

WEDNESDAY'S NEWS

IMPROVED DISTRICT SCHOOLS FIRST NEED

LOGAN CORRESPONDENT GIVES VIEWS OF FARMERS ON EDUCATIONAL QUESTION.

Logan, April 16.—Logan has had a few days sunshine, and fruit trees are taking on spring dress.

Grant Partch has returned home after a two years' absence in California.

Miss Elsie Leedy of Tigardville is visiting Mrs. H. S. Anderson this week, and attended grange, here.

O. P. Sharp of Stafford was also a Logan visitor at the Pomona meeting. The youngest child of Wm. Watts of Stone, who was quite ill with throat trouble, is improving.

C. F. M. Brown, the Logan blacksmith, was married last Tuesday to Miss Belle Hoffman. Mr. Brown and bride have the congratulations of their many friends.

Wednesday last the Pomona grange met at Harding grange hall, about 130 being present. The day previous being so rainy, many stayed at home, who otherwise would have come.

Those with "axes to grind" were there however. I do not know who informed the Star that the members attending this Pomona meeting were "unanimous in sentiment for the appropriation," but I do know they were badly mistaken. It is not quite fair to the grange to quote it as unanimous. It is very plain to be seen Prof. Campbell is a high protection man. He has a high office and is going to protect it if he can. What the farmers actually need is an improvement in the rural district schools, so that their children can take the 9th, 10th, 11th and 12th grades in the home schools. After they have completed these courses if they desire to take the higher courses, which include football, baseball, etc., let it be their privilege. What we most need in the way of education is schools that will give pupils a good practical education and leave out some of the "brain-racking" studies, that are of no benefit to the average boy and girl in everyday life.

Mrs. H. Babler's many friends will be glad to hear that she is slowly improving. She is at the hospital in Gladstone.

Wonder if the Clear Creek and Logan line the Star correspondent speaks of, is one of those "one party" lines that the P. S. company speaks of? Stone is the terminus, of that line and not Logan. Competition is the life of trade. The Clear Creek Mutual has signed a contract with the Home or Automatic company. The article in the Star is misleading as the line mentioned only goes to two individual residents at Stone and is not a farmers' organization.

MARQUAM SEWING CIRCLE'S SUCCESS

Marquam, April 16.—Farmers are very busy, as the crops and hop-work comes at the same time. Everything is in a very flourishing condition.

Dr. Brooks was called to see Miss Tessie Larkins Monday. She is very ill.

Mr. and Mrs. R. D. Hubbard made a business trip to Silverton, Saturday.

Mrs. A. D. Hall is attending court at Oregon City this week.

Wallace Albright is at court, as one of the jurors.

Mrs. G. W. Bentley is quite poorly.

Mr. and Mrs. Bert Hibbard of Gladstidings visited at the home of Harry Hibbard, Sunday.

It is rumored that the teacher, Miss Ottilie Eisenhart, is to give a May-day entertainment. All wish her success.

Oren Hall is going to stay with his Grandma Hall of Woodburn for a while.

The Sewing Circle composed of 16 young girls, gave an entertainment and basket social Friday evening. The program was said to be the best ever given in Marquam. Charlie Birtchet was auctioneer, and I tell you he was all right. He got a good price for the baskets. The proceeds, \$50.10, will be used to purchase an organ for the school house. You did well, girls, try again.

Misses Berthena Howard and Sarah Thomas of Carus were in Oregon City, Tuesday. Miss Tillie Thomas of Portland came up and met her sister here.

Clarkes, April 16.—Everyone is enjoying this nice weather; some are sowing oats and some making garden. Cherries and plums are in blossom.

Mr. Lund went to work again and his wife is staying alone at home as her daughter, Mrs. L. Funnymark, left Saturday for Washington.

Mr. Martin is plowing and sowing oats for Osgar Hoel.

Miss Effie Grace is staying with her aunt Lizzie Ringo for a few weeks.

Bat Sullivan had an increase of a nice little colt last week.

Mrs. Rose Bergar of Washington came down to visit her brother, Albert Durst, for a few weeks.

