Spraying a Small Orchard

Requires a small spray pump—but a good one. You want just as good fruit as the owners of large orchards who use power sprayers—and you can have it. Any spray pump has done its part when it provides a high, even pressure, keeps the spraying material well stirred, gives no trouble, and works reasonably easy.

Bean's Little Giant Pump

does all this and more. When we say it "keeps the material well stirred" we mean it too, and it's important if you want good fruit. And the "no trouble" feature lets you feel good natured after the days spraying is over. The valves can't clog, the stuffing box can't leak (because there isn't any) and the pump is so simple it is a pleasure to use it. Of course we have good pumps cheaper but **Bean's Little Giant** is altogether the best barrel pump ever offered for spraying small acreage. Also a splendid white-washer.

We have samples of these pumps in stock and will be pleased to show them to you.

TWO AND ONE-HALF MILL LEVY IS VOTED BY SCHOOL ELECTORS

RESULTS OF TAXPAYERS' ANNUAL MEETING HELD AT COURT HOUSE FRIDAY NIGHT.

Resolutions Were Adopted Favoring Two County High Schools, Also "Bringing Home the Bonds."

A meeting of the taxpayers of the Oregon City school district was held Friday night in the county court house. A levy of 2½ mills was voted as the result of the report of the school clerk and of the board of directors.

The report of the school clerk for the past school year was as follows: Income of past year.....\$11,297.66 Disbursements 12,855.22

Total disbursements in excess of income\$ 1,557.56 The present indebtedness of the school district is \$15,000 and during the coming year promises to be increased, thus the tax levy of 2 1-2 mills, based on the following running expenses of the coming year: Disbursements\$11,545.12 Receipts 11,500.00

Estimate excess of disbursements\$ 45.12

Both reports were approved as read. Several resolutions were passed and the main one was favoring the establishing of two county high schools. This plan will work in conjunction with the methods taken up at the meeting of the Barclay High School Alumni association.

Resolutions were also passed pertaining to the transferring of school bonds held in New York to the Bank of Oregon City.

The board of directors were given the power to borrow money at any time for the interests of the school.

A Wonderful Happening.

Port Byron, N. Y., has witnessed one of the most remarkable cases of healing ever recorded. Amos F. King, of that place says: "Bucklen's Arnica Salve cured a sore on my leg with which I had suffered over 80 years. I am now eighty-five." Guaranteed to cure all sores, by Howell & Jones, druggists, 25 cents.

LOGGING BOOMING ALONG THE MOLALLA

Canby, Dec. 31.—A new saw mill is being installed on the Molalla river a short distance above Liberal by W. A. Shaver of Molalla, and the machinery was received at Canby Saturday. It was loaded on wagons and transported to the mill site. Mr. Shaver will cut ties principally, he having closed a contract with the Southern Pacific Co. for a large quantity. The ties will be driven down the Molalla river to Canby and loaded on the cars here.

Pete Harnig has closed a contract with Portland mills for two million feet of logs to be delivered in Portland within the next four months. He is logging on the Molalla river near the town of Molalla and driving his logs down to Portland.

The Charming Woman

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin, and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed at Howell & Jones, druggists, 50 cents.

Family Christmas Party.

A pleasant family reunion was held at the home of Mr. and Mrs. W. S. Rider of Greenwood on Christmas day. Those present were, Mr. and Mrs. W. S. Rider and daughter Mary, Mr and Mrs. Grant Critzer, Louis, Durward and Eltha Critzer of Rock Island; Mr. and Mrs. Geo. Rider, Bertha, Vada, Lloyd and Rae Rider; Mr. and Mrs. Terrel Osburn, Della, Jessie and Mrs. Terrel Osborne, Della Jessie and Rider and sons Waldo and Milton of Greenwood; Mr. and Mrs. E. M. Waldron and son Guy; Mrs. Laura McCormack, Mrs. Flora Jarrett and son Vernon of Oregon City; Mr. and Mrs. John Weismandel of Carus; Mr. E. E. Marshall of Portland, and Wilbur Knighten of Greenwood.

And this: It doesn't require much intelligence to beat a man with less.

Choose Your Druggist Carefully

A druggist can do more harm or good than most people give him credit for.

There are different qualities in drugs just as there are in dry goods, and to the outsider all qualities go by the same name. The difference between pure high-grade drugs and cheap, inferior drugs of the same name, means the difference between keeping sick and getting well.

When a doctor writes a prescription he means best quality. When some druggists fill a prescription they think only about big profits.

Every Drop of Medicine . . .

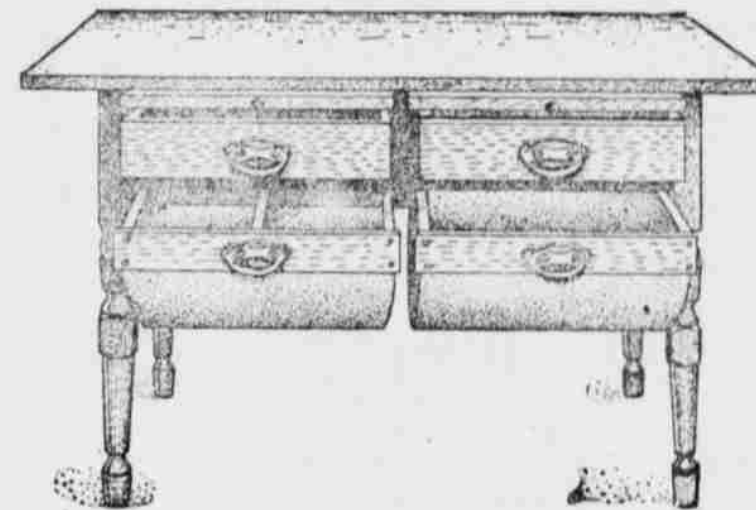

that goes in a prescription filled in this store is perfectly pure. Pure drugs mean a speedy recovery. Poor drugs mean a relapse. You want the best. Let us fill your prescriptions.

We are giving away free, while they last, a 25 cent box of soap with a 25 cent pair of scissors for 25 cents.
