The firemen's picnic held in Canemah park Sunday was well attended and at present say that this is the most elaborate event of the kind ever held in Clackamas county. Nearly all the members and exempt members of the local department, the mayor and several members of the city council of Milwaukie and members of St. Johns and Estacada fire departments were present. Refreshments, both liquid and otherwise were served to which speeches were made by County Judge Dimick, Judge Ryan and many of the exempt firemen. Randall of the St. Johns fire department gave an exhibition coupling that was watched with interest by all present. In the afternoon the races were held on the ball grounds. There were many entries in all the contests, and all through the afternoon, intense interest was shown by the spectators. The races were won as follows: 100 yard dash—Schoenborn. Fat Men's race—P. Younger. Married Men's Race—J. Beaulieu. Three-legged race—Beaulieu and Peters. In the tug of war the Hooks and Cataracts proved their supremacy over the team from the Fountains and Hills.

In the ball nine the Hill team was defeated by the bunch organized by Hank Stratton. There were several plays of the order that bring the crowd to their feet. At the end of the performance the score stood 8 to 1 in favor of Hank's nine.

OREGON CITY GRAYS DEFEATED

The Oregon City Grays were administered their second defeat Sunday afternoon by the St. Johns Breakers, after having the game well in hand till the eighth inning. At that stage the score stood 4 to 0 in favor of the local talent, but a few stupid plays by the Grays and the timely bunching of hits by the visitors caused the score to stand 5 to 5. By touching the period at the opportune times in the tenth, the visitors succeeded in adding another tally to their score, and incidentally capturing the game.

Lee as usual was in the game for the locals, and seven men poked the willow fruitlessly at his hands. Katy Roberts also played a great game and succeeded in making connections with a three sacker. All of the boys played tip-top baseball except in the ninth inning. The visitors played a fine game, both at bat and on the diamond. The teams lined up as follows:

Breakers	Grays
Loe and Peterson	Shaw
Morone	Lee
Lee and Clay	Roberts
Loy	Hankins
Brink	Telford

Poff 1f Oit

Threw Ball Over Fence.
The baseball game at Woodburn Sunday afternoon was nearly spoiled by the foolish action of one of the Astoria players. Roxie Graham failed to stop a ball in the third inning and when it was fielded in to him he in a fit of anger, purposely threw it over the fence, letting in three scores. The final score was 5 to 0 in favor of Woodburn.

FALLS FROM BRIDGE.

Arthur Melstrom, aged 24, and a resident in the East, fell from the bridge at Wilsonville, Sunday, and was killed. He was at work on the false work being erected in preparation for a steel trestle and was driving what is known as a drift bolt when he lost his balance and fell to death. Coroner Holman was called and took charge of the remains. The body will be sent to his friends in the East as soon as instructions are received.

HOME FROM SCHOOL IN EAST.

Miss Esile M. Block, who has been a student of the Peabody Conservatory of Music for four years arrived in Oregon City Sunday evening for a visit with her parents, Mr. and Mrs. W. L. Block, and numerous friends. Miss Block stopped in Chicago for a two weeks' visit with relatives. During her visit in Chicago she appeared on a program before the faculty of a musical conservatory and will return to Chicago for a year. A large class of music pupils who were counting on Miss Block remaining in Oregon City will be disappointed.

DUMPING IN CEMENT.

Work on the cement abutment at the lower basin is progressing slowly. The portion of the improvement to the east of the O. W. P. & Ry. tracks is within a few feet of the desired height. At present cement is being dumped into the tunnel where the steel flume pierces the abutment, and workmen are tamping it in hard so that it may be made water tight.

LOTS OF FRUIT.

A passenger on northbound No. 12, Sunday, says the train was delayed at nearly every little station north of Salem by shipments of fruit. The whole country seems abounding in fruit. A car of cherries and a car of loganberries were picked up at Brooks, consigned to Seattle.

PRAISE FOR MAYOR CAUFIELD

A large congregation at the morning service in the Methodist Episcopal church adopted unanimously by standing vote the following resolutions: First: That the action of Mayor Caufield in closing the saloons on Sunday is most heartily approved, and he is hereby assured of the sympathy and support of the Methodist people of Oregon City. Second: That we as a church and congregation unequivocally condemn such desecration of the Sabbath by civic organizations as took place at Canemah park Sunday, June 30, in the firemen's picnic and barbecue and pledge ourselves to do what we can to discourage such things in the future.

Safety in Numbers.

"Old Uncle Abner, an ex-slave, was very ill, and the daughter of his former master had called to bring him delicacies and to offer consolation. "I hope, Uncle Abner," she said sympathetically, "that you are thoroughly acquainted with the goodness of the Lord." "Of course I is, chile," the old negro replied. "Why, honey, I's been converted 'bout fourteen times."—Lippincott's.

Aesthetically Considerate.

Mrs. Smith (of Tooting)—The front steps are dreadfully dirty, cook. Cook—They are that, mum, but the new girl won't clean 'em till her trunk arrives. Mrs. Smith—Indeed. And why not, pray? Cook—Well, mum, she says she never cleans steps unless she's wearin' her best black silk stockings with the gold clocks.—Tattler.

Difficulties in the Way.

"There are so many disadvantages connected with any kind of a professional life that it is hard to choose a career." "How do you mean?" "Well, to get along as a dentist has to have a pull, a doctor must have lots of patience before he gets any, and a lawyer at the best can look forward to but a brief career."—Baltimore American.

