FROG POND CROAKS.

There was a wedding dance at the grange hall Saturday evening. Quite a large crowd went from here. Winter oats look right for a good crop next year. There are lots of potatoes in the ground yet. The roads from here to Willamette are getting pretty bad. Milo Lee's baby boy is sick with the lung fever.

BARTON.

Barton is booming. Mr. Burghardt was in town Saturday. He is running his mill now while his daughters are tending the store. That is the reason he is getting so much more trade lately. Several Bartonites attended grange at Eagle Creek Saturday. The grange is getting along nicely under the mastership of C. A. Zeek. The school is steadily progressing with Blanche E. Miller as teacher. The school is going to give an entertainment and Christmas tree Christmas Eve, the 24th, in Burghardt's hall. Everyone is cordially invited to come and have a good time. Boys bring presents for your best girl.

MOLALLA NEWS.

T. A. McFaddin has his wood-house covered and enclosed which will add much to the comfort of the premises, as the well has been included in the building. B. F. Harless has strung wire into town from his residence and will soon be talking by machinery. Mrs. Rachel Boswald has the south-east addition to her dwelling enclosed and painted. Our R. F. D. No. 1 mail carrier under the force of habit, came in with one or more eggs in his pocket and of course had several plausible stories to tell how he came by the hen fruit. Vaughn Bros. gave their new Kentucky hounds an outing Sunday, trailing a wolf the greater part of the day, coming to where the coyote had killed a goat in the foot hills. As the hills abound in steel traps the boys called in the dogs for fear of getting them pinched. The eight hounds will make a good chase after they get down to business. Molalla Assembly No. 82, United Artisans, is adding new members to its lodge membership roll. Not to belong to a beneficiary organization is to live away back.

Always Was Sick.

When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say—he never was sick since using Ballard's Horehound Syrup. Such a man exists. Mr. J. C. Clark, Denver, Colorado, writes: "For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me." Sold by Huntley Bros. Drug Co.

Choose Your Druggist Carefully

A druggist can do more harm or good than most people give him credit for. There are different qualities in drugs just as there are in dry goods, and to the outsider all qualities go by the same name. The difference between pure high-grade drugs and cheap, inferior drugs of the same name, means the difference between keeping sick and getting well. When a doctor writes a prescription he means best quality. When some druggists fill a prescription they think only about big profits.

Every Drop of Medicine . . .

that goes in a prescription filled in this store is perfectly pure. Pure drugs mean a speedy recovery. Poor drugs mean a relapse. You want the best. Let us fill your prescriptions. We are giving away free, while they last, a 25 cent box of soap with a 25 cent pair of scissors for 25 cents.
