

BERRY AND ROSE FAIR

Will Be Held In Oregon City
Two Days, June
7 and 8

FAIRCLOUGH BUILDING

Place Selected for Exhibit—Prizes Arranged for—Committees Named
At Court House
Meeting.

The first annual Clackamas County Strawberry and Rose show will be held in Oregon City, Thursday and Friday, June 6 and 7, 1907, in the Fairclough building, Main and Tenth streets. Time place and other arrangements were made at a meeting held in the county court room Saturday afternoon.

It was voted to offer a loving cup as first prize to be defended for three years. The second prize will be donated by the Canby Fruit Growers' Union.

Following committees were appointed: Exhibit—Charles Ross, Canby, chairman; W. B. Stafford, Oregon City; H. Baker, Oswego; A. J. Lewis, Maple Lane; R. V. Holcomb, Clackamas; T. Finnegan, Canemah; C. T. Andrews, Mt. Pleasant; A. J. Hobbie, West Oregon City.

Address—E. E. Brodie, chairman, be to select remaining members.

Awards—A. Robertson, chairman, J. A. McGlashan, F. T. Barlow, P. J. Shaw.

Flower exhibit—Mrs. George A. Harding, chairman, she to select other members.

Refreshments, decoration and entertainment—Mrs. Harding, Mrs. Rosina Fouts, Mrs. F. T. Barlow.

An admission fee of 10 cents will be charged and strawberries, ice cream and cake served.

A meeting of the committees will be held June 4, at which time the ladies will make arrangements for rose prizes.

The meeting was called to order by Captain Shaw, who briefly stated the object of the gathering. He was gratified by the number of growers present but disappointed that only one Oregon City man was there, and he a newspaper man and of course didn't count. The Captain was elected chairman. W. B. Stafford said the berries, ground and growers of Clackamas were equal to any and all required to gain reputation were co-operation and publicity. This gathering meant co-operation and the fair would bring publicity.

President Ross of the Canby Fruit-growers' Union pledged the help and active participation of that great fruit section. He asked Captain Shaw about freight rates from Hood river to Portland, but was assured Hood River did not ship to the Portland market, and the Captain also stated the berries here were superior to the Hood River ones.

W. B. Stafford moved that the Clackamas county growers hold a strawberry fair in Oregon City in June. Seconded and carried.

Mrs. George A. Harding spoke of the advantages of combining a rose show with the fair and the idea met with approval. She also suggested that a wild-flower show be added and

promised to have a person here who is competent to give the proper botanical name to every flower on exhibition.

GRANGE MEETING SATURDAY.

An interesting meeting of Warner grange was held at New Era Saturday. Master Thomas F. Ryan being absent Overseer George Lazelle took the chair. The first and second degrees were conferred on two new members. S. T. Roman and sister, Miss Emma, were visitors from Maple Lane grange. Friday was the last day of school at the New Era school and the grange and the school had a picnic dinner together. After dinner they united in a Memorial program at the tabernacle. A large crowd attended and the exercises were in every particular a decided success.

WILL FORM SOCIAL CLUB.

A meeting of the young people of St. John's Catholic church will be held at the residence of Father Hillebrand this evening for the purpose of organizing a young people's social club. The young people of the congregation have long felt the need of such an organization, and it is thought that the club will create a better social feeling. A committee will likely be appointed tonight to formulate rules to govern the association. Father Hillebrand has agreed to allow the new club to meet in the assembly room of the McLoughlin institute when that edifice is finished.

VALUABLE COW KILLED.

A valuable cow belonging to E. Nuttall of Canemah was killed Sunday afternoon by a passing train. The cow was grazing too near the track when the accident occurred, the train coming through that suburb at a high rate of speed, striking the cow and throwing her about 30 feet from the track to the bank of the river. It is not known at present whether or not Mr. Nuttall will sue the railroad company.

A CALL EXTENDED.

The pulpit committee of the Baptist church met Sunday morning to consider the matter of choosing a successor to Rev. H. B. Robbins. As many members of the congregation are in favor of electing Rev. John M. Linden, pastor of the Washington Park Baptist church of Chicago, and as both he and the committee have agreed as to his salary and other kindred matters, a call was extended to him. It is thought he will doubtlessly accept. No services were held in the Baptist church morning or evening. Many members of the congregation attended the Memorial exercises of the G. A. R. at the Methodist church.

PIANO CLASS RECITAL.

The spring-time recital given by Miss Eva Benson's piano class in the W. O. W. hall, Saturday evening, was patronized by the large crowd that the most excellent program merited. The pupils all did credit to themselves and their teacher and the program for a recital of that kind was exceptionally fine. Roses were used in the hall decorations exclusively. An effective arrangement was a hammock of fishnetting filled with roses hanging at one side of the platform.

Pupils on the program were Norma Holman, Zent Moore, Paul Herron, Aline Phillips, Kate Brunner, Mary Roos, Ella Miller, Madge Brightbill, Ruth Latourette, Alice Moore, Grace Zinser, Moreta Hickman, Louise Walker.

SALOON CLOSING AT MIDNIGHT

Ordinance Ordered Published Requiring Them to Stop Business at that Hour.

