

TOP-NOTCHERS VISIT PACIFIC NORTHWEST

STILL MORE INTERESTING OFFICIAL CALL TO BE MADE—COLONIST RATE.

Portland, July 22—The top-notchers in government affairs are becoming better acquainted with Oregon's resources and necessities. Hon. Oscar C. Straus, secretary of commerce and labor, was given an informal reception at the Commercial club Saturday night, and as is now well known, was immediately preceded by Secretary Garfield and Vice President Fairbanks, and there is yet in store news to announce of the most interesting visit of them all.

During this dog-day period, when the atmosphere is laden with a spirit of resistance to incorporation or oppression, don't let the fellow who never contributes a dollar toward the advertising and advancement of his community be excused from making such contribution because he can talk louder and oftener than the busy man and good citizen who believes that a "square deal" includes himself and that he should do his duty towards his fellow citizen—if "broke" or too stingy to make giving a pleasure, he can do his section some good by writing a few letters to relatives, acquaintances and friends in the East, telling them of the low rates to, and the glorious opportunities presented by Oregon.

During the past three weeks the travel into Oregon from the East has been as large as at any time during the Lewis and Clark exposition, and many of the visitors are becoming familiar with the opportunities afforded by the state, a large number of tourists having made stops at five or six points in different parts of the state.

Julius Kruttschnitt, director of maintenance and operation of the entire Harriman system, General Manager J. P. O'Brien and Chief Engineer Boschke, of the O. R. & N. Co., and the officials of the Corvallis & Eastern, left the latter part of the week for an automobile trip through Central Oregon. Let us hope they have with them a pole long enough to get the persimmon—it's been hanging a long time.

If the people of Oregon fail to take advantage of the colonist rates beginning September 1 and continuing until October 31, it will not be the fault of the newspapers, for both in news, editorial and local columns the press has kept the facts before its readers. Remember this is the one way rate, the tickets are only to Oregon and not round trip, and good for any point in the state, but the ticket must read to your station when it is purchased of the agent back in the other states.

KELLOGG EXCURSION IS GREATLY ENJOYED

TRIP ON UPPER COLUMBIA UNDER FRATERNAL BROTHERHOOD AUSPICES.

The Fraternal Brotherhood excursion on the steamer Kellogg to Multnomah falls, Sunday was a very enjoyable affair and successful financially as well. Nothing occurred to mar the pleasure of the day except that the Woolen Mill ball team lost the game at Camas. But then one team had to lose and while the boys were beaten they put up a stiff argument and made the fast Camas team extend itself to the limit. The feature of the game was the rooting of the Camas crowd.

Following is the score by innings and line-up of teams:

Camas 0 0 0 2 2 0 1 0—6
Oregon City... 0 0 0 0 0 0 0 0—0

GRAYS DEFEAT GRESHAM.

The Oregon City Grays won an interesting game from the Gresham team on Willamette field Sunday afternoon by a score of 8 to 4. The Grays played fast ball all the time and the Gresham club was dangerous in nearly every inning. Grays made 13 hits, Gresham 7. Hanlin of the visitors broke a finger in the third inning.

TRUNKMAKERS DEFEATED.

The final ball game at Gladstone park, Saturday, was a very exciting contest. Brainard Cubs turned the tables on the Trunkmakers and won by a score of 6 to 5. Neither side scored until the fifth inning when the Cubs tallied twice and the Trunks went them two better. In the next innings the Cubs hit the home plate four more times while the Trunks got but one over.

GRANGE TO STUDY TAXATION METHODS

Milwaukie grange at its meeting, Saturday, started the discussion of the tax question. Mrs. Mary Getchell, the lecturer, leading it. In starting this study the work was begun at the bottom. Topics were assigned as follows: "Who is the Assessor?" "How is the Assessor Selected?" "What are the Qualifications of the Assessor?" "What are the Duties of the Assessor?" "How Does He Perform His Work?" These are the preliminary questions to which answers will be made at the meeting in August. Then will follow the study of the different phases of the present tax law, which will take several meetings and will gradually lead up to the main object, "what can be done to improve the taxation laws and make them more equitable?" The entire year will be occupied with a thorough discussion and analysis of the tax question according to the program laid down by state lecturer, Mrs. Clara Waldo. It is supposed all the granges will undertake this work during the year, but Milwaukie has laid out an extensive plan of study that will prove interesting and instructive on this

subject that is really little understood.

GROWER'S BIG LOSS BY HOLDING HOPS

The largest transaction in hops that has been made in the vicinity of Silverton for several months was consummated last Monday evening, says the Woodburn Independent, when L. L. Bower sold his entire lot of 1906 hops to T. A. Livesley & Co., of Salem. The lot consisted of 130 bales and the price received is said to have been 5 cents per pound. Last winter Mr. Bower refused 12½ cents per pound for the product.

Charles Leith is considering an offer of \$100 an acre for his 16 acres of hops as they stand. They will average about 1500 pounds to the acre. It is said offers have been made of \$125 an acre. This is encouraging to growers.

DEATHS OF A DAY.

John Howlett, an Eagle Creek farmer, died Saturday morning, at the residence of his daughter, Mrs. S. D. Powell, 1820 Fiske street, Portland, aged 58 years. Deceased had been ill for the past six weeks. Six sons and two daughters survive him. Mr. Howlett was born in Jennings county, Ind., April 2, 1849, and came to Oregon with his parents in 1851, settling in Clackamas county, near the present town of Eagle Creek, where most of his life was spent. The remains were taken to Eagle Creek, Monday morning where the funeral services were held at 11 o'clock. Interment was in the family plot in the Gibson cemetery near Eagle Creek.

Irwin KenKnight, aged 19, was drowned Thursday while engaged in driving ties down the Willamette river, at Canby. The Tribune says the accident was caused by Mr. KenKnight slipping from a raft and being thrown into a swift current and carried to his death before help could reach him. Mr. KenKnight was the son of Mr. and Mrs. Charles KenKnight who reside three miles north of Canby. He was a young man of exemplary habits and had a large number of friends who sympathize with the bereaved parents. The funeral took place Thursday afternoon, from the family residence. Rev. Weber conducted the funeral services and Mrs. Ed. Braidl was soloist. Interment was at Zion cemetery.
