TELLS ABOUT RESOLUTION

F. M. Gill Gives Particulars of Recent Pomona Grange Incident

IT WAS NOT DISCUSSED

Laid on Table Without Debate, He Seconding Motion—Important Action Overlooked in Newspaper Reports.

To the Editor:—

Considerable has been said in different papers about the Gill resolution at the Pomona grange at Logan, Wednesday of last week. I believe W. S. U'Ren is correct in thinking that no effort will be made by the grangers of this county to circulate the petitions calling the referendum on the University of Oregon appropriation. A circular letter and petitions were on the table of the secretary, but I did not see any one take any of them.

The resolution which I introduced merely stated as follows:

Resolved, that it is the sense of the Clackamas District Pomona Grange that we do not favor the calling of the referendum upon the University of Oregon appropriation, believing it to be unwise, and

Be it further resolved, that we favor the Normal school question and University question being made the subject of an initiative measure.

This is the wording according to my recollection of it.

The committee on resolutions, consisting of Beard of Maple Lane, Grinstead of Central and Borland of Oswego granges, reported the resolution with the recommendation that it be laid on the table. Reposing confidence in the judgment of these, my true friends, I did not question their motives and was myself one of those who seconded the motion to lay the matter on the table.

The resolution was not discussed by anyone, and the vote laying it on the table did not mean that the grange was for the referendum. I understood it to mean that they did not wish to make a decision on the matter either way.

The report of the proceedings of the Pomona in the papers failed to mention the unanimous action taken by the grange in favor of the enactment of a law embodying the principles of the Wisconsin Corporation Tax law, which I consider the most important action taken at the grange meeting.

Estacada, Oregon. F. M. GILL.

No Encouragement Here.

Eugene F. Palmer of Albany was in Oregon City Monday sounding grange members on the proposed referendum on the University of Oregon appropriation. He is peddling petitions and endeavoring to secure people to circulate the same. He met with mighty little encouragement in Oregon City or vicinity, and Monday night went on to Portland.

Klaetsch vs. Klaetsch, May 6.

Lawson vs. Fay, May 7.

Phelps vs. Phelps, May 4.

State vs. Dillon, May 8.

Desertion Charged.

Lena C. Goodwin, by her attorneys, has brought suit for divorce from J. F. Goodwin, upon charges of desertion.

Other Business.

H. E. Edwards vs. Jacob Haering et al. Decree of foreclosure.

Charles W. Geer vs. May Elizabeth Geer. Dismissed.

Edwin L. Hendee vs. Nettle Isham Hendee. Dismissed.

Claiming to have pleaded guilty to the offense and already been fined by the justice of the peace at Viola, W. M. Hartzell came to Oregon City, Thursday morning to answer to a charge of assault and battery preferred by S. T. Derring, the lumberman.

It is said Hartzell, after committing the assault went to the Viola justice and told what he had done and was fined \$1, this without knowledge of Mr. Derring.

Hartzell was arraigned in Justice Stipp's court Thursday afternoon. He pleaded guilty and was fined \$5.

One story of the trouble is that the men met in the road and called each other liars and Hartzell then struck Derring. Another version states that Derring had turned to open his rural mail box when Hartzell struck him. Hartzell is a big, muscular man while Derring is small and said to be crippled.

Game in Their Possession.

Charles Gates and C. E. Nash, charged with having ducks in their possession out of season, pleaded guilty in Judge McBride's court, Wednesday. Sentence is suspended.

Divorce Cases.

A decree of divorce was handed down by Judge McBride Wednesday afternoon in the suit of Clara Velguth vs. Arthur E. Velguth, and the plaintiff was allowed to resume her maiden name of Clara Gilbert.

A default and reference order was entered in the divorce case of Fred Chard vs. Frances Chard.

Suit to Quiet Title.

Lemuel G. Reynolds has brought suit against the Eastern Investment company to quiet title.

Tax-Collecting Record.

Tax-Collector, Sheriff Beatie, and assistants have collected during February, March and up to Wednesday, April 17, \$209,885, probably the record in tax collecting in this county for an equal period of time. As late as July last year when Sheriff Beatie entered into office there was \$26,000 still uncollected, and that was a big record. This year, over two months and a half before July, and on a tax roll \$12,000 larger, there remains only \$23,000 uncollected.

SALOON LICENSE.

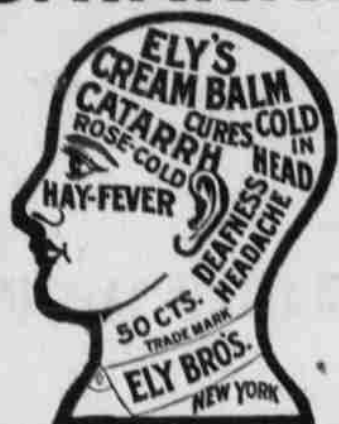

Notice is hereby given that I will apply to the council of Oregon City at its next regular meeting for a renewal of my liquor license for a period of six months at my present place of business, Main and Eighth streets, Oregon City.

Hard Times in Kansas.

The old days of grasshoppers and drouth are almost forgotten in the prosperous Kansas of today; although a citizen of Codell, Earl Shamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold cure and lung and throat healer ever discovered. Guaranteed by Howell & Jones' drug store. 50c and \$1.00. Trial bottle free.

Mr. and Mrs. W. G. Carlisle of San Francisco, Cal., were in Oregon City Monday, calling on Miss Adele Quinn. The ladies were school mates when they were children.

Cured of Rheumatism.

Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned." In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale by Howell & Jones.

The trial of Edward Himler, charged with illegal fishing, is set for a week from Friday.

Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. Sarah A. Cole, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by Howell & Jones.
