OAK GROVE MEETING ENTHUSIASTIC ONE

IMPROVEMENT ASSOCIATION IS BOUND TO BRING GREAT BENEFIT TO COMMUNITY.

Oak Grove, Dec. 20.—The Improvement association at its meeting this evening was largely attended considering the exceedingly stormy weather. The meeting was full of life and enthusiasm and each and every person bore that determined attitude that goes to show that he will do everything in his power for the success of the association and the community in general.

The president of the association, Mr. B. Lee Paget, is the right man in the right place. With such an energetic, enterprising and enthusiastic president success is inevitable.

After the reading of the minutes of the previous meeting, the report of the committee on constitution and by-laws was received and after a few minor changes a constitution and by-laws was adopted.

An advisory board consisting of seven members was elected, four of the seven members being the duly elected officers of the association and three members, Messrs. Jno. Risley, Meyers and Rhinehart being elected from and by the members at large.

A membership roll was instituted and every member present subscribed his name, each male member being assessed 25 cents, and each female member 10 cents a quarter.

Various standing committees were to have been appointed, but on account of the small number that braved the elements to be present, it was decided to postpone this phase of the situation until the next meeting.

Our regular meetings will be held on the 1st Thursday of each month, the next meeting being two weeks from tonight, or January 3. Watch our progress.

Miss E. H. Roper at the Congregational Church Sunday.

Miss E. H. Roper of New York, occupied the pulpit of the Congregational church Sunday morning, delivering a very able and well prepared discourse. The congregation was united in praising Miss Roper. During the sermon Miss Roper brought out very forceful facts, her words reaching the hearts of the people.

In speaking of the different walks through life, she said, "If one wishes to succeed in business, I do not know a better guide than the book of Proverbs; one who wishes to become a master of Art should read the Acts; one who would follow and study astronomy should carefully study the Revelations; while one who would put his whole heart in literature must read the whole bible."

Then Miss Roper went on to speak of the men that were needed in the city government and those she said must be clean men—men who have the city's interests at heart.
