

TWO NEW DISTRICTS

Boundary Board Grants Petitions From Highland and Marks Prairie Patrons

CHANGES ARE ORDERED

Parts of Elwood, Aurora and Eagle Creek Are Attached to Dodge, Barlow and Barton, Respectively.

Two new school districts were set off by the county school district boundary board at its meeting, Thursday afternoon, one near the Molalla district and the other resulting from a division of the Highland district.

In the Highland district the petitioners claimed the district was so large, and the school house not being in the center of the district, that many of the children had to go two and three miles to school. The present Highland school is in need of repairs. There had been some talk also of adding a ninth grade, which would have necessitated another teacher. The remonstrance to the petition said the division would result in additional expense and higher taxes. The new district set off from Highland will be numbered 111. By the school census of 1906, there are 35 persons of school age in each of the two districts formed from Highland.

The other new district will be known as number 110. It is formed from parts of Mackburg, Marks Prairie and Mundorf districts. The arguments advanced for and against this district were about the same as those used in the Highland case.

While the order of the board goes into effect at once, the new districts will be without funds until next year. Superintendent Zinsner will notify three men in each district of the board's action, and they will call a special election of three directors and a clerk, to serve until the annual meeting to be held the third Monday in June. The apportionment of county school money of \$4 per capita recently made by Superintendent Zinsner, of course is in the hands of the old school boards. The new districts may levy a special tax to provide funds for school houses and conducting a term of school next fall, and may also come to an amicable arrangement with the boards of the old districts for an equitable division of the money on hand, and of the apportionment that will be made next October.

Three other petitions were acted upon by the boundary board, Thursday. A part of Elwood district was set off and attached to Dodge, a part of Eagle Creek district was added to Barton, and a part of Aurora district was attached to Barlow district.

VIERS FINED \$15 FOR BEATING ROSS

RESULT OF ROW AT WILLAMETTE DEFENDANT PLEADING GUILTY.

William Viers, of Willamette, who was arrested Wednesday night by Deputy Sheriff Baker on a charge of assault and battery on the person of Frank Ross, was given a hearing before Justice Stipp Thursday afternoon,

pleaded guilty and was fined \$15. Ross presented an awful sight when he appeared in the court room, his face being beaten almost to a pulp, and very much discolored; caused, he claims, by Viers stamping on him with his feet after he was down on the floor.

Viers had been working in California for some time and returned home on the night of the disturbance. It seems that during Viers' absence, Mrs. Viers has conducted her residence and department in a manner that excited comment among neighbors, and on his returning home, Viers found the house deserted and another man's property in one of the rooms. Viers waited, he states, for his wife's return and when she finally did, she was in an intoxicated condition. Ross arrived on the scene a little later and Viers immediately pounced on him and administered a sound beating.

Viers said that Ross tried to draw a revolver on him but that he tore it away from him and went outside and discharged all the chambers of it to prevent its being used in the fracas.

TRAVELS ON NERVE STILL TRAVELING

A man about 45 or 50 years of age went into the Royal restaurant Thursday night and after showing the night clerk several papers that indicated the bearer to be a Mr. Dunne who is in charge of a construction crew for the Southern Pacific, stated that he expected to do some track work in this place and he would like to make arrangements to have the men board at that restaurant. Next he told the clerk that he had just arrived in the city and it was too late to go to the bank, he was out of funds and would like to get a supper and bed. After he had finished supper he began making negotiations with the proprietor for the board of the crew, and in the course of the conversation he told the proprietor that he would like to borrow two dollars to go to Portland on. Thinking it queer that a railroad man would have to pay fare, the proprietor phoned to Agent Fields, who informed him that no such man worked for the company. Friday morning when the stranger arose, he asked the day clerk if the proprietor had not left the money for him, and being informed to the negative he quickly left and has not been seen since.

LOGAN IS VISITED BY SIGN OF SPRING

Logan, April 4.—Spring must be here. There was a book agent going the rounds this week.