R. L. Ringo's funeral was the largest that ever was in Clarkes. The grave was nicely decorated with all kinds of flowers.

Fred Bower of Colton has taken his son Charley to town to see the doctor. He has been ill for some time.

Presiding Elder Charles Presting of the German M. E. Church held quarterly meeting, Sunday.

P. Stegeman left home to go East two weeks ago. Last heard of, he had come home again.

George Clark and family went Saturday to make a visit to his parents on the Clackamas.

Frank Mueller and family made a visit to his brother, William Mueller, Sunday.

Neglected Colds Threaten Life.

From the Chicago Tribune.

"Don't trifle with a cold," is good advice for prudent men and women. It may be vital in the case of a child. Proper food, good ventilation, and dry, warm clothing are the proper safeguards against colds. If they are maintained through the changeable weather of autumn, winter and spring, the chances of a surprise from ordinary colds will be slight. But the ordinary light cold will become severe if neglected, and a well established ripe cold is to the germs of diphtheria what honey is to the bee. The greatest menace to child life at this season of the year is the neglected cold. Whether it is a child or adult, the cold slight or severe, the very best treatment that can be adopted is to give Chamberlain's Cough Remedy. It is safe and sure. The great popularity and immense sale of this preparation has been attained by its remarkable cures of this ailment. A cold never results in pneumonia when it is given. For sale by Howell & Jones.

Guaranteed Remedy for Indigestion. Interesting Statement by Huntley Brothers.

When a man comes into this store and calls for any particular indigestion remedy, we give what he asks for, but in case he leaves it to us we usually recommend Pepsikola tablets.

Here is a preparation we have been selling right over the counter for years and from actual observation we know it must be good, and really does relieve and cure indigestion and dyspepsia or there would be a steady stream of people coming back for their money, as every 25 cent box is sold with the understanding that you must be decidedly benefitted or there is nothing to pay.

You simply try Pepsikola tablets with the understanding that they will steady your nerves, improve your appetite, relieve wind belching, coated tongue, sour stomach, fullness after eating, weakened energy, and other symptoms of indigestion or Huntley Bros. are ready at any time to pay back your money without the least argument.

Home Telephone Company

Citizens of Oregon City should not fail to avail themselves of the opportunity to secure an early installation of the new Telephone Company's instrument.

The Independent Telephone Company has recently installed a telephone plant at Albany and here is what they say:

Oregon Business Men's League. G. E. Sanders, Albany, President; M. Peterson, Forest Grove, Vice-President; Geo. F. Rogers, Salem, Secretary & Treasurer. Office of the President, Albany, Oregon, March 6, 1907.

To whom it may concern: The advent of the Home Telephone Company into Albany and Linn county has been of material benefit to the users of telephones, inasmuch as it has increased our telephone patronage more than five hundred per cent, and the service from a poor, indifferent one, to the best that modern appliance and strict business application can produce. I would not consider for a moment a proposition to destroy our telephone competition.

Respectfully,

(Signed) GEO. E. SANDERS, President Oregon Business Men's League.

J. H. Cusick & Co., Bankers. J. W. Cusick, President; E. D. Cusick, Cashier; H. B. Cusick, Assistant Cashier. Capital and Surplus, \$70,000.00. Albany, Oregon, March 6, 1907.

To whom it may concern: The Home Telephone Company's existence in Albany has had the effect of giving us better telephone service and has been especially helpful to the farmers. It has been the means of reducing very materially their rates. We did not know what good service meant until the advent of this company.

Respectfully,

(Signed) E. D. CUSICK,

J. S. Van Winkle, Albany Oregon, March 6th, 1907.

To whom it may concern: This is to say that the telephone system installed in this city by the Home Telephone Company gives a far superior service to any with which I have ever come in contact, and it has operated to give us a far more extended service with the farmers and rural districts than ever enjoyed before; their methods are clean and businesslike and I cheerfully commend them to the public generally.

Very respectfully,

(Signed) J. S. VAN WINKLE.