People who are inclined towards the curtailing of the saloon interest are having their innings at this time. More or less discussion has been had of late as to the attitude of those saloonists who are bent on turning every penny possible, regardless of the interests of patrons, and this discussion has led, directly or indirectly, to the introduction into council of an ordinance providing for the closing of saloons at midnight.

Those who are inclined to run orderly places have been closing at or before midnight, but those who have been overly greedy have defied public sentiment and kept open as long as there was a cent in sight. If the ordinance passes final reading—as it is prophesied it will—those who have been too grasping will only have themselves to blame for the new restriction.

The temperance people are inclined to accept the new ordinance as a step in the right direction, but are not congratulating themselves on any great measure of benefit to be derived.

DEPUTY SHERIFF KILLED AT CHEHALIS

Chehalis, Wash., May 27.—Wm. Geihen shot and killed Thos. Connor in a shooting bout at Toledo, Sunday at 9 p. m. Geihen was a prisoner who had escaped from the sheriff and Connor had been deputized to aid in his arrest. Connor had been posted at the home of Geihen and when that gentleman returned Connor stepped up and placed him under arrest. Geihen, fed and Connor shot behind him to intimidate the fleeing prisoner when Geihen turned and shot him dead. The sheriff later arrested Geihen. He is sometimes known as "High Water Bill," and is said to be a bad man.

AN IMPRESSIVE SERVICE.

About 35 members of Meade Post, G. A. R. and 25 members of the ladies of the W. R. C. attended the memorial services held at 10:45, Sunday in the Methodist church. The services were conducted by the pastor, Rev. R. C. Blackwell, whose sermon brought the tears to the eyes of many of the grand old boys. The speaker told of the true purpose of Memorial Day and of the grand manner in which the members of the G. A. R. veterans remember their old comrades who have gone before them to the land of Eternal Peace

DEAF AND DUMB COUPLE WED.

A queer marriage ceremony was performed this afternoon by County Judge Dimick when Laura Casey, of this county, and J. W. Casey, residing in Marion county, were made as one. Both parties to the marriage are both deaf and dumb, and the Judge was in a quandary as to how to proceed. After much loss of time and a great many signals and passes, the ceremony was at last performed, and the Judge registered an oath to master the intricacies of the deaf and dumb alphabet as soon as possible.

George Swafford and friend, Mr. Tuttle, a newspaper man of Elgin, were guests of the former's parents, Mr. and Mrs. J. L. Swafford, Friday, on their return from attending grand lodge Knights of Pythias, in Portland. They went on to Elgin, Saturday.

Relief from Rheumatic Pains.

I suffered with rheumatism for over two years," says Mr. Rolland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by Howell & Jones.

SPUR TO CHAUTAUQUA GROUNDS IS ASSURED.

The Willamette Valley Chautauqua Assembly has finally succeeded in getting an answer from the O. W. P. & Ry. Co. relative to a spur from the main line at Gladstone to the assembly grounds a half mile away. As residents here remember the track owned by members of the assembly was pulled up about two years ago, and since that time accommodations for travelers to that popular resort have been none too good.

Officers of the assembly announced Friday that the railway company had finally agreed to run a spur to the grounds in time for this year's assembly, and stockholders in the enterprise are congratulating themselves. It is believed that the building of this spur will mean the addition of many hundred dollars to the total receipts of the association.

Officers of the O. W. P. & Ry. Co. here promised to go over the proposed route some time this week, and the improvement will be made in ample time for the summer meeting. It is thought by assembly officials that the track will be laid on the old roadbed, which is said to be in a fair condition.

Negotiations for low fares and prompt service, on account of the assembly meeting, are in progress, and it is promised that the railway company will make liberal concessions and make all possible effort to please the traveling public both as to rates and service.

Good Words for Chamberlain's Cough Remedy.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by Howell & Jones.

LABORERS LOSE JOBS.

Estacada, May 24.—The election on June 4 will be a close one, and experienced judges say neither side will win by more than three or four votes.

The anti-Reed side claims the Reed faction is endeavoring to intimidate the laboring vote, and point to the circumstances that two young men, who voted against Reed in the nom-

inating convention found themselves out of work the next day.

The citizens mass meeting was called by an ordinance that the councilman officers neglected to sign. In their desire to get Surface off the "People's ticket," it is charged that the managers of Reed forces planned to have the work of the convention declared illegal at the last minute when it would be too late for Surface to file a nominating petition. But their scheme leaked out. They being on the inside, would file nominating petitions at the last moment. It was claimed the neglect of the councilmen invalidated their work.

The complete anti-Reed ticket at Estacada is as follows: For mayor, Dr. Wm. K. Haviland; councilman for the first ward, A. Morrow; second ward, Ed Mallory; third ward, William Dale; fourth ward, E. F. Surface; fifth ward, J. F. Lovelace. The Reed ticket is J. W. Reed for mayor; Jones, Howe, Pessen, Cary, and Miller for councilmen for the first to the fifth wards respectively.

Mrs. Sarah Palmateer returned home Saturday from a visit to her son and daughter in Morrow and Gilliam counties.

Joseph Pinkley, a pioneer of the Estacada country, having lived here over fifty years, suffered a severe stroke of paralysis Sunday. His condition has not improved since. Mr. Pinkley is in his 77th year. This is the second attack he has suffered in three months.

George Lockerby is confined to his bed at the home of C. H. Sarver at Currinsville. He was visiting there when he took sick.
