Guaranteed Remedy for Indigestion.

Interesting Statement by Huntley Brothers.

When a man comes into this store and calls for any particular indigestion remedy, we give what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets.

Here is a preparation we have been selling right over the counter for years and from actual observation we know it must be good, and really does relieve and cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefitted or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or Huntley Bros. are ready at any time to pay back your money without the least argument.

Improve and Beautify the Complexion.

The principal ingredients in Dainty Laxakola tonic tablets are cascara and dandelion which is one of the safest complexion beautifiers known. Forty little chocolate coated laxative tablets, 25 cents. Huntley Bros.

Neglected Colds Threaten Life.

From the Chicago Tribune. "Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child. Proper food, good ventilation, and dry, warm clothing are the proper safeguards against colds. If they are maintained through the changeable weather of autumn, winter and spring, the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of the year is the neglected cold." Whether it is a child or adult, the cold slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. For sale by Howell & Jones.

Gems From the Schoolroom.

The snow line stretches from the north pole to the south pole, and where it crosses the Alps and the Himalayas it is many thousand feet in the air.
