the house Wednesday at 10 o'clock by Rev. P. K. Hammond, after which the remains were laid away in Mountain View cemetery. One brother, who has lived with her is left alone.
J. W. Currin and Wm. May are building a barn for Mr. Sinclair. Ernest Brandt has quit the butcher business and has gone to work in the mill.
Mrs. Ern Jones and baby visited Mrs. Gillett. They have been in Washington with relatives the last few weeks and were on their way home.
The Selby boys, Pearl and Curtis, have returned home from the logging camp. The heavy rains and floods were too much for them.
Mrs. Grey has returned home from visiting friends near Salem.
Mr. and Mrs. Gotberg moved into the Fred Ely property.
Mrs. Smalley and Mrs. Matchett went to Portland Friday.
The ladies of this place met at Mrs. Lewellen's Tuesday afternoon and sewed for Mrs. Wickham. Mr. Wickham continues quite poorly and unable to work.
A new crossing is being built across Molalla avenue at the corner of Mr. Gillett's place.
Mr. Darling will enjoy the luxury of running two green houses this winter, he having completed another, lately.
We are all looking forward with pleasure to the free mail delivery and hoping for the electric cars to come next.
Rev. Landsborough preached in our little church last Sunday and all were pleased with the sermon. We hope other ministers will favor us, our little church is without regular services and we would be glad to have services here every Sunday. Our Sunday school is growing larger in numbers. We expect to have a Christmas tree and it will be a family affair for parents and friends as well as the little ones.
Mr. Gillett is quite poorly, not able to be out very much.

Among the real estate transfers Tuesday will be noticed one from Frank Busch conveying the north one-half of the northeast of section 22, township 4 south, range 4 east, 80 acres, to Andrew C. Paulsen for \$1500.
Mr. Busch also figures in a purchase, he buying the north one-half of the northeast quarter and the east one-half of the northwest quarter of the same section, 22, from Thomas F. Ryan.
Mr. Busch owns about 1400 acres in that vicinity, about three miles from Cazadero, and it is all extra fine winter apple land, as was stated in the advertisement of the 80 acres that was running in the Star Want column. He is going to place the land on the market in 40, 80 and 160 acre tracts, which will provide excellent opportunities for young men, and old ones, too, to secure homes and orchards that with proper care will be worth \$200 an acre in a very few years.
