

TERRIBLE DISASTERS

That Carry Blessings in Their Wake

Floods and Fire Bring Beneficent Advantages to Oregon City and Her Burghers. Coming Events Cast their Brightness Ahead--Glad Tidings Precede the Happy New Year.

Hardly have the chimes of Christmas ceased to alarm the listening ears of joyous thousands when the tinkle of the New Year's bells come jingling 'cross the hills. And hardly has old Kris Kringle got started away on his homeward trip to the frozen North Land ere old Father Time comes peering 'round the corner of yesterday with the infant 1907 of tomorrow. The New Year comes laden heavy with promise to the great shopping public of Oregon City and her tributary country. In thanking the thousands who have come and shared the marvelous bargains we've distributed since our advent among you, we will go further and say we've decided to remain another month in Oregon City! Strong inducements were held out in the neighboring, sister city of Portland for us to move our great stocks there thru January. Promises of reduced rents and free insurance, with other things, were offered—but we decided to stay here for at least one more month—and Portland folk must come to us to share these marvelous values! At any rate, for a time.

And Now More Good News! \$15,000 Worth of New Goods --- Delayed in Transit
