LEASED OUT!

And "Got to Git"--Fixtures for Sale!

Early in December last we were called to Oregon City to close out the stock of goods remaining in the building now occupied by us. We were placed under "hurry orders" as the understanding was that other parties wanted the building for permanent occupancy. Later we were informed that we could stay. Under this impression and assurance we accepted a

\$35,000 Stock of Men's and Boy's Clothing

Hats, Shoes and Outfittings, from the Big "Globe" Department Store of Lansing to distribute among Oregon City folks at any prices the goods would bring. And prices absurdly low have ruled and reigned! Owing to the extraordinary inclemency of the weather, hundreds have been unable to come and share the marvelous values being offered. We had planned to continue the GRAND CARNIVAL OF BARGAINS THRU FEBRUARY, when

Messrs Goldstein & Levitt, of Portland take Possession March 1st

These gentlemen have very kindly consented to our occupancy of the store building until February 23 when they take possession to install new and modern fixtures and an entirely and absolutely NEW STOCK of goods in men's wear. For Us "23" Indeed Means "Skiddoo" Get Out!

On February 23 we leave Oregon City--probably forever! Every dollar's worth of goods now in this store we occupy must be sold at some price ere that date! THIS IS NO FALSE ALARM--NO FAKE--NO MIS-STATEMENT--no cry of "Wolf" when no wolf is here. We are truly leased out and must vacate this store February 23.

Every Dollar's Worth of Goods Here Must Be Sold Before That Date!

With only 20 business days ahead desperate measures are demanded! And desperate measures are in force.