Different Then.

"There's nothing," said the actor, "that makes a man feel so good as the cheers of the multitude." "Unless," replied the other, "the man happens to be a prize fighter and realizes that the cheers are for his opponent!"

Mr. Gleason has been taking the open air treatment for consumption, and sleeps in a tent in the yard. He retired at the usual hour and was not awakened till morning, when to his surprise he noticed that all of the pockets in his clothes were turned wrongside out, and the watch was gone. Mr. Gleason thought it to be a practical joke played by some member of the family, but they all were surprised to hear of it.

On evening the last of last week County School Superintendent Zinser was sleeping in his tent when a nery burglar stole his trousers and new shoes.

GIRL TURNS DARK BLUE.

She Polished Her Shoes With Indigo, and It Struck In.

The skin of Mary Coffers, nineteen years old, employed in the Allegheny General hospital, Allegheny, Pa., is dyed a deep lavender color from head to foot, and the physicians are making a strenuous effort to save her life. The case is baffling them, and it is feared she will die.

The young woman about two weeks ago attended an outing, wearing a new pair of shoes. She scuffed the footwear and in an effort to restore them used a quantity of indelible ink, which she thought was shoe polish. After wearing the shoes for several days thereafter she noticed that her feet had been dyed a deep purple, but did not say anything to those employed with her. After making this discovery she found the coloring was gradually spreading over her entire body.

Finally other girls in the laundry noticed a peculiar color in Mary's face, but she only laughed when an inquiry was made. She was taken seriously ill, and the physicians discovered her plight. Upon being pressed the girl told the story.

The physicians have found that the coloring used upon the shoes has been absorbed through the skin on the feet and by the blood has been carried through the entire body.

BURGLAR HER OWN SON.

Frenchwoman, Discovering It, Faints In Police Station.

A dramatic affair recently occurred at Villeneuve le Iol, a village about twelve miles from Paris. M. Vadel, a man of independent means, had gone to Paris and his wife had left the house to do some marketing. Mme. Vadel returned alone and found a bearded man in the drawing room breaking open a secrétaire in which she kept jewelry and money. She screamed for assistance and the burglar got away through a window.

A gardener started in pursuit and the burglar fired five pistol shots at him without effect. Several other persons joined in the chase, and the man turned and fired, slightly wounding one of his pursuers. Finding himself hard pressed he turned the revolver upon himself, but did not attempt to discharge the weapon. He was quickly captured, and in the struggle his false hair and beard came off, and it was then seen that he was a mere youth of between seventeen and eighteen years of age.

He was taken to the police station and confronted with Mme. Vadel. The lady fainted on recognizing her own son, who had a post in Paris.

BLUE JAYS WHIP A CAT.

Birds Rout Predatory Feline Which Attacks Their Nest.

Residents of Fayette place, Taunton, Mass., recently witnessed a remarkable battle between "Rags," a coon cat owned by Mrs. James Brown, and two blue jays. The jays were the aggressors and the victors.

Attracted by the scolding of the jays, the residents saw "Rags" sitting on a

fence under an acacia tree. Suddenly a jay swooped down and struck him a blow on the ear. "Rags" turned and as he did the other jay quickly struck a stinging blow on the opposite side that brought forth a howl. Attacking him on both sides the jays fought furiously and "Rags" battled viciously. Finally the cat turned tail and fled to the house for protection. The nest of the blue jays in the acacia tree caused the attack.

Buy's Barn as It Burns.

Selling a barn at auction while it was burning to the ground was the rare feat performed by Clarence M. Ortilp of Oxford, Pa. The barn, in flames, was knocked down to James Pennock of Russellville. The sale was an assignee's vendue of the property of Clark H. Jackson, in Russellville. The farmers were gathered in front of the house from all sections of the county and had bid the place up to \$3,500 when some one smelled smoke. The barn, just behind the house, was on fire, and it was destroyed, with valuable contents. After the fire Pennock, who had bought the property, decided he had got a "lemon" and refused to stand by his bargain, so that the property will have to be resold.

FELL 109 FEET FROM WILSONVILLE BRIDGE

PARTICULARS OF ACCIDENT TO WORKMAN—P. & A. TEAM DEFEATS CITY TEAM.

Wilsonville, July 2—Arthur Mohstrom, a workman who was killed Sunday by a fall from the bridge being constructed across the Willamette here, missed his mark as he was driving a bolt, causing him to lose his balance on the 8 inch plank on which he was standing. He fell a distance of 109 feet, striking on a barge in the river below, causing almost instant death. Both legs, one arm, his neck and many other bones were broken. The body was taken to Oregon City for shipment to his people at Salt Lake. Mr. Mohstrom and his brother left home and parents only a few weeks ago, the brother going to work for the O. W. P. at Casadero, and Arthur coming here. He was 22 years of age and unmarried. Born to Mr. and Mrs. Fred Ridder, a boy. They have two little boys at their house now.

The baseball game on the Wilsonville diamond Sunday was another grand victory for the P. & A. The score was 14 to 5. Portland should get better teams together to send in to the country. These Northwest Gun boys were not in it at all with the farmers, and if they did term the farmers "Yellow Jackets" and all sorts of funny names, the latter more than held their own and are ready for a better team next.
