W. O. SNYDER BURIED

IN I. O. C. F. CEMETERY. The remains of Oscar Snyder, who was killed in a logging camp at Marshfield, November 9, were buried in the Odd Fellows' cemetery at Marshfield, funeral services being held from the Baptist church of that place. William Oscar Snyder was a son of J. F. and A. A. Snyder of Oregon City. He was born in Lane county, August 22, 1887. Besides his parents, he leaves three brothers, Robert of Mapleton, Or.; Millie and Emery at home; and one sister, Mrs. Effie Stanton of Lutsjens, Or. The family have the sympathy of the community in their bereavement. Mr. Snyder went to Marshfield on receipt of the telegram announcing the accident and has not yet returned home. Mrs. Snyder was called to Lutsjens, Thursday by the serious illness of their daughter, Mrs. Stanton.

UP-TO-DATE PHONES FOR OREGON CITY.

Word has been received by Manager Phillips of the Pacific States Telephone and Telegraph company, that a consignment of 229 new residence phones is on the way. These phones are of an entirely new pattern and will be the first ones installed on the Oregon division. They are in common use in the East at present, but have only come into use in the western territory. Not even Portland will be supplied with this style before Oregon City is equipped. The new instrument is to be used for residence purposes exclusively. Its winning feature is its neatness and compactness. The entire instrument occupies about as much space as the boxes on a desk phone, but that is a space about 8 by 10 inches at the most. The transmitter is a small one, without a long arm arrangement, but susceptible of an upward and downward movement. There is no separate, the small box arrangement constituting the entire instrument. In line with this new feature it may be said that the new switchboard is the first of its kind to be installed. Oregon City may congratulate itself upon having a highly efficient and up-to-date service and equipment in prospect.

DEMAND EXCEEDS SUPPLY OF BOOKS.

The Oregon City public school libraries has received its quota of new books from County Superintendent Zinsler, the Barclay and Eastham libraries each receiving 225 volumes. The demands made on the first day after the installation of the new books greatly exceeded the supply. That is a fair indication of the need of a free public library and reading room in this city. The books are given out to pupils for use fourteen days without charge; after fourteen days the charge is one cent a day. The school librarians are Gilbert Long and Harry Scott at the Barclay, and Ida Morley and Ella Miller at the Eastham.

SMITH'S CAPTORS GET CITY REWARD.

Along with the distribution of the \$250 reward offered by Clatsop county in connection with the capture of Frank Smith, the reward of a like amount offered by the city will be also distributed. Councilman Andresen has turned over the money to O. D. Eby, and the latter is making the awards on the same basis that the county reward was distributed. Harry Draper receives the lion's share, \$125. As mentioned before, three others get \$33.33 apiece and 33 more get \$3.03 each. The reward of \$1000 offered by Marion county will most likely be distributed shortly too.

CANBY REAL ESTATE AGENTS DISAGREE.

The real estate firm of W. M. Smith and Geo. W. Dixon of Canby, is likely to be dissolved. Smith has filed a complaint asking for an accounting and a dissolution of partnership; also a restraining order prohibiting Dixon from drawing out \$500 or any part thereof deposited in the Bank of Oregon City. Smith claims half the amount of the commission. The order restraining Dixon from drawing the money was granted by Judge McBride Thursday afternoon, pending the adjudication of the partnership transactions. O. D. Eby appears for the plaintiff.

SAVED MY LIFE

—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

A Hunting Party

Out near Mt. Hood looking for bear accidentally found the entrance to a cave located in a very inaccessible part of the mountains. They made torches of pine knots and with rifles ready for business entered the cave. Near the entrance they came to a large room with solid rock walls and near the walls were great stacks of bread, pies, cakes and lumberger cheese (no beer). Upon closer inspection it was found that all these good things were baked in the granite and tin baking pans sold at the Arcade. A square deal. Cash only.

IMPORTANT CHANGES IN S. P. SCHEDULE.

The new schedule of the S. P. went into effect Sunday. The extra train put on between Frisco and Portland, northbound No. 14 and southbound No. 12, passes through here at 10:46 p. m. and 12:14 a. m., respectively, "without even hesitating here," as the station agent expressed it. The other trains are subjected to only slight changes. Of the northbound trains, the Overland, No. 16, lands here as of old at 6:41 a. m., the local train, No. 18, at 10:11 a. m., as usual and Overland No. 12 arrives at 4:33 p. m. instead of at 6:24 p. m. Two changes are made in the times of the southbound trains. The local No. 17 sticks to the old time table, arriving here at 5:04 p. m. The Overland No. 11 gets here at 9:32 a. m., instead of 8:52 a. m., and Overland No. 15 arrives here at 8:32 p. m. instead of 9:32 p. m. The schedule of freight trains is not changed materially by the new orders.