Loganites thought for awhile last week that what "might have been" a tragedy, or murder, came near taking place near here. "Doc," or Doctor Covert, as he styles himself, who lives at the old Feldheimer place, went up to the mill box and, as he tells his story, was attacked by some one who first tried to make him swallow poison. Falling in that, then struck him a blow on the head. He was found by a passing neighbor on Mr. Shumway's porch with a badly bruised face, and in a delirious condition. As he is in the habit of using arsenic, it is the prevailing sentiment of the community he was his own assailant, or fell in some way to bruise his face. He claims to own great plantations somewhere—cattle ranches, also coffee plantations.

Mrs. Cora Sprague was quite seriously burned Wednesday afternoon. She was washing and started to carry out a pail of hot water, when in some way she slipped and fell, scalding her arm from the shoulder to the elbow. Harding grangers are getting ready to entertain Pomona grange Wednesday, April 13.

Saturday will be the regular monthly meeting of Harding grange No. 122. Be on hand. All members are requested to come.

Cured of Rheumatism.
Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale by Howell & Jones.

Yes, I Have Found it at Last. Found what? Why that Chamberlain's Salve cures eczema and all manner of itching of the skin. I have been afflicted for many years with skin disease. Guaranteed Remedy for indigestion. Interesting Statement by Huntley Brothers.

When a man comes into this store and calls for any particular indigestion remedy, we give what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets. Here is a preparation we have been selling right over the counter for years and from actual observation we know it must be good, and really does relieve and cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefitted or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or Huntley Bros. are ready at any time to pay back your money without the least argument.

Improve and Beautify the Complexion.
The principal ingredients in Dainty Laxakola tonic tablets are cascara and dandelion which is one of the safest complexion beautifiers known. Forty little chocolate coated laxative tablets, 25 cents. Huntley Bros.

Neglected Colds Threaten Life.

From the Chicago Tribune.
"Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child.

Proper food, good ventilation, and dry, warm clothing are the proper safeguards against colds. If they are maintained through the changeable weather of autumn, winter and spring, the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of the year is the neglected cold." Whether it is a child or adult, the cold slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. For sale by Howell & Jones.

Home Telephone Company

Citizens of Oregon City should not fail to avail themselves of the opportunity to secure an early installation of the new Telephone Company's instrument.

The Independent Telephone Company has recently installed a telephone plant at Albany and here is what they say:

Oregon Business Men's League. G. E. Sanders, Albany, President; M. Peterson, Forest Grove, Vice-President; Geo. F. Rogers, Salem, Secretary & Treasurer. Office of the President, Albany, Oregon, March 6, 1907.

To whom it may concern: The advent of the Home Telephone Company into Albany and Linn county has been of material benefit to the users of telephones, inasmuch as it has increased our telephone patronage more than five hundred per cent, and the service from a poor, indifferent one, to the best that modern appliance and strict business application can produce. I would not consider for a moment, a proposition to destroy our telephone competition.

J. H. Cuselek & Co., Bankers. J. W. Cuselek, President; E. D. Cuselek, Cashier; H. B. Cuselek, Assistant Cashier. Capital and Surplus, \$70,000.00.

Albany, Oregon, March 6, 1907.
To whom it may concern: The Home Telephone Company's existence in Albany has had the effect of giving us better telephone service and has been especially helpful to the farmers. It has been the means of reducing very materially their rates. We did not know what good service meant until the advent of this company.

Respectfully,
(Signed) E. D. CUSIEK,

J. S. Van Winkle, Albany Oregon, March 6th, 1907.

To whom it may concern: This is to say that the telephone system installed in this city by the Home Telephone Company gives a far superior service to any with which I have ever come in contact, and it has operated to give us a farm more extended service with the farmers and rural districts than ever enjoyed before; this company began operations here; their methods are clean and businesslike and I cheerfully commend them to the public generally.

Very respectfully,
(Signed) J. S. Van WINKLE.
